CHAUTAQUA MAY BE BROUGHT TO CITY NEXT YEAR

H. G. Sterling, representative of the Edison-White Chautauqua company, is spending a few days in Roseburg in an effort to line up a contract which will bring a chautauqua program to Roseburg next year. This year the city had no chautauqua because of the failure to secure a sufficient number of guarantors and the company is anxious to make arrangements for their series of programs here next year.

The matter is now being seriously considered by the Woman's Club, and a meeting will be held at the home of Mrs. Ponsler tomorrow afternoon, at which time Mr. Sterling will meet with the board and present his proposition.

He states that the company's offer will allow the club to make a profit to apply on their building fund, at a particularly low price is to be submitted.

The chautauqua program would include 10 numbers to be presented in six days, the talent, however, being from the regular 7-day circuit. Because of the fact that only a 6-day program is offered, a lower guarantee is possible, Mr. Sterling says.

Mrs. J. M. Ross and Miss Lois E. Reede returned to Sutherlin this afternoon after spending a few hours shopping and visiting in this city today.

LOCAL NEWS

Business Visitor—
F. R. Blakely, Glendale resident, spent several hours here yesterday looking after business affairs and trading.

Gypsy Steals \$12.50—
A band of gypsies invaded the city this afternoon and one of their girls entered the Palace of Sweets just as one of the clerks was making change from the till. Shoving her fist into the money drawer she grabbed a handful of silver. The clerk demanded her to drop it and she let loose of a few half dollars and ran from the store. A quick check was made of the till and a shortage of \$12.50 was found. Sheriff Starmer was notified at once and he stopped the band on Stephens street. The girl was found and the money demanded. Her father, who was driving the car, at first denied she had taken it, but soon reached in his pocket and paid back the sum. The sheriff ran the whole bunch from town and followed them for quite a distance to see they did not return.

AMERICAN LEGION CONVENTION AT OMAHA SUCCESS

Dr. and Mrs. E. B. Stewart returned last night from Omaha where they attended the national convention of the American Legion. Dr. Stewart is the commander of the State Department of Oregon and Mrs. Stewart rounded out a term as national vice-president of the American Legion Auxiliary. The national convention, Dr. Stewart reports, was the most constructive ever held by the organization. One of the outstanding features was the wonderful address made by President Calvin Coolidge. The convention parade required over four hours to pass the reviewing stand. The Covered Wagon stunt which Oregon had planned was not attempted, owing to the failure of the money to be furnished by the Chamber of Commerce as planned.

Oregon, however, obtained some wonderful advertising at the states dinner. The Oregon table was the center of attraction because of its novel arrangement and decorations. At one end was a replica of Mt. Hood and at the other a replica of Crater Lake. All around the table were scattered miniature fir trees made from tips of fir boughs. These were so popular that all had been begged away before the dinner was half over.

The Oregon girls distributed five boxes of highly polished apples to the crowd, not having enough to go around, however.

The Roseburg Chamber of Commerce through the co-operation of the Drager Fruit company sent 100 pounds of prunes to be used by Commander Stewart for advertising purposes. These were placed in the Brandies restaurant, where they were served on the breakfast menu at table d'hotel dinners with special attention being called to them as a gift from the American Legion Department of Oregon.

EUGENE BONDING CASE IS ORDERED REARGUED.
(Associated Press Local Wire.)
SALEM, Ore., Oct. 13.—The supreme court today ordered a second reargument in the case of Campbell, appellant, against the city of Eugene in which the plaintiff seeks to have declared null and void, a bond issue of \$500,000 for the purpose of constructing a municipal auditorium. The order was oral and no reason given for allowing the second reargument of the case. The special election on the bond issue was held July 2, 1924, with a majority of thirty votes being cast for the bond authorization.

MARKETS
PORTLAND, Ore., Oct. 13.—Portland cheese markets are higher today with both Tillamook and Mellowest brands up a cent on triplets and loaf.
Tillamook triplets are now quoted at 21 cents by local jobbers with loaf at 22 cents; Mellowest is quoted at 30 cents on triplets and 31 cents on loaf.
Local butter makers are all up in the air over the turn of events in fat prices. With an established price of 52 cents, f. o. b. shippers track in the first zone, large independent creamery men have gone out offering 53 cents for cream delivered Portland. Unless the situation is ironed out it will prove decidedly disastrous for the buttermakers and temporarily advantageous to the producer.
Country dressed calves are weak with choice light veal sold as low as 15 cents this morning. Country dressed hogs are working higher and today choice light pork readily brings 18 1/2 cents.
Live poultry receipts along the street are sufficient for this market requirements and prices are generally steady.
No change is shown in egg quotations on the local dairy board. Receipts are moderate and the demand for fresh stock continues firm.

KILLS BROTHER IN QUARREL, OVER \$200.
(Associated Press Local Wire.)
CHICAGO, Oct. 13.—The center of the Chicago financial district was the scene of the shooting this afternoon of Edwin H. West, Chicago board of trade operator, by his brother, Alfred, also a board operator. Alfred was arrested. Scores of pedestrians witnessed the shooting. One of them held Alfred and his brother crumpled to the sidewalk. The shooting resulted from an argument over \$200.
