### JUST PLAIN HONEST

There was a time when we envied the fellow who was commonly referred to as a "shrewd" trader. But we have changed our minds. It is a compliment we no longer cherish. There has been entirely too much "shrewdness" in the used car business. We prefer to be known as just plain, HONEST.

## Carter's Tire Shop

Do not fail to see the American Legion Show at the Antlers Theatre tonight. It is good—more than good—just right, clean, cultured, everyone talented from the mere babe to the grown-ups.

It is seasoned, spiced and mixed to make it one congenial whole, and when you have seen this show you will go home feeling glad that you have lived in Roseburg.

Now a word to my patrons about tires. I have recently installed some more new retreading equipment, and can retread all size casings up to 6-77 from 4 1-2 inch up. Goodyear, Diamond, all-weather treads from 4-inch down with U. S. Royal Cord Tread.

If you have casings that have not been damaged in wearing out the first treads, under the prevailing high prices for new tires it will be a paying proposition for you to have your own worn out tires retreaded.
