This is a store-wide, all-inclusive clearance. It includes shoes for men, for women, for children. It includes staple styles and novelty styles—every pair of shoes is taken directly from our own stocks. There's variety to make choice interesting. Prices have been radically reduced. Quality is good in every pair of shoes.

Special attention is directed to the extraordinary reduction made on certain of this season's novelty styles—the very prices named will encourage many women to buy these shoes for general round-the-house wear.
