NEWLAND GOING TO DETROIT JANUARY 1

J. O. Newland, local Dodge Brothers Dealer, will leave for Detroit, January 1, to attend a meeting of all Dodge Brothers dealers January 6 to 8 inclusive. Judging by the recently announced retroactive price reduction, the ten million dollar expansion program for greater production, and the effort being made to get a 100 per cent attendance of dealers, Mr. Newland believes the meeting will be most important ever called by the factory.

"The full-page announcement of a 'tremendous price reduction' that appeared in all the leading papers of the country, was as much a surprise to the dealers as to the public, as it was the first falling of an intended move by Dodge Brothers," said Mr. Newland. "After considering the usual conservatism that characterizes their advertising I am going back with great expectations to see what it is all about."

"Our allotment for Douglas county next year has been increased more than 30 per cent, proportionate to the population of the county, while allotments in other sections have been increased several times that amount, together with heavier pressure being brought on the dealers to sell more cars."

"I don't know what will be told us at Detroit, but Dodge Brothers promise great things for their dealers in the future, and that means something. They always look after their dealers, as is indicated by only one failure in 11 years and 80 per cent of the dealers remaining with the organization through that period. No time will be lost on the trip, as a special car will leave Portland January 2, and join others at St. Paul, to arrive on the sixth, when the meeting will immediately be called."

Visiting Here—Mr. and Mrs. H. C. McCluskey and Miss Vera Talserters, of Medford, are spending several days here as guests at the home of Mr. and Mrs. L. J. Hosmer, Mrs. McCluskey and Miss Talserters are nieces of Mrs. Houser.
