Church of Christ—of Myrtle Creek. Don't forget our aim for the Sunday School. There ought to be at least 90 percent on time. And remember, "It pays to go to Sunday School. If the youth and children of this nation are to be saved from the influence of the Devil and from a life of lawlessness and sin, it must be through the teaching of the principles of Christ. It is in the Sunday School that these are taught. Bring the children and come at 10:00 a. m. The subject for the preaching service in the morning will be, "Messiah and Christ." This will be the first of a series on the general theme of Types and Anti-types and every one should be heard. The Christian Endeavor is growing. Let all the young people try to be there on time and aid the leader in the service. At 7:30 there will be a good lively song service followed by a sermon on the subject of "Putting on Christ." Don't fail to hear this sermon. It pays to go to church. Come and bring your friends. The attendance at the evening services is steadily growing. Let us keep it that way. LUKE ELLIOTT.

First Christian Church—Have you attended the Revival at the Christian Church yet? This meeting is being conducted by Geo. B. Kellems and Prof. Plowood, of Fredonia, Kansas. These men are going to hold a great series of services for Roseburg and you cannot afford to miss them. The meeting is now getting under fine sway. The attendance has been rather small, but is growing from night to night. Tonight a big Father and Son banquet is being held at the church. Father bring your son to this banquet. There will be a fine program closing with a message from Evangelist Kellems. Nearly one hundred tickets have been reserved so far. Our Bible School is in an attendance contest with Medford. Last Sunday they were a little ahead of us. We had 269 present and they had 278. Let us get busy next Sunday and put our attendance where it belongs.
