## ARMISTICE PROGRAM AT KIWANIS

The Roseburg Kiwanis Club observed Armistice Day with a suitable program at noon today, which was attended by members who brought with them an ex-service man as their guest. State Commander Dr. Stewart was the speaker of the day and his talk in which he outlined the aims of the legion for the ensuing year was the finest ever heard by the club. "Reveries to Community" was the theme of his talk and there is no one better equipped to talk on legion affairs than Commander Stewart, who is looked upon as one of the foremost legion workers on the Pacific coast. Mrs. Jay Fulcher and Mrs. Dr. Stewart, former army nurses, were presented with the attendance prizes today.

"Banjo Jack" Dille, a disabled veteran, recently discharged from the U. S. Veterans' Hospital in Portland, entertained the gathering with three fine banjo solos. Mr. Dille is going to locate in Roseburg permanently and will be employed in the radio department of the Umpqua Battery Co.

Several old army songs were sung by the gathering and two humorous telegrams, telling how Gay Gordon and Leon McClintock won the war, were read.

Today's meeting was a pep one and all who attended felt ready for the hour spent in good fellowship.

### CHIEFS TO MEET AT THE ARMORY

All members of the Umpqua Chiefs are requested to meet at the armory tomorrow morning at 9:30 o'clock with head-dress and blankets, to participate in the Armistice Day parade.

# Say "No"

if asked to "try" a substitute for Quaker. That is, if you want real Quaker flavor... that famous Scotch flavor... in breakfast oats

THERE is only ONE way to get the true Scotch flavor in oats which distinguishes Quaker flavor... and that is by getting the Quaker brand.

Oats was originally a Scotch dish. It must have true Scotch flavor to be at its best.

Remember this, for your own sake, when tempted to "try" some ordinary brand. That flavor is milled in. Nobody as yet has successfully imitated it. Grown-ups and children who ordinarily don't take to oats, respond to this unique flavor. And flavor, as

you know, is the all-important point in food.

Milled under exclusive Quaker methods applied to the finest, plumpest grains. Quick Quaker is the world's fastest cooked breakfast dish.

Takes 3 to 5 minutes. That's faster than plain toast.

Due to Quaker milling methods, it supplies, too, the "roughage" you need to make laxatives seldom necessary.

Look for the picture of the Quaker on the label. See that it is there before you buy breakfast oats.

### VARSITY SQUAD WORKS LIKE BEAVERS FOR GAME

(Associated Press Local Wire.)  
EUGENE, Ore., Nov. 10.—Mud-soaked football players of the University of Oregon slaved until darkness called a halt last night, in preparation for the annual clash with their ancient and honored foes, the Oregon Agricultural college men.

Rain failed to check the hard scrimmage, and Coach Dick Smith drove his men mercilessly during the entire scrimmage session. The team is in good condition,

and with the outlook for less rain today, better results are expected in the practice session tonight.

## Putting the YARDSTICK on Progress

THE BUSINESS WORLD has an accurate measure with which it gauges the growing value of securities. It is PRICE.

Since 1922, when The California Oregon Power Company first offered its 7% Preferred Stock for public investment, the price has steadily advanced with each successive issue from \$92.00 a share in 1922 to \$100.00 a share in 1925, and is now above par.

**How the Company Has Grown**  
In this same period the Company's investments in generating plants, lines, equipment, etc., more than doubled in size. Its net earnings were over \$1,000,000.00 for 1924 as compared with \$550,000.00 for 1920. It spent nearly \$300,000.00 more (mostly in the communities in which it operates) for operating expenses and taxes. It paid to Preferred Stock holders approximately \$280,000.00 in Preferred Stock dividends in 1925.

**The Measuring Stick Goes Up**  
The announcement of the new issue of Copco Six Per Cent Preferred Stock, to yield 6.52% at a price of \$92.00 per share, marks another important advance in the progress of this Company and the communities which it serves. Any member of our organization will gladly accept your order for shares of the new Preferred Stock. Ask him about it now—and particularly about the Copco Monthly Payment Plan for easy investment.
