**GIRLS OF HIGH SCHOOL ENTERTAIN KIWANIS CLUB**  
The members of the Kiwanis Club were royally entertained today by the young ladies of the Home Economics department of the Roseburg high school. As a part of the observance of Education Week the young ladies of the school invited the Kiwanians to partake of a luncheon prepared entirely in the kitchen at the high school, and served by the young ladies who are studying the course. Under the direction of Miss Emma Ueland, instructor in home economics, a five-course dinner was served, the Kiwanians being loud in their praise of the culinary ability of the high school girls. As a feature of the program City Superintendent M. S. Hamm gave a very instructive address on the financial side of education, an address which developed many new ideas concerning the financial aspect of the school problem. Miss Hazel Goodwin, supervisor of music, entertained with a charming vocal solo "At Dawning" by Cadman. She was accompanied at the piano by Miss Sappington.

**AMERICAN FARMER TOLD OF GIGANTIC STATURE**  
(Associated Press Lease Wire.)  
**MITCHELL S. D., Nov. 17.**—America's gravest problem today is "unfortunate and unprofitable agriculture," and organization alone is the key to the solution of the problem, declared C. S. Barret, president of the Farmers Union, in opening the national convention of that organization here today. Mr. Barret pictured the American farmer as a "great big giant," and declared that if the farmers got together and stayed together they could get almost anything they wanted. "Our duty," he said, "is to organize, train and control this giant force in order that it will function as a great blessing to mankind."
