REWARDS POSTED FOR TWO ALLEGED DOVERY SLAYERS

(Associated Press Leased Wire.)

KELSO, Wash., Oct. 7.—With warrants charging murder out against John W. Smith, 53, a boxing promoter, and Frank L. Hart, said to have been an associate of Smith, authorities here were directing a search for these men in the hopes of clearing the mystery surrounding the shooting to death of Thomas Dovery, Kelso editor, June 19. The last clue to the whereabouts of Smith was a report that he had been seen two weeks ago at The Dalles, Ore. A reward of $500 has been offered for Smith's arrest.

Evidence which led to the charges against Smith and Hart and to the arrest for investigation of W. L. Thompson, who was taken into custody near Oakridge, Ore., developed through identification of the revolver with which Dovery was shot, said Assistant Attorney-General R. G. Sharp, the lead to this identification was furnished by Assistant United States District Attorney Allen Bynon, at Portland, who informed the Kelso officers that a friend and client of his had obtained information leading to the identification of the gun.

Late yesterday, Cowlitz county commissioners declared that an agreement had been made with Bynon's friend, C. G. Hill, of Portland, to pay him $5,000 for the information.

The commissioners repudiated the contract because they held it was entered into at Portland, which was outside their jurisdiction, and because they could not legally pay more than $500 as a reward.

ODD FELLOWS OF PENDLETON GREET ENLARGED TEMPLE

(Associated Press Leased Wire.)

PENDLETON, Ore., Oct. 7.—The enlarged Odd Fellow's temple in this city was dedicated last night with members of the I. O. O. F. from Umatilla and Morrow counties participating. LIGHT.

By Alden Harness, Roseburg, Ore.

The following poem appeared in the October issue of the Reality Magazine.

The records found within the rocks, which time has left, unfold,
Convincing facts which clearly prove the earth is cycles old.
The proof which proves this world has grown, as worlds will ever grow,
Disproves it was in six days made, six thousand years ago.

Did God first fashion man from clay, reversing nature's plan?
Does not the tale, which tells us this, dishonor God and man?
In the savage jungle world man was born in fear and night
And for a million years has fought his upward way to light.

Such truths as these, which Science brings to many minds today,
Fanatics ever strive to bar with superstition's sway.
To unjust laws, which are proposed, their full support they give.
Does not the same desire, which ruled the inquisition, live?

Around Her Science finds Her foes, as in the past, are drawn;
But over them She shall pervail and progress on and on,
And She shall teach them how to gain diviner mind and sight,
Till they in unity with God shall understand aright.

"THE FOUNDATION OF HIS HEALTH"

Among the thousands who have publicly expressed indebtedness to Tanlac for normal weight, health and strength, is A R. White, who recently said:

"The foundation for my present excellent health was laid by Tanlac. For months I had been run-down. I had lost all enjoyment for food and suffered great discomfort from indigestion. My liver was sluggish and that tired feeling was on me all the time.

"Three bottles of Tanlac relieved my troubles and started me off with a system so thoroughly toned up and renewed that I soon found myself feeling like a new man."

SNOW BLANKETS MID-WEST; RAIN UPSETS TRAFFIC

(Associated Press Leased Wire.)

CHICAGO, Oct. 7. — The mid-west is overcoated and the snow shovels are being wielded in Soth Dakota, Montana and Wyoming. But while surcease from shivers is promised the far west today, the wheat belt looks for its first snow and the eastern section may expect, later is the week, temperatures approaching frost.

There is five inches of snow in Lead, S. D. The white blanket in Casper, Wyoming, is three inches thick.

Heavy rains are reported over a storm area in the Rocky Mountain section reaching as far south as New Mexico and Arizona. Hundreds of men are repairing landslides and washouts along the Denver and Rio Grande Western railroad near Grand Junction, Colorado, near where a locomotive plunged through a rain-weakened bridge yesterday, seriously injuring two trainmen.

Union Pacific trains are delayed in Wyoming.

The light snow fall in Sioux City, Iowa, and Virginia, Minnesota, melted as it fell.

The Gulf states are the warmest spots in the country. Fort Worth was only four degrees under the century mark at its heat peak yesterday and Florida, Louisiana, Alabama and Mississippi were well up in the eighties and smaller nineties.

NO PURCHASER AT LESS THAN THIRD COST CLARK HOME

(Associated Press Leased Wire.)

NEW YORK, Oct. 7.—The 7,000,000 Fifth avenue palace of the late Senator William A. Clark of Butte, Mont., with 121 rooms and 31 baths, is going begging at $2,000,000. Real estate brokers regard the land on which it stands as more valuable than the building and say the house depreciates the site because of the cost of raising it.

The offer of the mansion for sale marks another step in the speedy passing of the famous avenue as the home of fashion and wealth, and its development for retail trade and apartment houses. The white marble palace of Vincent Astor and the Chateau of Mrs. Cornelius Vanderbilt both have been sold recently.

Mrs. Clark does not care for her mansion because she prefers to live in Santa Barbara, Cal.

OREGON AGGIES PLAY FIRST GAME OF SEASON FRIDAY

CORVALLIS, Ore., Oct. 7.—The Oregon Aggies open their big game season Friday against Gonzaga university, an experienced eleven, or rather two elevens, for Gonzaga uses shock troops to start the game, much like Rockne at Notre Dame.

There is nothing to dope on either team's record so far this season. Gonzaga has defeated two small college teams by over 50 points. The Aggies overwhelmed Willamette university, Saturday 51 to 0.

In the past two years, however, Gonzaga has not been defeated, and has played against Washington state, Idaho, Montana, Multnomah club, Nevada, and Detroit univers'ty. She has a fast and versatile backfield behind a powerful and fast line. The Aggies have the same sort of an outfit.

There are but four big games scheduled to be played in the Willamette valley this fall and two of them come this week-end. Saturday Idaho meets Oregon at Eugene. Carl A. Lodell, graduate manager at O. A. C. already has reserved seats for the Gonzaga game on sale and expects fans from many parts of the state.

The Gonzaga backfield is Flaherty, quarter, Ingram and Bross, halfbacks, and Hunton, fullback, on the first team. The Aggies will use Wards and Robbins, ends; Dickerson and Olmstead, tackles; Richert and Liebe, guards; Balcom, center; Edwards, quarter; Schulmerich and Quinn, halves; and Snider, fullback.

FOLLIES OF 1925 TO BE PRESENTED BY HOME TALENT

Woman's and Altar Guilds of St. George's Church Start Work on Production "Smiles."

One of the most brilliant home talent theatrical productions ever launched in Roseburg, is soon to be staged with local talent at the Antlers Theatre. It will be seen one night only, Monday, October 26, under the auspices of the Womans and Altar Guilds of St. Georges Church, (Episcopal). "Smiles" is the title of the production, with a cast numbering in the neighborhood of 400 local people.

The work is under the direction of a well known producer, Mr. George M. Hall, of Los Angeles, who has staged his productions all over this country, from coast to coast, as well as in Canada. The last porduction of "Smiles" was given in Ogden, Utath, with a repeat performance at the Orpheum Theatre there. Two performances of Mr. Hall's spectacle were given at the Heilig in Eugene, June 4th and 5th, 1925, under the auspices of St. Mary's Church there. A wonderful success was enjoyed.

"Smiles" is without a plot, but has a theme which speaks of "Love—Life—Youth". It is in three parts with eight scenes. A bit of "jazz" creates a more striking contrast to the more serious thought expressed in the production. Dances, comedy, pantomine, dramatics, tableaux — all go to make "Smiles" what it is and more.

Director George M. Hall is a teacher of fancy dancing, interpretive and classic, as well as dramatics, expression and vocal and all who come under his direction are certain to profit in one way or another.

The stage decorations will be elaborate in the extreme, with carloads of natural foliage and thousands of Chrysanthemums being used, the stage of the Antlers being changed into a beautiful "Garden of Dreams."

The rehearsals for the large affair start this afternoon in the parish house, rear of the church building, corner Kane and Cass streets. The children rehearsals are conducted right after school, and the adults at 7:30 p. m. All talented young people of the community are invited to join the cast. In many cities the registration fee for enrollment in the cast has been one dollar, but to make the production more of a community success in Roseburg, no one will be charged. About 100 girls are needed yet to complete the cast and about fifty handsome "sheiks" — (Director's note: — Don't apply unless you are handsome! However the age limit for the cast is 3 to 97, so there are possibilities for all!!! — Don't rush girls!) As the cast grows, larger rehearsals quarters will be announced. Visitors are made most welcome at all rehearsals. For information, call any of the Executive committee listed below:

Mrs. Dexter Rice, President Womans Guild, Phone 347; Mrs. J. K. Falbe, President Altar Guild, Phone 140-R; Mrs. M. E. Ritter, Phone 284; Mrs. Fred Strang, 33-R; Mrs. J. M. Judd, 4; Mrs. Fred Haynes, —; Mrs. A. B. Crawford, 522-L; Mrs. Albert Micelli, 312-R; Miss Ruth Hazel Goodwin, 202-J; Mrs. Roy Youst, 564-R; Miss Katherine Merrill, 415-R; Mrs. J. C. Rume, 225-J; Mrs. George Bolter 585; Mrs. Elizabeth Ashby, —; Mrs. Sam Evans, 208-R; Mrs. Nathan Fullerton, 109-Y; Miss Stella Smith, —; Mrs. E. V. Hoover, 285; Mrs. W. R. Willis, 213-R; Mrs. M. F. Middleberg, —; Mrs. W. C. Belt, 209; Mrs. C. W. Merrill, 415-R; Mrs. Lincoln Antles, 550; Mrs. C. H. Davies, —; Mrs. A. B. McMillin, 206-J.

Everything is in readiness for the "Home Town Follies of 1925". The first local production of the season, and with the above committee of ladies back of it, in success of the enterprise, is assured.

Miss Dorothy Cordon is accompanist for the entire production, and Miss Ealva Westcott, Assistant Pianist.

Does Your Back Ache?

Bad Backs Bring Suffering to Many Roseburg Folks.

Is that dull, constant backache making you old and miserable? Does you back throb and ache until it seems you just can't keep going? Do you suffer headaches, dizzy spells and urinary disorders; feel weak, tired and worn-out? Then look to your kidneys. Delay may mean serious kidney sickness! Use Doan's Pills—a stimulant diuretic to the kidneys. Doan's are recommended by Roseburg folks.

Mrs. Laura Kimball, 222 S. Flint St., Roseburg, says: "My kidneys were always weak and if I took cold it settled in my back and I suffered dreadfully. I couldn't hold out to sweep the floor. Also my kidneys acted irregularly. Doan's Pills relieved these attacks, strengthening my back and kidneys."

KOZER PRAISES UMPQUA CHIEFS AT STATE FAIR

The Umpqua Chiefs of Roseburg made a wonderful hit at the Oregon state fair, and have been highly praised by state officials for their participation. A letter was received this morning by Bert G. Bates from Secretary of State Kozer praising the Roseburg delegation for the interest shown. Mr. Kozer's letter is as follows:

My Dear Bert:

Just let me take occasion to personally express my appreciation as a citizen of this state, of the great interest of the people of Roseburg in sending such a large and representative delegation of its citizens to the State Fair on Friday, October 2, 1925.

It is most unusual for a section of the state lying as far from the seat of activities as Roseburg is from the Capital for such a large number of its citizens to take the time to come this distance in order to express their good will toward a state-wide enterprise. The citizens of Salem should indeed be proud of this, for by reason of the State Fair being held in Salem it naturally becomes more or less of a local affair, and by reason thereof should be supported and encouraged to the fullest extent by the residents of the Capital City. If every community lying no farther away from the Capital than does the City of Roseburg exhibits the same degree of interest annually during the State Fair as the City of Roseburg has during the last few years, the Fair would annually be such a success that the like of it would be unknown elsewhere. To the interest and enthusiasm of your citizens is due much of the credit for the large attendance on Friday, the 2nd, and the success which the State Fair this year enjoyed as a whole, and I want to compliment you personally as being a big factor in the events of the day.

With kind regards and best wishes, I remain

Very truly yours,
SAM A. KOZER.

OPENING CARD PLEASES CROWD OF SIX HUNDRED

(Continued from page 1.)

to register knockouts in the ring at Sutherlin, and it is probable that Henry may be given a chance in the next card to show if he still possesses his old-time stuff.

The curtain raiser was between "Wildcat" Morris and Ira Hatfield, local lads in their teens, who fought a lively battle as long as their wind held out. They gave the crowd a good introductory thrill. The second preliminary was less satisfactory. It was between Kid Cornwell, weight about 145 and Red Pappel, several pounds lighter. It was a long range affair and each man used only one arm at a time. Cornwell spent most of his time giving an exhibition of "The Charleston," while Pappel, on account of the weight handicap had to fight on the defensive. His luxuriant growth of red hair and liberal decoration of freckles were matched in color by a crimson stream that issued from one ear during the last two rounds. The bout did not register much of a hit with the spectators, and the light applause at its close was punctuated with a number of boos.

The big attendance at the armory was highly gratifying to both the promoters and the commission, and most of the comment heard as the crowd broke up indicated that the bill as a whole made a hit. It is planned to hold the next card not earlier than three weeks hence and probably in about a month.
