### New Strength for Tired Women

Do you feel tired out, run-down and exhausted long before the day's work is finished? Why is it that women will permit repeated attacks of dizziness, headache, backache, nervous exhaustion, indigestion and constipation, when perhaps all they need is a good general tonic? No woman can feel her best troubled with these ailments. To let them run on uncorrected is the greatest mistake in the world.

Thousands of ailing men and women have been made strong, well and happy with Lyko. The secret of this remedy's wonderful success is the combination of medicinal ingredients it contains. One aids digestion; another is a laxative that keeps the bowels open; another acts on the kidneys, and a fourth aids the liver. With these vital organs working in proper harmony, the health-destroying poisons are driven or carried out of the system.

No matter what you have tried before, go to your druggist today and ask for a bottle of Lyko, the great general tonic. Find out for yourself how simple and easy it is to keep well with the aid of this marvelous remedy.

**Lyko Helped His Wife**

An Oklahoma man, Mr. Callion, tells about the help Lyko gave him when other remedies had failed. His letter says: "The wonderful relief Lyko has given my wife! She has been taking all kinds of medicine which did no good. I saw Lyko advertised and got it and it is doing her lots of good!"

**Relief at Once**

"I was subject to constipation, my kidneys were out of order and I was run-down and so nervous I could hardly get along. I was advised by my physician to try Lyko. I got relief at once," is what R. Stedje of Mississippi reports.

**Could Not Eat—Now Well**

Walter Schultz of San Francisco says: "For many years I tried everything to build me up. I was run-down in health, could not eat, my condition was very bad. A friend recommended Lyko. Today I am a happy man. I have got my health back."
