"Shoot 'Em Alive"

Whenever you go Kodak Hunting you "shoot 'em alive," and it makes no difference whether it's a shady nook along a mountain stream, or the wild beast in his native lair that you "shoot," unless you get proper and efficient developing and printing of your film—the effort has been in vain. We guarantee correct and professional developing and printing and our famous speedy

Don't Be Misled!

The seeming inducements pictured to you by other trading centers is nothing but bait to pull your dollars to them.

The commercial glad hand extended will be held out only as long as your dollars last. Their interest in you is only a commercial interest founded on a dollar basis, and you will usually find you pay more—but get no more—and mostly you get less.

Things You Need for Fall—

As the chill Fall Days come there is a general need for drugs and toilet articles. This demand comes just as the shortening days and damp mornings with chilly and heavy air are such a marked change from the summer days. Colds and other minor ailments require attention. You will find this store prepared to serve you in detail.
