Why Gum-Dipping is so Important to Car Owners

GUM-DIPPING—the Firestone extra process builds into tires extra quality by impregnating and insulating every fiber of every cord with rubber.

This exclusive method is carried out in special Gum-Dipping plants, after which the cords are put through the usual calendaring process.

By this method, added strength and flexibility are imparted to the cords, making Gum-Dipped Balloons most serviceable and enduring over rough roads.

FOUR MEN FACING CHARGES OF MURDER GO TO TRAIL OCT. 5

(Associated Press Leased Wire.)
SALEM, Ore., Oct. 1.—Four men, three of them inmates of the state penitentiary and one, an ex-convict from the Oregon prison, go on trial Monday, October 5, for murder in the first degree.
 Tom Murray, Ellsworth Kelley and James Willos, the three convicts, were individually indicted by the Marion county grand jury for the separate deaths of J. M. Holman and John Sweeney, guards at the penitentiary, who were killed about 6 o'clock the evening of August 12 when the three prisoners shot their way to liberty after leaving Bert "Oregon" Jones, their leader, dead from a shot by John Davidson, guard. Two other guards were injured, James Nesmith, turnkey, badly battered about the head by a heavy cuspidor, and Lute Savage, shot beneath the heart.
 W. R. Lloyd was indicted by the Polk county grand jury for the slaying of C. I. Baun, independence-for-hire automobile driver, who was killed the night of September 1 a few miles south of Independence. Lloyd fled toward eastern Oregon and abandoned the dead man's machine near The Dalles. He was apprehended by special railroad officers as he was boarding a freight train in the railroad yards at The Dalles the night of September 2.
 Murray was returned to the penitentiary 10 days after the escape, following his betrayal to Centralia, Wash., police officers by Philip Carson, whom he had taken in to his confidence. Kelley and Willos were apprehended by four Portland officers while they were eating lunch on the running board of a stolen automobile near Goldendale, Wash.

STRENGTHENS NAVY IN MEDITERRANEAN

(Associated Press Leased Wire.)
LONDON, Oct. 1.—Strong British naval forces will be maintained in near eastern waters during the next few weeks under amended orders issued by the admiralty to the Mediterranean fleet.
 Under the new instructions, the third battle squadron, the third cruiser squadron and fleet and third destroyer flotillas will concentrate in Suda Bay, Crete, on October 8, to remain a week.
 After their departure for Malta the battleship Queen Elizabeth will arrive at Suda Bay and she in turn will leave for Malta October 20th.

EASTERN STAR MEMBERS TAKE NOTICE

On our next meeting night, Thursday, Oct. 1st, the degree will be conferred upon six or more candidates. We will have visitors from Yoncalla and Drain chapters, and last but not least there will be something good to eat in the banquet room. Come out and have a good time.

 WILL DIRECT ROAD WORK

C. C. Hon, who was in charge of the construction work on the Big Gamas section of the North Umpqua road for a short time, has returned to the Umpqua national forest and will be in charge of construction work on the South Umpqua road. Mr. Hon started the North Umpqua road work, and was then called upon to the Columbia road project. He has now returned to take charge of the work to be done east of Tiller. Deputy Supervisor George Bonebrake, who took charge of the North Umpqua road work, following Mr. Hon's departure, is now taking charge of the work of collecting and storing the forest service material.

AGGIES WILL USE TWO BACKFIELDS IN OPENING GAME

(Associated Press Leased Wire.)
CORVALLIS, Ore., Oct. 1.—Fans at the Willamette-Oregon Agricultural College football game here Saturday will see Coach Schiesser use two distinct backfields which he will probably change in a group rather than as individuals. Edwards, quarter; Schiesser, and Bell, halves, with Snider at full, make up a heavy, plunging combination, capable of crashing most any line for gains, observers here say. Lassiter, quarter; Quinn and Luby, halves, with Denman, full, is

Ribbon, Velvet Trim Small Hat

Velvet and ribbon seem to be the popular trimmings for the small end-of-the-season hats. The small velvet shape at the top is trimmed with flat rosettes of soft toned ribbon; the velvet intricately tailored mode (center) uses merely bands of narrow ribbon and an ornamental tab of self material; the velvet in a lattice pattern (below) has a band of ribbon— grosgrain— and a fancy pin for trimming.

the other combination, built for speed, open field running and passing.
 First scrimmage between varsity and rooks was held last night. Coach Schiesser's first string was kept in a comparatively short time, but garnered three touchdowns. The second and third squads each gathered two. Most were won by the aerial route.
 Coach Schiesser expressed himself as well pleased with the showing of the men on the whole and was also impressed with the quality of material among the rooks.

FLASHES OF LIFE

PARIS—Marcel Nilles is going back to the farm to await his next fight. Knocked out fourteen times, he spent two months on the farm, then came back and knocked out Jack Taylor of Omaha, in two rounds last night.

BEWARE THE COUGH OR COLD THAT HANGS ON

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified crocote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.
 Of all known drugs, crocote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to crocote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the crocote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.
 Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creomulsion Company, Atlanta, Ga. (adv.)

FINAL GAMES 1925 BASEBALL SEASON

(Associated Press Leased Wire.)
NEW YORK, Oct. 1.—Three games separated the four second division clubs in the National league today giving the Phillies, the present tall ender, the mathematical possibility of climbing into sixth place by the close of the season on Sunday.
 Philadelphia's second straight triumph over the Robins yesterday, 6 to 4, kept Brooklyn from unseating the Braves from the fifth rung. The Robins have won but two of their last 17 contests.
 All the second division teams, with the exception of the Braves, have three more games to play, Boston has but two contests, with Brooklyn on Saturday and Sunday.
 Should Fletcher's club win all of its remaining games, Chicago lost two, and the Robins three, the Phillies will come from the cellar into the sixth position. Brooklyn and Chicago are in a position to take fifth place from the Braves, mathematically.
 But one American league game was played yesterday, the Red Sox winning from a makeshift club of

STOLEN CAR RECOVERED

A Chevrolet touring car, registered in the name of Smith J. Hilton of Grants Pass, has been found abandoned at the intersection of South Main street with the highway. The car was stolen from Grants Pass about a month ago, and has been standing near the end of the street for about that time, residents stated. The car has been stripped of tires and all extras, presumably by the persons who stole it from Grants Pass. The officers of that city have been notified and are sending for the car.

NEW TRUCK IS ADDED BY AUTO FREIGHT COMPANY

The Oregon Auto Transportation company, which in August, purchased the Roseburg-Portland freight line, have added another truck to their fleet of six, extending operations toward the coast, where their truck connects at Myrtle Point with freight lines from Gold Beach and Bandon on the south and Marshfield, North Bend and Conville on the north. Freight to and from coast points can now reach its destination a day earlier, as it previously went via Eugene. Five trucks are now operating between here and Portland, maintaining daily schedule. Mrs. A. C. Bohmstedt, president of the company, with headquarters in Salem, has been in town a couple of days, seeing to the proposed extension of the service which goes into effect tomorrow. Gene S. Frye is local manager.

LOOK OUT FOR SELF POISONING

Neglect of the liver results in self-poisoning! Not so quickly, perhaps, but just as surely as if you drank poison out of a bottle. If your liver is not doing its work of helping digestion, eliminating waste from the bowels and purifying the blood, you will always be troubled with sick headaches, nausea, biliousness, bad breath, gas, sour stomach, or constipation.
 Cleanse and tone your liver! Put your system in condition so you feel your very best again! Try just a spoonful of Dr. H. S. Thacher's excellent Liver and Blood Syrup after the next few meals and notice the quick improvement in the way you eat, sleep, look and feel—the return of strength, vigor and energy. You will be completely satisfied; otherwise there will be no rest. Dr. Thacher's Liver and Blood Syrup is sold and recommended by Nathan Fullerius, Roseburg, Oregon Pharmacy, Drain, Oregon.
