On account of the superior quality of this parsnip, our family has retained the seed annually for over thirty years. Unlike other parsnips, the heart is tender, never tough; roots are smooth, hollow crown, thick and heavy at the top, tapering abruptly, making it easy to dice. We have the exclusive seed of this champion garden or market parsnip. Try this parsnip, for it is unequalled anywhere. Pkt. 10c; ea. 25c; 1/2 lb. 35c; 1 lb. 60c. 5 PERSONS HURT WHEN TRAINS MEET
(Associated Press Local Wire)
GRAND JUNCTION, Colo., Mar. 12.—Five persons were injured, none seriously, when two Denver and Rio Grande Western passenger trains collided head-on in the railroad yards at Delta, Colo., today. An open switch was blamed for the accident.
Two jumps ahead of the other fellow is the man who reads the classified ads for short-cuts to economy.

To the People of Roseburg:

Much has been said as to who owns the new Bible Standard Temple. Whose church is it? How does it operate, etc.

First: The Bible Standard Temple is owned and operated by the people of Roseburg. It has no connection with Aimee Simple McPherson. It is not Dr. Price's church. It was not instigated by Dr. Price, but it was the wishes of a number of Roseburg people that they have such an organization.

Second: The Bible Standard Temple is an incorporation, having trustees, etc. It is an organization reaching through several states, and it has its semi-annual conferences at which all the ministers gather. It is on a safe and sound business basis.

The Bible Standard has been in existence for a number of years and was operating before Dr. Price or Mrs. McPherson appeared on the scene. We are in sympathy with their work and we cooperate with each other. The work has been in Roseburg near two years. We are not antagonistic or the promoters of strange and fanatic doctrines and teachings. Neither do we believe in such. We simply believe and preach the old time religion.
