

ATWATER KENT RADIO

Give thanks for RADIO on Thanksgiving

MILLIONS of homes are thankful, this year, for the stimulation, the entertainment, the inspiration radio has brought into them.

For radio has broadened our horizons. It has brought the best music, the best thought, the most valuable information to those who were lonely and drowsy before.

Select your radio now—and select it carefully. Choose the set that is carefully made of fine materials for simple, satisfactory, all-round performance; the set that is made in the largest radio factory in the world and therefore sold for far less than the price of other sets as fine; the set that is backed by a reputation built up through a quarter-century of making fine electrical equipment.

In short, select the Atwater Kent.

On WWJ tonight—The Atwater Kent Radio Artists are on the air tonight—and every Thursday night—at 9 o'clock Eastern Standard Time. We think so much of this good program of good music that it is broadcast over all these stations:
WEAF, New York WFL, Philadelphia WGR, Buffalo
WJAR, Providence WCAE, Pittsburgh WSI, Detroit
WEEI, Boston WSAI, Cincinnati WOL, Davenport
WCCO, Minneapolis-St. Paul

Hear it tonight and you will agree that no finer program goes on the air at any hour of the week.

MAKING MILADY'S FACE DIFFERENT NOW BERLIN TRADE

BERLIN, Nov. 25.—The real art of widdling lipstick, rouge pad, powder puff and eyebrow pencil soon will be taught to the Berlin maiden at fifty cents per lesson. The scope of a school for training theatrical makeup artists has been extended to embrace the women in the capitol. The theory is that more users of cosmetics are to be seen on the streets than on the stage and the makeup of some of them is not always highly artistic. Ernst Lotz, for twenty years facial art director of the municipal theatre at Nuremberg, will be director of the new institution. Visited in his studio, Lotz was showing a woman how, by skillful application of cosmetics, she could reduce the apparent size of her nose. He derided what he terms the promiscuous manner in which flappers, and especially elderly women, dabbed themselves with paint and powder. In the majority of cases he said, they defeat the very objects for which cosmetics are applied.

If you had to do the housework, can you imagine a gift more welcome than one that would do your hardest work for you!

Electricity will save your wife hours of needless drudgery every week. Ask your electric dealer today about an electric range—that cooks all but automatically, with no lugging of coal, kindling or ashes, and for no more than the usual cost for fuel. Or, if wash-day is her most trying task, ask for a demonstration of an electric washing machine with its power wringer. Electric ironers, vacuum sweepers, and electric sewing machines are play to work with—and they soon earn back what you pay for them. Think what these electric conveniences would mean to you if you had to keep house! Plan to make this Christmas one to be remembered. Visit your dealer's today.

ALICE'S NEGRO BLOOD KNOWN TO KIP IN ADVANCE

(Continued from page 1.)

Sister Knew Kip First.
Although it had been expected that Alice would take the stand as the first witness today, Lee Parsons Davis, her attorney, decided to postpone her appearance until after several minor defense witnesses had been heard.

Grace and Emily, sisters of Alice, took the stand and said that the question of color had never come up in their presence, although young Rhineland had been a frequent caller at their home. Emily, whose husband is Robert Brooks, a negro butler, said that her family had never objected to Brooks on the basis of his color, but had criticized her for marrying so young. Grace is married to a white man and said that her marriage license describes her as "white" because the clerk assumed that was her color and wrote it in without questioning her. She told the oft-repeated tale of her first meeting with young Rhineland, the subsequent automobile rides and dates.

Fine Streets Are Paved with Concrete

Although the big point in favor of paving with portland cement concrete is its moderate cost, wealthy home owners insist upon concrete primarily because of its attractive appearance.

QUALITY WITH ECONOMY

Service, Quality and Courteous Treatment

We believe in all three of these and try to practice them in our business relations with you at all times.

Thanksgiving is coming and you will want the best groceries you can get for that dinner. Why buy something cheap and ruin a good dinner to say nothing about your disposition.

It is hard enough to get a good dinner when you have good materials to get it with, then why use inferior foods.

If you will stop to the telephone and order from us you can depend on it that your dinner will be the best.

You will need cranberries, celery, lettuce, sweet potatoes and other vegetables. For your salad you will want pineapple, bananas and apples or maybe shrimp and tuna fish.

We have a complete line of canned goods.

HALF BREED PAIR AT EUREKA FACING CHARGE OF MURDER

EUREKA, Cal., Nov. 25.—Jack Ryan and Walter David, half breed Indians and half brothers, appeared in court here today for preliminary hearing on the charge of having murdered Carmen Wagner, beauty shop girl. Miss Wagner and Henry Sweet, her companion on a hunting trip, were shot dead in the mountainous country fifty miles south of Eureka more than a month ago.

Indians with papoose on their backs and weather-beaten mountaineers mingled with heavily armed deputy sheriffs in the little court room. Ryan and David were heavily guarded, threats of violence having been made against them.

Piled high on tables were bits of hair, bullets, shreds of clothing and automatic pistols gathered by E. Q. Heinrich, criminologist, employed by the prosecution to aid in weaving evidence. These minute reminders of the double murder were collected at the scene, a lonely mountain road in which Sweet's body was found beside his auto, and in a shallow grave in which the body of the girl was found days later.

CANADA LISTENS TO RECORD OF KLAN ORGANIZER POWELL

VICTORIA, B. C., Nov. 25.—Sharply criticizing the Canadian Ku Klux Klan and its organizers, Attorney General A. M. Manson, speaking before the legislature here yesterday, read letters which he said were received from "re-sponsible people" in Oregon regarding Major Luther I. Powell of Portland, a Klan organizer. Powell was barred from Canada, and then admitted for 30 days.

One letter said Powell had been Klan organizer in Oregon four years ago.

"Major Powell," it read, "figured in many sensational episodes in Oregon and Washington and helped to promote the Portland Skyline corporation and other notorious schemes where Klansmen lost more than \$100,000. Powell finally quarreled with Grand Dragon Fred L. Gifford, and was banished from the order several months ago."
