When you admire the handsome appearance of U.S. Royal Balloons—remember also they are True Low-Pressure Balloons

IF you are one of the thousands of car owners who have been attracted by the handsome appearance of the all black U. S. Royal Balloons, it will please you to know this—

These tires *hold* their good looks during the full period of their long service life. They do not show finger marks, mud or grease stains.

The beauty of U. S. Royal Balloons is in addition to those characteristics which have made these tires famous. They are distinctive in being *true* Low-Pressure balloons.

Their construction and design positively avoid the necessity of over-inflating the tires to insure long service. You can run them at *genuine* low air pressures and get the comfort that balloon tires are intended to give.

Their "Low-Pressure Tread" is *flat*. It provides much greater area of road contact than a round tread, thereby distributing the weight *evenly* to every tread block. That is why the tread wears slowly and evenly.

The continuous flexing of a balloon tire on the road calls for great strength and flexibility of construction. Latex-treated Web Cord, the patented process developed and patented by the United States Rubber Company, meets this flexing perfectly and accounts for the exceptional mileage of U. S. Royal Balloons.

So U. S. Royal Balloons make a real contribution to the beauty and the comfort of the modern car. Start now enjoying the advantages of *true* Low-Pressure balloons.

United States Rubber Company

U.S. Royal Balloons True Low Pressure

with the New Flat "Low-Pressure Tread" and built of Latex-treated Web Cord

Trade Mark

United States Tires are Good Tires

JUSTICE COSHOW SAYS STATE ROAD WORK MAY PROCEED

..SALEM, Ore., Sept. 15. — The state highway commission may proceed with the reconstruction of 9.2 miles of the Columbia River highway, under a contract with Somonsen and Hefty, between Astoria and Svenson, according to a supreme court opinion today in the injunction proceeding of Frederick M. Deneffe, appellant, against the commission. The opinion was written by Justice Coshow and affirms Judge Robert G. Morrow of the lower court for Multnomah county.

Other opinions by the court were:

A. C. Everhon, appellant, vs. N. W. Phelps, appeal from Tillamook county; suit to collect money; opinion by Justice Brown. Judge George Ilagley affirmed.

In the matter of the determination of the relative water rights of Willow Creek and its tributaries, a tributary of Malheur River. Willow River Water Users Association, appellant, and other cross-appellants, vs. Orchards Water company, et al, appeal from Malheur county, submitted on motion to retail mandate. Opinion by Justice Coshow. Decree mended for purpose of clarifying award of water and petition denied.

First National Bank of Condon, appellant, vs. Maud Kent; appeal from Gilliam county; motion to dismiss appeal allowed in opinion by the court.

Exile Burkitt vs. L. A. Vail, et al, appellants, appeal from Multnomah county; motion to dismiss appeal overruled in opinion by Chief Justice McBride.

James Paul, et al, appellant, vs. Livestock State Bank, et al, appeal from Harney county; motion to dismiss appeal overruled in opinion by Chief Justice McBride.

Louise Claggett vs. C. Claggett, appellant; appeal from Marion county; suit for divorce. Opinion by the court. Judge Percy R. Kelly affirmed.

Petitions for re-hearing denied in state vs. McLaren et al; Delsman vs. Wilcox; in re Elizabeth Watt; Thrift vs. Laird; Thompson Optical company vs. Thompson; state ex rel vs. State Industrial Accident Commission.

Motion to dismiss appeal overruled in Security Savings and Trust company, vs. Ogden; Kerschner vs. Smith; Bloech vs. Hyland Homes company, Rashford Lumber company vs. Dolan; Dodson vs. Bend.

Motion for re-consideration denied in Conditt vs. Conditt.

RHEUMATISM

Cannot Exist in the Human Body if You Will Use Trunk's Prescription

It is preposterous; in fact, it is a shame to suffer with any form of Rheumatism.

This Prescription does not ruin the stomach, it does not depress the heart. Eat all the meat and good food you wish while taking Trunk's Prescription. Contains no mercury, salicylate acids, oil wintergreen or narcotics, but positively overcomes any kind of rheumatism or gout on earth. What more do you want? It is impossible to get something better. The greatest uric acid solvent known and also a **superior liver medicine.**

Trunk's Prescription sells for $1.75 or 5 for only $5.00 at Nathan Fullerton Drug Store.

ECONOMIC MEET IS FAVORED BY FRANCE IN LEAGUE ASSEMBLY

(Associated Press Leased Wire.)

GENEVA, Sept. 15.—A resolution favoring the completion of an international economic conference was introduced in the League of Nations assembly today by Luis Loucher, speaking for France.

The French resolution states that the league assembly resolved to try every method to promote peace and convinced that economic peace will contribute largely to the general security, invites the league council to appoint a committee to prepare for a conference, with the collaboration of the league's technical organizations and the International Labor Bureau, to study "the economic differences standing in the way of a restoration of general prosperity and the best methods of surmounting these difficulties and avoiding disputes."

PRESIDENT GIVES AIRCRAFT BOARD A FREE HAND IN QUIZ

(Associated Press Leased Wire.)

WASHINGTON, Sept. 15.—President Coolidge will give his aircraft investigating board a free hand as to the witnesses to be summoned and the course of procedure to be followed.

Acceptances have not yet been received from all the nine men asked to serve, but the executive is confident that all of them will accept.

Mr. Coolidge feels that the board must decide for itself whether its hearings are to be open to the public, but sees no argument against open sessions, unless perhaps at some time in the investigation should consider confidental plans for the national defense.

The policy to be pursued in this course, he thinks, can be best decided after the board has convened and organized.

The president's position will leave the board free to call in Colonel William Mitchell, chief figure in the aircraft controversy and Commander John Rodgers of the PN-9, No. 1, as well as any other witnesses it may desire to hear. The war department already is making plans to have Colonel Mitchell's testimony made available to the investigators, and both Secretary Wilbur, of the navy, and Acting Secretary Davis, of the war department, are expected to make it convenient for any officer of either branch whose presence is required to attend the sessions.

Senator King of Utah, a democratic member of the senate naval committee, today characterized the president's action in appointing the commission as a "gesture" to stop efforts for an inquiry by congress, which he said would be carried through at the approaching session.

The Utah Senator sought at the last session to have an investigation of the navy department. He now seeks inquiry by a special congressional committee rather than a joint naval committee.

TO ASK FOR RULES FOR BROADCASTING AT NATIONAL MEET

(Associated Press Leased Wire.)

WASHINGTON, Sept. 15.—Secretary Hoover, with some reluctance, intends to ask the National Radio Conference which will be assembled within the next six or eight weeks to lay down a program for regulating and restricting broadcasting.

The trend in the field, he said today, has made some federal regulation, probably backed up by legislation, seemingly necessary.

"We have now close to 600 broadcasting stations operating and we know that there are about 100 additional building or in progress," the secretary said.

"We have to proceed now to divide time alloting to even the finest broadcasting stations as well as to those of lesser serviceability."
