REID MAKES SHARP COMMENT ON MIND OF ARMY OFFICER

WASHINGTON, Dec. 9.—An effort by the prosecution to question the authorship of a part of Colonel Mitchell's book, "Winged Defense," failed today by the army court martial trying the air officer.

Major Allen Gullion, the assistant judge advocate, sought to bring the subject before the court through the testimony of Captain Thomas C. Hart, a navy officer, and to prove that Colonel Mitchell had deliberately "cribbed" some of the passages, but the court held that it would not be advisable to open such a phase of the controversy.

The rule false in one, false in all, was argued by Major Gullion, who asserted that the testimony should be received to "impeach the accused as a witness."

To this Representative Frank A. Reid, defense counsel, replied: "I say fool in one thing, a fool in everything," adding that he could excuse Major Gullion on account of "the condition of his mind."

The prosecution insisted that in one of his statements attacking the War and Navy Departments which led to his trial, Colonel Mitchell referred "to the book I have written" and on the witness stand he named the book as "Winged Defense."

Major Gullion said he would prove substantial parts of the book were "cribbed" from the lectures of another man, and had brought Captain Hart from the Pacific coast to testify on this phase of the subject.

"The statement that Colonel Mitchell has perjured himself is not shown in any part of the record," Mr. Reid said.

It was argued by the defense that the book contained the statement "existing records show" and that a passage about submarines had been published with the explanation clearly cited in the book itself. He called the court's attention to the book's foreword which he read in part as follows:

"This little book has been thrown together hastily. It is compiled from evidence that has been given before the congress of the United States, articles that have appeared in the public journals and from personal experience."

After the court had ruled against admission of the testimony, Colonel Herbert A. White of the Mitchell counsel, wanted Major Gullion cited for contempt for his course, but the court ruled otherwise.

RIVAL ARMIES IN CHINA MANEUVER FOR BIG BATTLE

(Associated Press Leased Wire.)

TOKYO, Dec. 9.—The Japanese war office announced that headquarters of the tenth division had been removed from Liaoyang toward Mukden, capital of Manchuria, this morning. The 63rd infantry regiment and a battery of artillery from Port Arthur and a cavalry squadron from Kungchaling of the same division also moved toward Mukden for the protection of Japanese and foreigners.

It was reiterated that no troops would be sent from Japan or Korea unless the situation should grow worse. A cruiser left Port Arthur for Chefoo following a report of disturbances there.

Approach of a battle between the forces of Marshal Chang Tso-lin, dictator of Manchuria and those of generals opposed to him, has led to a critical situation within the last few days, word from Mukden said.

PEKING, Dec. 9.—Military events in north China apparently are developing toward two major battles on which will hinge the fate of the important cities of Tientsin, capital of Manchuria and Peking.

In Manchuria, the forces of General Kuo Sung-Ling, one time follower of Marshal Chang Tso-lin and now his principal adversary, are advancing slowly along the Liao river, 35 miles west of Mukden, along which the former dictator of Manchuria has announced his intention of making his last stand and where his remaining forces apparently are being concentrated.

Japanese gendarmes are assisting the police in maintaining order in Mukden.

In the region of Tientsin the civil governor of Chihli, General Lieh-Ling is preparing for a stand against the approaching forces of the Kuomintang, the combined followers of General Feng Yu-Hsiang and his ally, General Yueh Wei-Chun of Honan. Kuomintang troops have reached Yantung on the Peking Tientsin railway about 20 miles northwest of Tientsin, Li's base.

General Li has withdrawn his forces to Peking, about 10 miles from Tientsin and is reported to have gone to the front to take command in person. He claims already to have defeated two brigades of his enemy's forces at Macheng, 35 miles south of Tientsin. No trains were running today between Peking and Tientsin.

MAN WHO CAPTURED THIEF NOW HELD ON CHARGE OF BURGLARY

(Associated Press Leased Wire.)

PORTLAND, Ore., Dec. 9.—Forest Bradley, hero in the capture of Reginald Croate, 17-year-old bandit, who held policemen at bay November 24, was early today arrested in the basement of a dance hall building and jailed on a burglary charge.

His wife Anna, found by police in a car parked outside the Prestone Tire company building, next door, was jailed on a similar charge. The police charge Bradley had taken three tires from the shop and was in the basement seeking more when caught.

JAPAN'S COURSE PORTENDS WAR, SPEAKER DECLARES

(Associated Press Leased Wire.)

SPRINGFIELD, Ill., Dec. 9.—"Planting of race superiority claims by America and a policy of 'class materialism' pursued by Japan will make war in the Pacific inevitable," Raymond Rich, New York, of the foreign policy association, declared here today at the Illinois conference on international good will.

"If our two nations will have war," he said, "it will come indeed, with deadly certainty."

"If Japan pursues a course of imperialism, raising not the steps she takes; if she mixes gun powder with business advertisement and drives home bargains with the bayonet; if she lets war talk run away with sanity—then war will come."

Heat with gas.

DRY LEADER SAYS ADVANCE NEEDED, NOT SLOW DOWN

(Associated Press Leased Wire.)

WASHINGTON, Dec. 9.—Blame for laxity in enforcement of the prohibition law cannot be placed solely on the government, but part of it must be assumed by "reform leaders," who "slowed down and let themselves be put on the defensive when they should have advanced on all fronts," Dr. Clarence True Wilson, declared in his annual report read today to the board of temperance, prohibition and public morals of the Methodist Episcopal church.

The report endorsed the remarks of President Coolidge in his message to congress on the eighteenth amendment, upheld the enforcement policy adopted by Assistant Secretary Andrews of the treasury and attacked the men "with great fortunes," who are "doing all they can to break down the authority of the laws to which they owe their lives, their fortunes and their safety."

These men, Dr. Wilson asserted, store contraband goods and patronize bootleggers and thus encourage anarchy.

BEAVERS SELL 2 MEN TO BUFFALO

(Associated Press Leased Wire.)

PORTLAND, Ore., Dec. 9.—Charles High, outfielder, and Dave Keefe, pitcher, has been sold to the Buffalo club of the International League by the Portland club of the Pacific Coast baseball league. Catcher Woodring, who was on option last season to the Martinsburg, Va., club of the Blue Ridge League, has been transferred on option to the Waterbury club, of the eastern league. Thomas L. Turner, president of the Portland club, sent this information today by wire from New York.

NEW FREIGHT RATES ON AUTOS HELPS S. P. CO.

(Associated Press Leased Wire.)

PORTLAND, Ore., Dec. 9.—The Southern Pacific freight department said today that the Interstate Commerce commission order today on freight rates on automobiles between San Francisco and Portland would upset a difference of 28 cents which the line now has as compared with the steamship rates, and give the steamship lines a 25 cent differential. The present steamship rate is \$1 per hundred pounds while the rail rate is 72 cents. The new rate would place the rail rate 25 cents higher than the steamship rate.

ROSEBURG AND EUGENE ROTARIANS HOLD MEETING

(Associated Press Leased Wire.)

EUGENE, Ore., Dec. 9.—Rotarians from Eugene and Roseburg joined last evening in a jollification meeting here. Women of Rotary were present to aid in the fun-making.

Due to an accident in which Pete Snedcor, former president of Rotary International, was injured while enroute to Eugene, Snedcor was unable to be here. The meeting had been arranged principally for his scheduled address.

R. A. Booth of Eugene, welcomed the Roseburg Rotarians, while J. A. McClintock gave the response for the guests. Al Reynolds, president of the Portland Rotary club, gave the principal address of the evening.

The meeting at Eugene was attended by practically all of the local Rotarians, who upon their return pronounced the joint meeting to be one of the most enjoyable events they have attended. The banquet was served at the Hotel Osborn, the service of that popular hostelry being highly praised.

NEW HEAD PACIFIC U. IS INAUGURATED

PACIFIC UNIVERSITY FOR-EST GROVE, Ore., Dec. 9.—Dr. John F. Dobbs this evening was formally inaugurated president of Pacific University, the event being observed at one of the most elaborate ceremonies of its kind ever held here. The entire city participated and many distinguished visitors came from a distance.

Ceremonies here today were held in the First Congregational church with Herman E. Witham, chairman of the board of trustees of the university, presiding. Presentation of the president was made by Henry L. Bates, M. A., B. D., and the congratulatory address was made by Dr. Henry Suzzallo of the University of Washington.

The flashy Illinois halfback appeared tired today, his second of football in as many days. His total gain in the nearly three periods he played was about 19 yards and he carried the ball only five times.

Grange was booted as he left the game by a small portion of the ten thousand fans who braved the chilly December blasts to watch the game.
