FIGHT FANS AWAIT COMING CARD WITH GREAT EAGERNESS

Boles-Dundee Return Bout Promises to Be Hummer—Semi-Final Will Also Be Lively.

There will be a capacity house at the armory next Friday night to see the next boxing card, judging from the increasing interest manifest among local fans.

Boles has not had a battle since that time, and he will appear in the coming bout in top-notch condition, eager to get revenge for his loss of the previous fight, and which he is positive will be realized over the 10-round route.

Tommy Williams, a North Bend high school lad, will come over with Boles for the semi-final, taking on Dundee's training partner, Jack Ryan. These lads weigh about 125 pounds.

Street Lights to Be Washed—Treasurer Authorized to Purchase City Warrants.

A short meeting of the city council was held last night, there being very few matters of business demanding attention.

A petition was presented protesting the filling of the city street flusher at the hydrant near the Kohnhagen building.

The committee on electric lights reported that the city street lights are badly in need of cleaning and were instructed to employ someone to clean the lights.

The city treasurer was given authority to use money in the bond retirement fund for the purchase of general fund warrants.

INTERESTING DRAMA HERE DECEMBER 10

The following excerpt from a Portland paper further explains the drama 'The Ship', which the Moroni Olsen Players will present in Roseburg, Thursday, December 10, at the Antlers Theatre.

STRENGTH Away back in history, sturdy Norsemen found cod-liver oil sufficient to help develop marvelous strength and endurance.

Scott's Emulsion is cod-liver oil like the Vikings thrived on prepared in the form of a rich, tasty cream. It builds strength and endurance.

It must be greatly diluted to be healthful. The reason some find that glycerine does not agree with their skins is that they use it too strong.
