Indeed yes, *cleanness* in gasoline has everything to do with the *value* or miles you get in exchange for your motor-fuel money.

Why? Consider these facts. The gasoline cleanness that really insures "more miles to the gallon" is *unseen*. You feel it in your motor. For it results in instant ignition at the spark, and complete "burning" or explosion, with no wasted or unconsumed fuel. Your engine gets every ounce of power contained in each "charge."

Associated Gasoline is distilled by methods that provide a scientifically correct range or "chain" of boiling points, gradually rising from the lower or more "volatile" parts on up through the heavier or power-yielding parts. Associated is thorough-bred, unmixed, honest, dependable. It does a *clean*, thorough job in a snappy, business-like manner. Use Associated. Get "more miles to the gallon" through *sustained quality*.

Associated Gasoline

Associated Gasoline and Cyclo Motor Oil, through sustained quality, provide economy and satisfaction in motor operation.

STOMACH UPSET?
Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels. Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach trouble. Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets; the substitute for calomel. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain. Take one or two at bedtime for quick relief. Eat what you like. 15c and 30c.
