These men tell—

how easy it is to make
your safety blades give
the best shave ever!

"The James Strapper is the final word in razor blade 'stoppers', because it is scientifically right. You did not ask for this endorsement, but you may use it as you see fit."

SHAVE SATISFACTION.
Herbert E. Sharpe, Boston.

"I have made use of the 'Strapper' you sent me and certainly it does its work as is claimed for it."
Jos. K. Hayes, Boston

"If I could not have a James Strapper I would not have a Gillette Razor."
George W. Coleman, Babson Institute.

"When first I got 'The James Strapper' I took an old discarded blade and stropped it. I found that it worked just as satisfactorily as a new blade."
A. G. Lawson, Boston.

"It might be of interest to you to know that I recently purchased 'The James Strapper' and I am pleased to state that I find it to be all that your salesman said it was, and even more."
E. D. Wright, Paige-Detroit Co., Boston.

"One customer said he would not take twenty dollars for it if he could not get another."
E. K. Dyson, Broadway Pharmacy, Malden.
