BOYS SHAVE THEM- SELVES IN CLASSES

(Associated Press Leased Wire.)
BERKELEY, Cal., Jan. 29.—The principle of equal rights for men has been established at the University of California. Proof of this was furnished today in the class room of Professor Ira B. Cross, whose forte is money and banking. For some time Professor Cross has felt and expressed annoyance at the time taken away from their studies by feminine students powdering their noses and otherwise freshening up their countenances. About a week ago he interrupted a lecture to say that as a believer in equal rights he could see no more reason why the girls should make their toilettes in the class room than boys.
Today two of the masculine gender appeared with shaving equipment and when Professor Cross started his lecture, they lathered their faces and shaved completely. Professor Cross led the applause, saying that if the two youths would make their names known to him—he was unable to recognize them under the lather—he would see that they were given a grade A for the term.
Neither, however, gave the desired information, but this was made known by fellow students who ascertained that the two were Arnold Murchell of Nevada City, and John Kimble, Springfield, Ill.

WOULD RECALL MAYOR

(Associated Press Leased Wire.)

BEND, Ore., Jan. 29.—Petitions asking the recall of Mayor E. H. Fox and six councilmen were filed with the city recorder yesterday.

More than 800 names are contained on each petition. This is the second time recall petitions have been filed within the last six weeks.

Louis Bennett, city recorder, refused to call an election the first time, claiming the circulators of the petitions had not complied with the necessary provisions of the law. The committee of the taxpayers league attempted to compel the city recorder to call the election by mandamus action, but failing in the preliminary action, decided that time would be saved by circulating new petitions, according to Ross Farham, former city recorder, who was chairman of the recall committee.

W. A. Cummings, who has been manager of the Terminal Hotel here for the past two years, with Mrs. Cummings and their family, left today for Salem, where Mr. Cummings will have charge of the Terminal hotel in the future. Glenn McAllister, who has previously been clerk at the local terminal, will take over the management, assuming his new responsibilities at once.

Simmons bed springs will give you a good night's rest, you owe it to yourself. On sale at Powell's.
