Dr. Smith and Family Leave—Dr. and Mrs. C. A. Smith and family, who have been residing here for the past six and a half years, leave today for Hubbard, where Dr. Smith will take charge of the Hubbard Mineral Springs Sanitarium. The springs for the past 25 years have been practically undeveloped, but were recently purchased by Dr. Smith and three other gentlemen, who intend to develop them. The springs contain soda, magnesias, and iron, and in a mineral way compare favorably with the Carlsbad Springs in Europe. It is planned to have a camp ground there, a swimming pool, and golf course, with, later on, other amusements. The springs are 21 miles from Portland, and only a quarter of a mile from the highway. Later on it is planned that an artificial lake will be put in, covering two acres, and will be stocked with trout and other kinds of fish. Dr. Smith states that they expect to have the sanitarium completed by October 2.

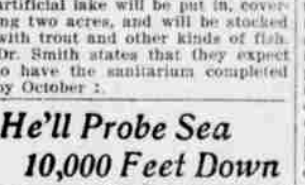

Costly Tomb Sold TO PAY MAN'S DEBTS (Associated Press Local Wire) NEW YORK, Sept. 14.—The marble mausoleum of the late William Bradlee, well-known subway builder and contractor in Woodlawn cemetery, which cost \$250,000, has been sold to pay debts incurred by his estate. The body has been transferred to a less pretentious grave.

They report an enjoyable and successful hunt, bringing back eight deer. Arrive In Montana—Mr. and Mrs. Thomas Conway, who left here by automobile on Friday, have arrived safely at their destination, Lewistown, Montana, according to a telegram received this morning by Mrs. Conroy, Sommerhalter here. They made the trip in good time with no trouble of any kind. Visit At Thomas Home—Mr. and Mrs. John Parrish, of Los Angeles, who visited last week at the home of Chas. Thomas, were strongly impressed with Roseburg, and expressed the desire to have a summer home here. Mrs. Parrish, who is a business woman, says she sees the possibilities of government manufacturing establishments here. O. C. Houser Home—O. C. Houser, central dispatcher on the Umpqua National forest, who has been located at Glide during the fire season, has returned to Roseburg. He reports that the fire season in the forest this year was passed with practically no serious loss, nearly all of the fires occurring during the month of July, and the bulk of them following one storm. It Pays to Advertise—The saying that "It Pays to Advertise" is so familiar that many people do not realize how true it is. As an instance of the value of extensive advertisements in the News-Review, was that shown by the result of the full-page ad published by the Maytag Washing Machine Co. in Saturday's issue. In a half hour after the paper appeared on the street a gentleman appeared at Churchill's Hardware company with a copy of the paper in his hand and promptly ordered one of the machines sent to his house.
