IMPROVEMENTS ARE MADE IN LOBBY AT UMPQUA HOTEL

Under the direction of Manager W. J. Weaver many fine improvements have been made at the Umpqua Hotel. The new lobby furniture, which completes the changes, arrived today and is being installed and placed, making a great improvement in the appearance of the lobby.

The new furniture was built by the Portland Furniture and Manufacturing company, and was constructed according to Mr. Weaver's design. The company specializes in hotel furniture, building chairs, tables, davenports, etc., of particularly solid construction, and yet very beautiful in appearance. The order was placed through the firm of McKean, Darby and Baldwin, who have made the delivery and are superintending the placing of the furniture. A special decorator is expected from the Portland firm tomorrow to assist in the work.

Several beautiful davenports and a number of chairs to match have been secured, all being of heavy upholstery, covered with tapestry in beautiful colors. Large rugs have been scattered throughout the lobby, while attractive floor lamps add to the appearance. The new arrangement gives the lobby a decidedly cozy and homelike atmosphere, which will doubtless be greatly appreciated by the guests.

Improvements have also been made in many of the rooms. Reading lamps are provided, steel suitcase stands are included, and two large rocking chairs in each room make for the comfort of the guests.

The management has spared no expense in searching the country to obtain the very best furniture and equipment to extend hospitality and comfort to those who stop in Roseburg.

CALL FOR CITY IMPROVEMENT BONDS

Notice is hereby given that city improvement bonds of Roseburg, Oregon, series "T" No. 1 to 22 inc., will be taken up and paid on the 15th day of May, 1926, and that interest thereon will cease after that date.

Dated May 6, 1926.

FRISCO CABLE CAR RUNS AWAY; FIVE PASSENGERS HURT

(Associated Press Leased Wire.)

SAN FRANCISCO, May 7.—A crowded cable car, gaining momentum on the steep California street hill, today ran out of control, to the bottom of the hill and telescoped another cable car there, severely injuring five persons and causing lesser injuries to a score of others.

The runaway car hit a big meat truck a block before it crashed into the other car. This stopped its plunge somewhat, but it gained momentum as it sped along, and when it struck the other car it was again going at breakneck speed.

When the car was found out of control, the conductor shouted for all who could to lay down on the floor and the others to "sit tight." However about 25 passengers leaped from the car, most of them making the jump without injury. Most of the injured refused hospital treatment.

The meat truck was forced onto the sidewalk and through a plate glass window.

Slippery tracks and the failure of the grip to work properly were given as the causes of the runaway.

ROSEBURG WILL JOIN WITH EUGENE IN CELEBRATION

Roseburg will join wholeheartedly with Eugene when the latter city celebrates the completion of the Natron cut-off. Eugene is planning for an elaborate celebration to mark the opening of the new railroad connection, the ceremonies being contemplated during the month of August, the dates as yet being unsettled. A formal invitation was presented to the Umpqua Chiefs last night inviting the hospitality club to join in the event, and it was unanimously decided that the club will attend with its entire membership and will also be represented by the Douglas County Concert Band.
