ALL STEEL BODIES

on Tudor Sedan, Coupe and Open Cars. Bodies and Chassis both lowered, larger, more attractive fenders, affording greater protection. New improved transmission and rear axle brakes on all types. One piece ventilating windshield on closed cars; double ventilating type on open cars. Curtains open with all doors on touring car and runabout. Closed cars in colors with upholstery of finer quality. Nickled radiator shells. Many other refinements now added to the beauty and quality of the cars.
