ly food allowance. Many women do it. Some of the most successful of these have told us that their best plan is to map out each meal for several days in advance. By this method they know exactly what their wants are going to be over a considerable period of time. They watch our ads closely— shop in person—and each week or month find themselves with a nice little sum of money saved, to be used for other purposes—or banked—as they see fit. It is a plan that Skaggs Stores recommend.

So Was This Roseburg Woman Who Tells Her Experience,

All too often women accept their pains and sches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, diazy spelis and that tired, depressed foeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Roseburg case is one of many:

Mrs. E. A. Matthews, 809 Short St., says: "My kidneys were out of order and acted irregularly. I also had severe backaches. Headaches were frequent; I became run down and all out of sorts. Doan's Pills from Fullerton's Drug Store soon rid me of the aches and the other signs of kidney disorder disappeared."

Price 60c, at all Jealers. Don't simply ask for a kidney remedy—get Dran's Pills—the same that Mrs. Matthews had. Foster-Millburn Co., Mfrs., Buffalo, N. Y.
