## CHURCHES JOIN IN CONFERENCE FOR THREE DAYS

**Umpqua Baptist Association Meets Tonight Thursday and Friday.**

**DELEGATES COMING**

Fourteen Churches in Three Counties to Be Represented—Meetings Open to Public.

The annual conference of the Umpqua Baptist Association will start in Roseburg tonight, lasting over Thursday and Friday. This is an annual meeting attended by representatives of the fourteen churches in Coos, Douglas and Lane counties and it is anticipated that there will be approximately 100 delegates in attendance in addition to the local members who will take advantage of the opportunity to hear the many interesting services.

The meeting is of a deliberative and technical nature in which representatives of churches in Hiddle, Eugene, Marshfield, North Bend, Powers, Junction City, Cottage Grove, Springfield, Coquille, Glendale, Roseburg, Veneta, Bandon and Broadbent participate.

The conference starts this evening at 7:30 o'clock, and on Thursday and Friday there will be morning, afternoon and evening sessions. The conference closes on Friday evening with a young people's banquet.

Among the state officers who will be present will be Rev. O. C. Wright, of Portland, executive secretary for the Baptist churches of Oregon; Rev. Leonard W. Riley, president of Linfield College at McMinnville; Rev. W. T. Milligan, of Portland, superintendent of religious education, and Rev. C. L. Travis, of Eugene, young people's superintendent.

Any or all of the programs are open to the general public, an invitation being extended to all the friends of the church to attend. The program in full is as follows:

**Wednesday Evening**  
 7:30-8:00—Devotional service by Rev. A. L. Wilson, 8:00-8:20 Address of Welcome by Rev. H. L. Caldwell, 8:20-9:00—Annual sermon by Rev. C. H. Bloom, of Springfield, Oregon, 9:00-9:15—Report of entertainment committee, entertaining chairman.

**Thursday Morning**  
 9:00-9:30—Devotional service by Rev. A. Goodwin, Veneta, Ore. 9:30-10:00—Introduction and response of new pastors, 10:00-11:00—Business session, reading letters, reception of new churches, appointment of committees, etc. 11:00-11:20—Special music by the home choir, 11:20-12:00—Oregon Baptists and the denominational program by Rev. O. C. Wright, Portland, Oregon.

**Thursday Afternoon**  
 1:30-2:00—Devotional service by Rev. Borden Thurston, Powers, Oregon, 2:00-4:00—Women's work program directed by Miss Minnie Harlow, Eugene, Oregon. 1. Report of associational secretary, Miss Harlow. 2. Report of W. A. G. by Miss Gladys Chase, Springfield. 3. Report of C. W. G. by Miss Bertha Kohlhaugen, Portland. 4. Oral reports from representatives of all the local societies. 5. Golden Jubilee address by "Mother Potter", Portland. 6. Missionary address to be supplied.

**Thursday Evening**  
 7:30-8:00—Devotional service by Rev. M. H. Hiddle, Hiddle and Childs, 8:00-8:40—The progress, purpose and promise of Linfield. (Continued on page 3.)

**18-INCH SNAKE, 4 BLOOD LEECHES IN BODY OF COW**

GATES, Oregon, April 21.—A cow belonging to Harry Keiser, a Southern Pacific workman, had been acting queerly for nearly a year, but the family used the milk daily and could find nothing wrong with the product. The cow became weak and finally died.

An autopsy was decided upon and a kopher snake, 18 inches long, in a partially decomposed condition, was found in the cow's stomach. Four blood leeches were found attached to the liver and the quartet were all in excellent health.

The men say that there was scarcely any blood left in the cow's body and the heart was very much enlarged.

The cow had been obtaining her drinking water from a nearby swamp.

## Offers Roof For Stories

(Associated Press Leased Wire.)  
 NEW YORK, April 21.—Professor James H. Breasted, returned from the scene of excavations in the Nile Valley, says Egypt has yielded nothing among its thousands of ancient inscriptions to bear out fundamentalist interpretations of Bible stories.

He is directing the work of three expeditions and is organizing a fourth to penetrate far into the Nile valley. One of the expeditions is studying the coffin inscriptions in the Cairo museum, another the inscriptions in the temple at Luxor and a third has been excavating the ancient mounds at Amarna.

"Remember, I am not fighting the fundamentalist when I say this," explained Professor Breasted, "yet I say emphatically there is nothing in the inscriptions to bear out their interpretations of the Bible. The fundamentalists will never be supported by the documents on which we are working."

One of the first finds made at Amarna, Professor Breasted said, was a stone block on which was recorded the victory of King Shishak of Egypt over the Jews in the reign of King Rehobam.

## INCORPORATION OF RIVERSIDE AND EDENBOWER IS AIM

**Petitions in Circulation Calling Election on Matter of Forming a New Municipality.**

Petitions have been placed in circulation in Riverside and Edenbower asking the county court to call an election for the purpose of deciding upon the consolidation of these two communities and incorporating under the name of Riverside. It is proposed by those behind the movement to form a separate municipality instead of seeking annexation to Roseburg, and if the movement is successful a distinct city will be set up north of the Roseburg boundaries. The proposed city will extend from the limits of Roseburg to the junction of the highway and the old road on the north, and will take in all of Riverside and Edenbower additions in the east and west boundaries.

The petition already has the necessary forty signers to call an election. It is stated, and it is expected that they will be filed soon with the county clerk. The procedure requires that such petitions must be presented to the clerk who in turn submits them to the county court. If the court finds them to be regular an election is called not less than 40 days nor more than 60 days after the petition is approved, the residents of the territory being given an opportunity of deciding whether or not they desire incorporation. If it is the decision of the residents to form a municipality a second election is held not less than 10 days nor more than 20 days after the first election to choose the city officers, who then proceed to prepare the charter for enactment by the residents.

For some time there has been a movement expressed for the annexation of Riverside and West Roseburg to the city of Roseburg proper but no action has ever been taken in order that police and fire protection may be obtained. The Riverside and Edenbower residents now propose incorporation with their own officers and under a separate charter.

## ARCHIE CODY'S FUNERAL

MEDFORD, Ore., April 21.—Archie Cody, who paid with his life on the saws last Friday for murder, was buried this morning in the cemetery at Jacksonville. There were many flowers and a large attendance of neighbors who came to console the grief-stricken parents. An impressive funeral service was conducted by Father Black of Sacred Heart Hospital.

## LAKEPORT, CALIFORNIA, HAS \$80,000 BLAZE

(Associated Press Leased Wire.)  
 LAKEPORT, Calif., April 21.—A fire which did damage estimated at \$80,000, swept through the downtown section of this city last night. Five buildings were destroyed and two others slightly damaged. One of the burned buildings, the Lakewood Hotel was unoccupied. Five roomers escaped from the Monroe apartment house, which was leveled by the flames, by sliding down ropes made of bed sheets. The blaze originated in the rear of a restaurant.

## SHORT FALL FATAL TO A LIFE SAVER

(Associated Press Leased Wire.)  
 FAIRMONT, W. Va., April 21.—East Johnny John H. (Jack) McNeil, 60, mine foreman, led 12 other men lost their lives when they were killed by a fall from a shaft. Today McNeil is dead, having succumbed to injuries received in a fall from three steps of a flight of stairs.

## ONE ALIVE, ONE DEAD ARE TAKEN OUT OF TUNNEL

**Feather River Slide Still Imprisons Four of Six Power Co. Muckers.**

## RESCUE WORK SLOW

**Dripping Water and Slushy Earth Retard Digging, With Entombed Men Few Feet Away.**

(Associated Press Leased Wire.)  
 SAN FRANCISCO, April 21.—Telephone advices from Oroville this morning report the recovery of the body of Jack Coyne, 45, of San Francisco, one of the six men who was entombed late Saturday night in a slide in the Grizzly tunnel of the Feather River Power company, 30 miles from Quincy, Cal.

Rescue workers were reported within a few feet of the four remaining men, with work proceeding slowly because of timbers which run through the muck and must be sawed and removed. One man was rescued alive last night.

**Rescued Man Unhurt.**  
 QUINCY, Cal., April 21.—Battled by a stubborn tangle of debris after one of six workmen buried in a slide in the Grizzly Creek tunnel of the Feather River Power company, 30 miles from here, had been snatched from death, rescue crews early today had dug to within a few feet of the place the other victims were believed to be trapped. The men were caught in a slide in the tunnel late Saturday night.

Thomas McDermott, who was pulled out from beneath sheltering timbers last night, was found to be uninjured except for exhaustion. He was taken to a bunk house nearby which had been fitted up as an emergency hospital, and after he had rested a bit, he said he believed his five companions would be found alive near the spot where he was found.

## Rescue Work Slow

Mike Nicholson and Erickson, Oregon muckers, and William Cone and McBride were still in the dripping catacomb today, with the slushy earth that extends from the facing of the rescue tunnel wiping out the work of the rescue crews almost as fast as they progressed. Driving northwest straight through the original bore of the tunnel, the rescuers are timbering and shoring as they go along, but the work is progressing slowly. The workers themselves are in a long chamber, eight by eight feet, picking their way along by painful inches and hoping that the hastily constructed tunneling behind them will not collapse from the weight of loosened rock and granite, or be undermined by the steadily trickling waters that drip upon them.

The scene is set, inconspicuously in a back ground of matchless beauty. To the north Grizzly Creek runs through a channel cut through granite, and all about is a rugged wilderness of pine and fir. A snow-covered trail leads to the nearest settlement, three miles away. Bucks ranch, headquarters for the construction executives, is eight miles away, over a rock and granite mountain. It can be reached only by horse or snowshoes over trails that have been marked through the snows.

## UMATILLA WHEAT CONTRACTS UP TO \$1.16 PER BUSHEL

(Associated Press Leased Wire.)  
 PENDLETON, April 21.—Approximately one half million bushels of Umatilla wheat has been contracted for at \$1.15 and \$1.16 a bushel for July and August delivery, according to Henry Collins, Pendleton miller and grain man. With no adverse conditions prior to the coming harvest season, a 5,000,000 bushel crop seems certain in this county. The cool weather condition of the present time is ideal for wheat, says Mr. Collins, but a frost at this time would prove exceedingly injurious, more so than two weeks ago.

## Eternal City 2,680 Years Old; Labor Parades Where Once Army Legions Marched

(Associated Press Leased Wire.)  
 ROME, April 21.—Romans today abandoned their usual activities and assembled in the gaily beflagged streets and squares to celebrate the city's 2,680th anniversary with ceremonies symbolizing Mussolini's determination that Rome's ancient glory shall be restored.

Unlike most of the celebrations since the advent of Fascism, today's occurrences were dominated by the participation of the working men instead of the military. In accordance with the dedication of the Spiritual Foundation of the New Empire has been created; now the work of realization must begin.

Scores of thousands of national and black flags floated in a gentle breeze and innumerable multi-colored proclamations covered the walls of buildings throughout the city. Early in the day the streets were filled with marching men, most of them in working clothes.

The first ceremonies were the laying of wreaths on the monuments to the war dead, notably the tomb of the unknown soldier, where a pyre of incense was burning.

The Rome of yesterday and today were joined symbolically when two new tramway lines, destined to extend the limits of the city, were inaugurated simultaneously with the official beginning of the work of restoring the ancient Marcellus Theatre. The ancient building is now surrounded by aquaducts, which are to be removed.

Later King Victor Emmanuel laid the cornerstone of a new monument to the war dead.

## SOUTHERN TEXAS SWEEP BY STORM: THREE LIVES LOST

**Property Damage Estimated \$2,000,000—Swollen Rio Grande Takes Out Bridges**

(Associated Press Leased Wire.)  
 DALLAS, Texas, April 21.—A violent wind and rain storm sweeping over south Texas between San Antonio and the Rio Grande yesterday took a toll of three lives, damaged streets and bridges in San Antonio to an extent estimated at \$2,000,000, caused a train wreck early in the day near Snyder on the Roscoe, Snyder and Pacific Railroad, and left bridges wrecked and streams overflowing.

Susie Wilson, 4, and Roale Wilson, 6, were drowned on a ranch near Sweetwater when a gulch near their home was flooded with water early yesterday.

J. H. Burroughs, 60, prominent merchant of Lubbock, was killed by lightning.

San Antonio experienced the worst storm of the year in the afternoon when 4 1/2 inches of rain fell over the city in three hours, swelling small streams to rushing rivers. More than a hundred persons marooned in the lowly lying districts of the city had to take refuge from their homes. Traffic was held up several hours by the flooded streams.

The Rio Grande swelling ten feet in 30 minutes swept away two international bridges.

A freight train between Roscoe and Snyder crashed through a flood weakened bridge over the river, tying up traffic on the road. Ross Williams, engineer, was injured but not seriously.

## MAN SENTENCED BY JUDGE HAMILTON CLAIMS PREJUDICE

(Associated Press Leased Wire.)  
 SALEM, Ore., April 21.—A petition for a writ of habeas corpus in behalf of Robert Kenneth Bushnell, who is serving a sentence in the Lane county jail, was filed with the supreme court here today.

Bushnell was sentenced to jail by Judge J. W. Hamilton for a violation of the prohibition law. In the petition it is alleged that sentence was imposed after the judge had disregarded an affidavit of prejudice and without the employment of an attorney for the defendant.

## TOLEDO LOGGER ACCIDENT VICTIM

(Associated Press Leased Wire.)  
 LONGVIEW, Wash., April 21.—William Carey, 21, of Toledo, Oregon, was killed almost instantly by a rolling log while at work for the Midway Logging company near Stella yesterday afternoon.

## SKIDDING TRUCK IS FATAL TO ONE

(Associated Press Leased Wire.)  
 HOOD RIVER, Ore., April 21.—One man was killed and another injured when a delivery truck of a Portland bakery went over a high bank after skidding on the Columbia River highway six miles east of here today.

Glenn Knutson, 25, of White Salmon, Wash., was the man killed. C. E. Archer, salesman for the baking company, was injured. The truck fell into Stratton Creek and crushed Knutson.

## CRATER LAKE PARK TO OPEN EARLIER

(Associated Press Leased Wire.)  
 KLAMATH FALLS, Ore., April 21.—Crater Lake National Park will be open much earlier this season than ordinarily. It is the report of a party of local people who made the trip to the rim yesterday. Despite the fact a howling blizzard was raging at the summit, automobile roads were in good condition three miles beyond the Klamath Falls entrance to the park.

## DRYS ASK MORE TIME IN SENATE LIQUOR PROBE

**Reed's Cross-Examination Absorbing Allotment; He, Too, Complains.**

## REQUEST CONSIDERED

**Grange Spokesman Opposes Modification—Jail Is Held Only Penalty For Violators.**

WASHINGTON, April 21.—Infected by complaints of both sides, the senate prohibition committee continued its hearings today in an atmosphere of increasing tension.

The drys again had the right of way, and as the time allotted them drew toward its close they put on the stand a succession of witnesses who spoke for prohibition organizations; farm groups and others, in opposition to any change in the Volstead act.

The managers of the dry side of the controversy formally asked that the committee take the petition under advisement. It was pointed out by the dry leaders that Senator Reed, Democrat, Missouri, the committee's only wet member, had taken up with cross-examination much of the time allotted for dry testimony.

Senator Reed has complained that the drys are being favored by the committee's methods of procedure.

Chairman Harrell announced receipt of a letter from Governor Pinchot of Pennsylvania, declaring the dry law can be enforced but attacking present enforcement methods. The chairman turned the letter over to the dry managers who indicated they would present it formally later.

**Grange Wants No Change.**  
 Oliver W. Stewart, head of the flying squadron foundation, made a brief statement in which he declared conditions were improving under prohibition. Then the drys put on the stand S. L. Strickland of Castle, N. Y., who said he spoke for the national grange. He filed a brief recapitulating the attitude on moral questions, and opposing any change in the dry laws. Many farms are going into the hands of foreigners, he said, and the one way to incite patriotism in these people is for Americans to obey the law.

In the absence of Senator Reed, cross-examination of the dry witnesses was conducted by Julien Codman, counsel for the wet managers.

Strickland referred to the appeal of organized labor for the return of wine and beer and said the employers were not on the side of those demanding a return of "the drink curse."

"I do not know where the organized labor officials get their figures of 2,000,000 members of their organizations," he added. "We find that in 1925 the enrolled membership had shrunk to 2,865,979."

**Jail Sentence Is Core.**  
 Another United States district attorney, A. C. Bernstein of Cleveland, Ohio, was called next by the drys.

"What's the best way to bring about enforcement of the law?" asked Senator Goff, Republican, West Virginia.

"Prosecution with jail sentences," Bernstein replied. "Fines mean nothing."

"Have you considered much about the local police?" asked Goff.

"We did not at one time, but have during the past year," the witness contended that trial by jury in misdemeanor cases should not be abolished, as suggested by District Attorney Buckner of New York.

"Our dockets have not been clogged," he said. "Benighted ignorance was going to enforce the law, it will coast to it."

"Do you think the Volstead act can be enforced?"

"It can be enforced and is being enforced in northern Ohio," Bernstein said he thought the Volstead act should have more teeth in it, especially with respect to search warrants.

"The courts proceed against private homes unless there is a sale," he added.

Committee men didn't agree that the law placed that construction on enforcement.

**Mild Stuff No Remedy.**  
 "I think there should be a order in a private home before a sale is issued against that home," the district attorney declared.

"Do you consider the bootlegging will ever cease?" asked Senator Goff.

"It will cease when it becomes

## Senae O.K.'s Terms on Which Italy Will Pay

(Associated Press Leased Wire.)  
 WASHINGTON, April 21.—The war debt settlement with Italy was approved today by the senate, 45 to 33.

Twenty-four Democrats, eight Republicans and the one Farmer-Labor member voted to recommit. Twelve Democrats voted with 42 Republicans against the motion.

The senate also defeated 55 to 24 three amendments by Senator Howell, Republican, Nebraska, to stipulate that none of the payments to be made by Italy should be considered as having cancelled the principal.

The vote was 54 to 33. Italy already has ratified and the house also has acted, so that only President Coolidge's signature is necessary.

Senator Reed, Democrat, Missouri, started the discussion with a fiery denunciation of Premier Mussolini, declaring the settlement would be a gift of a billion and a half dollars to the premier, "who is drunk with power."

"The vision that delights his eyes," the Missourian said of Mussolini, "is an ocean of blood, through which he can walk in triumph."

## DEMPSEY AT LAST SIGNS FOR FIGHT NEXT SEPTEMBER

**Rickard Will Stage It In New York or New Jersey—Gene Tunney May Be Opponent.**

FORT WORTH, Texas, April 21.—Jack Dempsey put his name to the dotted line today.

The heavyweight champion of the world signed articles of agreement here shortly before noon with Tex Rickard to fight a championship bout around September 16 at a place and against an opponent to be selected by Rickard.

Waiving aside reports from New York that the New York State Athletic Commission might revoke his license and put in jeopardy his \$5,000,000 investment in Madison Square Garden if he should pick Gene Tunney as Dempsey's opponent or New Jersey as the scene of the fight, Rickard reiterated that his choice would be made between the two sites and that Tunney would be considered.

Rickard called attention, however, to the fact the contract signed here today by Dempsey and himself does not violate the requirements of the boxing commission.

**Rickard Called On Carpet.**  
 NEW YORK, April 21.—The New York State Athletic Commission will summon Tex Rickard upon his return to this city from Fort Worth, Texas, to explain his action in signing Jack Dempsey for a world's heavyweight championship fight in September. Chairman James A. Farley said today.

"That Tex Rickard intends to stage the heavyweight title fight for which he signed Jack Dempsey today either in the Yankee Stadium or Boyles' Thirty Acres, in Jersey City is the belief of observers familiar with the promoter's plans. Gene Tunney, the examinee, will be the champion's opponent in his first title battle since he knocked out Luis Firpo at the Polo Grounds in September, 1923. Tunney is under contract to Rickard."

**Seneca's Funeral.**  
 MILWAUKEE, Wis., April 21.—Funeral services for Seneca Molden, Filipino, who died here yesterday following a boxing match with Bud Taylor of Terre Haute, Ind., were held this morning at St. Johns Catholic church.

Only a handful of those who saw the boxer in his last bout attended the services, due to an abrupt change in plans.

Taylor, who was unable to attend, due to illness of his daughter, which called him to Chicago, sent a large wreath of flowers.

George K. O's Oliver.

MEDFORD, Ore., April 21.—Joe Gorman of Grants Pass knocked out Bud Oliver of Spokane in the first round of the main event of the first boxing card in this city in two years. Mike Cassidy of Everett, Wash., was given the decision over Chick Kennedy of Medford, when the latter was helpless.

**Welder Beats Moser.**  
 PORTLAND, Ore., April 21.—Weldon "Tough" Wing, Portland heavyweight, won a ten round decision over Len Malode, of Laramie, Wyo., here last night. A big margin in the last frame was all that gave the local boy the fight.

Trimon Limbaro, Filipino, took a six round decision from Billy Roberts, Portland bantamweight, in the semi-windup.

**Eugene Results.**  
 Eugene, Ore., April 21.—George Dixon, dusky Portland boxer, won a technical knockout over Joe Blackwell of Eugene, in the early part of the sixth round of a

## CANADIAN RUM CREW PUNISHED IN U. S. COURT

**Capt. Pamphlet, Woitte and Aide Are Sentenced to Penitentiary.**

## STIFF FINES BESIDES

**Five Others Receive Fines and Three of Them Are Jailed—Rescue Plea Fails.**

PORTLAND, Ore., April 21.—Captain Robert Pamphlet, master of the Canadian schooner Pescawha, which was seized as a rum runner off the Washington coast in February, 1924, was sentenced in federal court today to two years in the penitentiary and fined \$5,000. Jacob Woitte, who was convicted along with Captain Pamphlet, was sentenced to two years and fined \$10,000. Woitte was convicted of being the head of a gang of land rum runners who cooperated with the Pescawha.

Frank Bates, Woitte's second in command, was sentenced to 18 months and fined \$5,000.

Sentences were pronounced by United States District Judge R. S. Bean, who presided at the lengthy trial. Five other defendants were sentenced. Joe Essex received nine months in jail and a fine of \$500. E. Siverson of the Pescawha crew, was given three months and a \$200 fine; Tex Smith, six months and \$200 fine; Clarence Lary and Michel Ogilvie fined \$500 each.

Four members of the Pescawha crew who were convicted, failed to appear. Their attorney, E. N. Norton, asked the court for ten days in which they may appear without forfeiting \$2500 posted for each.

Captain Pamphlet's bail was raised to \$10,000 pending appeal.

Capture of the Pescawha by the coast guard cutter Algonquin followed the rescue by the Pescawha of the shipwrecked crew of the freighter Cooba. The Pescawha defendants declared they were drawn inside the twelve mile limit by necessity of that rescue. Judge Bean ordered that part of the defense entirely out of the case, holding that the defendants were engaged at the time in a conspiracy to violate the United States liquor laws.

## DANCING FESTIVAL AT GARDENS TONIGHT

"Let's Talk About My Sweeie Now," a hot comedy frolic number, and "Tamlam Trill," an oriental number, will be two of the feature selections on tonight's dance program at the Oriental Gardens. During the past week the Oriental Gardens Ballroom orchestra has arranged a complete new dance program and the latest in dance patterns this evening. This will be the only dance at the Oriental Gardens this week as on Friday and Saturday nights, the orchestra will move their instruments to the armory to play for the American Legion Hayseed Festival and Barn Dance.

scheduled ten round main event at the Winter Garden boxing program here last evening. Blackwell was knocked down in the fifth, just before the bell rang, and was still groggy in the sixth. He was again knocked in the canvas, for a count of nine in the sixth, and when he sagged in his knees again the bout was stopped. Both weighed in at 147.

Jack Motzel, 138, of Corvallis, and Harold Davis, 137, of Eugene, finished a six round semi-final event for a draw.
