**CITY CASE AGAINST WM. GATES TAKEN UNDER ADVISEMENT**  
The case of the City of Roseburg against William Gates was heard before City Recorder R. L. Whipple yesterday afternoon. Gates is alleged to have threatened to shoot a dog belonging to Dee Green. In an altercation with the owner of the dog, Gates is alleged to have drawn a revolver. He was arrested and entered a plea of not guilty to a charge of drawing a weapon, and the testimony in the case was heard yesterday afternoon before the recorder. The matter was taken under advisement and Judge Whipple will render a decision after being fully advised regarding the case. In yesterday's paper an error was made in the account of the case. The name of William Hayes was given instead of William Gates.
