TWO UNBEATEN ELEPHANTS CLASH ON GRID TODAY

Washington and Stanford in Only Crucial Game of Coast Program

OREGON U. IS RESTING

Aggies, Favored to Down Varsity Next Week, Is Battling Pacific With Subs

(Associated Press Leased Wire.)
SEATTLE, Wash., Nov. 7.—After a scoreless first period, Washington scored in the second quarter on a touchdown by Guttormsen, who then failed in an effort to kick a goal. Score 5 to 0.

(Associated Press Leased Wire.)
SAN FRANCISCO, Nov. 7.—Mid-season football activities on the Pacific coast today found one "crucial" game listed with a number of other equally engaging roundups on the schedule.
Overshadowing all other contests is the meeting at Seattle of Washington and Stanford. Both teams are undefeated in the Pacific coast conference race, and traditional rivalry adds zest to the encounter. Besides each team has a proposed candidate for all-American honors, George Wilson, of the Husky backfield and Eric Taylor, the Cardinal battering ram.

At Berkeley, Calif., California, third undefeated member of the conference, pits its well grounded eleven and tremendous reserve strength against Washington State College. It is a conference clash.
Idaho, smarting under a terrific defeat administered by southern California last week, is all set for its attempt to regain conference prestige at the hands of Montana. The game will be played at Moscow.

St. Mary's meets Mulnomah at Portland.
The fast scoring Southern California eleven takes on Santa Clara at Los Angeles.

California Tech and Occidental battle at Pasadena while Redlands meets California, southern branch, at Los Angeles.
Odds Against Oregon U.
EUGENE, Ore., Nov. 7.—While other conference teams were in action today, the University of Oregon football squad took a rest and enjoyed it all the more after the hard games of the past two Saturdays.

Next week will be homecoming, and the Oregon Agricultural College men will furnish the opposition for the homecoming game.
Since the Aggies are given odds of six points to win, Coach Dick Smith is planning to put his Oregon warriors through their hardest battle of the season during the first part of the week. Then a day or two of rest, and the big game of the year.

Aggie Subs Work Today.
CORVALLIS, Ore., Nov. 7.—Contrary to expectations, Coach Schlessler announced that he would send a team of subs against Pacific University at the start of the football game this afternoon. Only three of his first string will get the call, he said.
Schlessler gave no reason for the change though it is known he is more concerned with getting the most experience out of the game rather than amassing a high score even were that possible.

FAMILY DECLARES DEATH ACCIDENTAL

MILL CITY, Ore., Nov. 7.—Funeral services for D. I. Bally, who met death here Thursday from a rifle shot, will be held from the church at Palestine, about five miles north of Albany, Sunday. First reports said Bally committed suicide, but further investigation would indicate that the death was accidental, family members say.
They say Bally drove his car in the garage, closed the doors, started for the front gate to close it, on the way, laying his gun on a pile of lumber. After closing the gate he came back and picked the gun up by the muzzle, the hammer probably scraping on a board causing the gun to go off, shooting him just over the heart. The rifle had a shell in the chamber when Bally borrowed it. Mrs. Bally is in a serious condition as a result of the shock.
Bally's death occurred about 15 minutes after he had signed a confession of having stolen \$465 from the Hammond Lumber company's store, where he had been employed as a clerk.

BRYAN SPEAKS TO PROHIBITION CONGRESS ON A PHONOGRAPH

League Also Hears Andrews Point Out Necessity For Local Support of Liquor Law

(Associated Press Leased Wire.)
CHICAGO, Nov. 7.—The voice of William Jennings Bryan, once in the forefront of the war against rum, carries a message to the anti-saloon league convention today through a phonograph record. The services of the Great Commoner in the victory of prohibition were great, according to Rev. A. J. Barton, Kansas City, who introduced the Bryan speech.

A promise of vigorous action in prohibition enforcement was given in an address prepared for delivery today by General Lincoln C. Andrews, assistant secretary of the treasury, the new field marshal of the federal dry forces. It is the new policy of the enforcement department, he said, to concentrate on the source of supply of illicit liquor and to encourage the resumption of home rule by states and communities to release the federal agents from local police work.
"The prohibition department is not solely responsible for enforcement," he said. "It shares this equally with the department of justice, by which the prosecution of cases must be handled. The enforcement of the Volstead law is absolutely dependent upon the existence of a public opinion which requires faithful and vigorous action by these in public office—in legal office quite as much as in police."
"It is very clear to me that the successful outcome of the prohibition law depends on the anti-saloon league and on all other organizations to bring about a state of mind which not only believes in prohibition but insists upon its observance and enforcement."

GRANGE'S WORK GIVES CHICAGO FIRST DEFEAT

Illinois Gridiron Star Is Principal Performer in Close Game

FINAL SCORE 13 TO 6

Princeton Downs Harvard By Superior Playing in Annual Meet, 36 to 0

(Associated Press Leased Wire.)
Final—Illinois 13, Chicago 6.
Final—Princeton 36, Harvard 0.

STADIUM, CHAMPAIGN, Ill., Nov. 7.—From 68,000 to 70,000 spectators, undisturbed by a persistent downpour, sat in the rain soaked Illinois stadium today to pay tribute to Red Grange, making his last championship appearance on the gridiron that started his fame three years ago. Because of the wretched condition of the field, a quantity of slippery mud, dotted with pools of water, Chicago with its heavy plunging backfield, started the game a slight favorite.
"Can Stagg beat Grange?" was the question for debate with the Chicago maroons, undefeated in the big ten, upholding the affirmative, and Illinois, riding the high tide of its gridiron career, supporting an emphatic negative.

Those who came from Chicago desired that the much maligned prospect of the veteran, Stagg, would sweep the tie to the critics by stopping the untamed "sorrel-top" and his mates.
Illinois has scant chance of regaining a place among contenders for the Big Ten title. But it can relegate Chicago into the discard and that is its objective.

The Game.
After Britton kicked off at a start, House returned it to Chicago's 26-yard line but soon punted to Grange who was downed after a three yard gain. It was raining hard. After an exchange of punts, Green fumbled at Illinois' 30-yard line and Chicago recovered. Three Chicago plunges failed and Curley attempted a field goal from his 25-yard line but slipped in the mud and missed the ball. Illinois recovering it, Britton's punt went only ten yards to Illinois' 26-yard line. From here McCarty made a 12-yard plunge but fumbled shortly afterward and Illinois recovered on its own five-yard line.
Britton punted out from behind the goal posts to his 43-yard line and a pass, gained 11 yards. Tor Chiema, Daumery intercepted the next pass and it was Illinois' ball on their 24-yard line. Grange lost three yards and fumbled at the corner end.
Second quarter.
McCarty gained 13 yards upon a kick, taking the ball to Illinois' three-yard line and went over for a touchdown.
A pass Curley to Lampe failed. Score: Chicago 6; Illinois 0.
Kernewein returned Britton's kickoff to his 34-yard line, then fumbled a kick and recovered the ball at a loss of 20 yards. He tried again but fumbled and Illinois recovered on Chicago's ten-yard line.
Grange fumbled, but recovered, losing seven yards and three times called off yardage and it was Chicago's ball on their own ten-yard line.

Shortly after Kernewein tried to punt out of danger from in back of his own goal posts, but fumbled. Illinois recovering the ball on Chicago's two-yard line. Britton went over for a touchdown but failed at a placement kick.
Grange took Lampe's kick-off on his 43-yard line and pounced 22 yards before being downed. Britton punted 70 yards, the ball rolling over the goal line and it was put in play on Chicago's 29-yard line. Chicago was penalized for clipping and the ball was placed on Chicago's 10-yard line, in their own possession. A punt out took the ball to Chicago's 21-yard line, where Illinois failed to gain and lost the ball on downs. After Chicago had worked the ball to its 24-yard line they lost it on a fumble and the period ended with the ball near the middle of the field in Illinois' possession.
Princeton vs. Harvard.
PRINCETON, N. J., Nov. 7.—Unable to stop a brilliant forward passing attack, punctuated by off-balance thrusts, a bewildered Harvard eleven went down to their worst defeat since 1859 before Princeton in their annual gridiron struggle here today, 36 to 0.

American People Riding on High Tide Of Prosperity, Secretary Hoover Reports

(Associated Press Leased Wire.)
WASHINGTON, Nov. 7.—Material conditions of living for the American people during the last year have been the "highest in all history," Secretary Hoover said today in an economic review made public as part of annual report of the commerce department.

Factors listed by the secretary as contributing to this condition included a practically complete absence of unemployment, high wages, efficient railroad operation, an equitable balance of prices as among the greater producing groups of the population, and a gradual return to stable currencies and normal business operations among the nations abroad.
Mr. Hoover's review took in the banking situation, and noted the investment abroad by Americans during the year ending June 30, 1925, of \$1,382,000,000, and the net gold export from the country of \$115,000,000 as further contributions to general stability.

REPUBLICANS AND DEMOCRATS AGREE ON TAX SCHEDULE

(Associated Press Leased Wire.)
WASHINGTON, Nov. 7.—Practically united support both in the House and Senate of the tax reduction bill in preparation by the House Ways and Means committee, an almost unprecedented prospect—is now confidently expected by house leaders.

With virtually all of the vital and controversial points of tax reduction already acted on by the committee, Chairman Green said today that a non-partisan measure, "bearing almost unanimous support" seems certain.
For the first time since the war, republicans and democrats in common have worked out their differences, so far at least, and agreed on the main provisions of a revenue bill. In doing this the committee has approved some of the main proposals of Secretary Mellon and rejected others and the spirit of compromise was further reflected in the approval in modified form of the proposal of Representative Garner of Texas, ranking democrat, for increased personal exemptions.
Administration support of the changes so far approved seems certain, despite the rejection of Secretary Mellon's suggestion for repeal of the estate or inheritance tax.
After disposing yesterday of several main provisions in the bill, the committee rested today to give sub-committees opportunity to work out specific rate schedules on the income surtax and inheritance levies.

SLAYER OF CHILD IMBECILE SHOWN TO BE DRUG USER

(Associated Press Leased Wire.)
LITTLETON, Colo., Nov. 7.—After placing only six witnesses on the stand the state rested its case early today in the case of Dr. Harold Elmer Blazer, who is charged with the murder of his daughter, Hazel, 24-year-old "child woman" who never grew up.

Joel Stone, prosecuting attorney, rested the case with dramatic suddenness, after Dr. George A. Moellen, Denver physician and alienist, declared that Blazer's insanity was "probably simulated" and caused either by "an opiate or chloroform."
"No, it probably was caused either by chloroform or opiates," the doctor answered. "Such stupor could result only from insanity in the most advanced stages."

J. D. Loffer, Tiller resident, spent several hours here today visiting with friends and attending to business matters.

RATES ON CATTLE FROM OREGON ARE ADJUDGED UNFAIR

WASHINGTON, Nov. 7.—Rates on livestock moving to Tacoma and Seattle from central and eastern Oregon and southern Idaho were held by the Interstate Commerce Commission today to be unfair as compared with rates to North Portland, Ore.
The commission laid down a scale of rates to North Portland based on distance, making the charge \$53 per car for distances of 100 miles and \$156.50 for 1,000 miles.
The Tacoma-Seattle rates should be based on this scale, the decision said, but might exceed the rate to North Portland by \$20 per car from points west of Unatilla, Ore.

Lawrence Gosk, manager of the Antlers Theatre, today announced a special attraction for the Sunday evening program. Donald Parker, one of the leading violinists of the state, who has frequently participated in radio programs from the Oregonian station, will play "Los Patineurs" by E. Waldteufel following the showing of an excellent motion picture feature to be presented Sunday.

BIG PROGRAM ARRANGED FOR ARMISTICE DAY

All Details For Celebration Being Completed By Committees

PARADE IS FEATURE

Football Game in Afternoon Will Also Be One of Main Events of The Day

Everything is in complete readiness for the Armistice Day celebration to be held on November 11. The various committees of the Umpqua Post of the American Legion have the details well in hand for the general observance of the day and it is believed that there will be an exceptionally large crowd in town for the entertainment.

The program starts off at 9 o'clock with a salute and a group of street stunts under the direction of Dr. Church. Suitable prizes will be offered for winners in the various events which will be of an athletic and humorous nature.

The annual parade will start at 10 o'clock. The parade promises to be one of the best in years, and will be long and will contain many interesting features.
All of the patriotic organizations of the city will be represented, and many of the fraternal orders will be included. The industrial and commercial sections of the parade will be one of its biggest features. Automobile dealers are arranging entries of a unique character, in the instances, and there will be the latest models of nearly all makes of cars, represented here, in the line. A large number of business houses and corporations are entering floats of various kinds, so that there will be an exceptionally good representation.

Following the parade there will be a patriotic program at the Army in which Hon. O. P. Coshow is to be the chief speaker. Special musical numbers will be given in conjunction with this part of the day's celebration.

During the morning hours there will be other features, such as the Country Store, which opens at Cass and Jackson streets at nine a. m., Hozeogow, and stunts of all kinds on the street.
At noon there will be a free "chow" for all ex-service men of the county.

At 2 p. m. the local machine gun company will give an exhibition drill at Pinlay field. This exhibition will include target practice; the guns being used in direct fire on targets to be placed on Reservoir Hill.

This will be followed with a football game between the Umpqua post team and the U. of O. freshman. Although the local team has been organized for only a short time, it is showing up well and a good contest is assured.

In the evening the celebration will conclude with a grand grass dance at the Army, preceded by a vaudeville entertainment, at 7:45.

CAL HERMAN USES K. O. PUNCH TO WIN WRESTLING MATCH

(Associated Press Leased Wire.)
PENDLETON, Nov. 7.—When Doc Hatton was kayoed last night in his wrestling match with "Bobby Krieger," welterweight grappler, who gave his home address as Lincoln, Neb., he didn't know he was getting a left hand swat from one of the cleverest and best known boxers in the northwest. But he was, and did. "Bobby Krieger" is no less a person than Cal Herman, Salt Lake City, who recently knocked out Ernie Woodward, Portland fighter, at Roseburg, and later defeated Duke Evans there.
It seems that Cal's boxer under his own name and wrestles under the name of Krieger, a name borrowed from his manager. He is proficient in both sports, but boxing seems to be his best bet. In the match last night each man won a fall and then "Cal" or "Bobby" forgot himself and slipped over his kayo punch.
When Hatton was informed of the identity of his opponent he declared:
"Well, I got knocked out by a top notcher, anyway."

SALE OF LIQUOR CHARGED AGAINST PIERCE BY CITY

O. V. Pierce of this city was arrested last night by Officer Vaughan, charged with the possession and sale of intoxicating liquor. Pierce's arrest followed an alleged sale to J. D. Allen, a traveling salesman, who was placed under bonds to appear as a witness.
Pierce entered a plea of not guilty before City Recorder R. L. Whipple this morning and will stand trial following the forthcoming term of Circuit Court.

McADOO JUNIOR IS TAX DELINQUENT

(Associated Press Leased Wire.)
LOS ANGELES, Nov. 7.—The name of William G. McAdoo, Jr., son of the former secretary of the treasury, was among those against whom income tax liens were filed yesterday by Income Tax Collector Rex B. Goodsell.

The government claims there is \$58.95 due on young McAdoo's 19-24 tax.

Through an error, the name of the older McAdoo was at first associated with the tax lien, but a re-check developed that it was the son of the former treasury secretary against whom the lien was directed.

Reported ill—
O. D. Nowhard, of this city, is reported to be quite ill at his home today. Dr. Wade is in attendance.

The bid was \$26,713.50. The district engineer will make recommendations on the bids and the award of the contract will be made at Washington. The next lowest of ten other bidders was Harness and Colby, of Roseburg, \$27,670.

FRENCH TROOPS BOTTLED UP BY SYRIAN HORDES

Rail and Wire Connections With Damascus Cut Off; City Under Siege

ARABS JOIN NATIVES

Non-Combatants Flee To Safety Zones—Holy War Edict Drives Out Christians

(Associated Press Leased Wire.)
PARIS, Nov. 7.—Holy war against the French in Syria threatens. The Arabs are reported to have joined the Djebel Druse tribesmen and are prepared to fight to the death in a crusade against the mandatory power. Unofficial advice related that the rebellious movement is increasing in strength, and that provisional governments are being established by the insurgents in various sections of country where they are in control.
At Damascus it is said a provisional government has been set up with Ramadan Pasha Ibn Shellah as military governor and Measid Bakry civil governor.
The French have evacuated the large fortified camp of Moussefiri in the Djebel Druse territory south of Hama. The Heifa-Damascus railway has been cut and the town of Deraa, several miles south of Damascus, is in the hands of Druses.

To the north of Damascus a large part of the country is reported to be under the control of the rebels. The Hama district is held by them. The city of Hama is besieged.
The withdrawal of the French from Moussefiri, according to French official advice, took place without incident and was due to a regrouping of the French forces.
Meanwhile Damascus is sorely beset. The Djebel Druses still surround the already battered city with which communication is reported to have been completely severed by the cutting of the railway, telephone and telegraph lines. The Druses at intervals continue to fire into the city and those of the populace who are able to do so are fleeing toward Jerusalem, Alexandria Bay and Aleppo. All street traffic has ceased and shops are closed.

COTTAGE GROVE WINS GAME FROM ROSEBURG TEAM

The Roseburg high school football team lost a rough and tumble contest with 17 fow wov thim school yesterday afternoon by a score of 22 to 0. The game was played on Cottage Grove's new athletic field and in spite of the one-sided score, quite interesting. The Cottage Grove team was much heavier than Roseburg, the local team also being crippled by the absence of five of its first string men. Bruton was out of the game with a severe cold, Maynard Hill is still out with an injured hip. Tabor is suffering from a broken nose sustained in the Ashland game. Forrester has a bad ear, while Ague is suffering from a strained leg.
During the first quarter the Roseburg line held fairly well, but after that time the Cottage Grove heavy backs tore ragged holes through.
Roseburg made several long gains on passes tossed to Don Ferguson who played an excellent game at end, but nearly every gain was lost by a fumble.
The local boys play their next game at Grants Pass on Armistice Day.
