Bevy of Beautiful Dancers to Appear as Feature of Opening Spectacle of Barnes Circus Tonight

GROUP OF CALIFORNIA BEAUTIES TO BE SEEN WITH CIRCUS

The A. G. Barnes circus, which grows larger and more gorgeous each year, has provided for lovers of magnificent pageants this season the American giantess, historic feature, "Pocahontas at the Court of Queen Anne," the extravaganza that opens the big program in which 2000 wild educated animals from every clime under the sun is represented in daring and thrilling acts.

Indians from the famous "Painted Desert" of Arizona, the ancient covered plains of Nevada and the wild, rolling hills of New Mexico, are included in the gigantic pageant. There will also be one hundred bathing beauties from the "Sunset" shores of Southern California, all of whom have been trained extensively for their parts in some of the best motion picture, dramatic, dancing and singing studios on the West Coast.

The celebrated "Sacred Snake Dance" enacted by Hopi Indians, clad in skins of wild animals, will be seen. The savages, trained by the beating of tom-toms, actually wind squirming, deadly rattlesnakes about their half-naked bodies and thrust the heads of the poisonous reptiles in their mouths during the weird ceremony.

You will also see the Giant Gorilla Man—Joe Martin, himself. And last, but not least, you'll see Lotus, 5-ton, largest and only blood-sweating hippopotamus in the world, with "the show that's different" — gorgeously bigger every year.

Returning Home—
M. C. Payton, who has been visiting his father and friends here for the past week or so, will leave tomorrow for his home in Wood, California.

H. E. Kruger of Oakland, of the Farm Bureau Cooperative Exchange, was a visitor here today, attending to business affairs during the morning and attending the circus in the afternoon.

BIGGEST SENSATION IN MEDICINE HISTORY PRODUCED BY KARNAK

Remarkable New Preparation Becomes the Talk of Roseburg as Vast Numbers of Oregon People Report Amazing Recovery to Health After Its Use. Everybody Seems to Be Taking It and Receiving Wonderful Benefits.

NOTHING LIKE IT EVER SEEN HERE DECLARES ROSEBURG DRUGGIST

Men and Women in All Walks of Life Testify to the Marvelous Health-Building Powers of the Medicine and Declare It Is So Far Ahead of Others There Is No Comparison.

Dr. C. L. Moore.

The highest tribute that can possibly be paid a proprietary medicine has just been accorded Karnak, the sensational new medicine that is accomplishing such remarkable results.

Dr. Chas. L. Moore, a physician of 48 years general practice, comes out and states in unconditional terms that Karnak is without a doubt a most extraordinary medicine. Such endorsement is indeed convincing, for the physician will not recommend any medicine until he positively knows it will produce the results.

"I am frank to say that Karnak is the most efficient medicine I have ever used for building up a run-down sluggish system," declares Dr. Moore.

Dr. Moore has spent 48 years in the practice of medicine. He is now retired and resides at 1168 Peachtree Street, Atlanta.

Following is Dr. Moore's report on his test of Karnak:

"In my 48 years of active practice I have never been an advocate of the unlimited use of the majority of medicines, but after my own experience with Karnak, I do not hesitate to recommend this medicine to anyone."

"My own personal experience with Karnak is that it increases my appetite to where I eat like a growing boy. It thoroughly cleanses my system of all impurities, and I actually feel ten years younger as a result of taking Karnak."

"I sleep soundly, feel energetic and full of vitality. In fact, I am like a different man and have actually gained 35 pounds. Karnak Pills, together with Karnak, entirely relieved me of constipation."

"On the whole, I am confident that Karnak is a most extraordinary medicine and will be of great benefit to anyone. I intend to continue advising its use universally."

"WOULDN'T BE WITHOUT IT"

"This Karnak is the greatest medicine I ever heard of and I wouldn't be without it if it cost \$25 a bottle." — Mrs. Emily L. Lowe, 1103 Francis Ave., Portland, Ore. Mrs. Lowe was City Clerk in Boise, Idaho, from 1900 to 1905 and has resided in Portland for 21 years.

Karnak is sold in Roseburg by Nathan Fullerton, The Rexall Store, and by all leading druggists.

MEN AND WOMEN OF ALL AGES BENEFITED

Men and women of all ages and in all walks of life, afflicted with stomach and liver troubles of every form, some of them of long standing and chronic nature, and others severely complicated, have been completely restored to health by Karnak.

Some of these people were weak, thin and nervous, apparently on the verge of collapse. Others seemed fairly well yet complained of severe pains in the stomach or in the back and sides, headache, shortness of breath and dizzy spells. Many told of sour, gassy stomachs, coated tongues, fullness of breath, severe constipation, loss of appetite, sleeplessness at night and terribly dejected, depressed feelings.

In every case, except where a critical complicated condition or contagious diseases of some other organ existed, the sufferer was quickly and permanently relieved. Some of the long standing cases required from four to six bottles of Karnak, but the majority responded readily to two or three, and many reported most gratifying results after taking only one or two bottles.

To say that Karnak has become the sensation of the drug trade puts it mildly. It is true that Karnak has broken all sales records. Nothing like it has ever been seen before. But it is the remarkable results produced by the medicine

itself that has created such an enormous demand. It is what the people who have actually used Karnak have to say about it that has convinced the public that it is the greatest medicine of all times.

Read at the right what Dr. C. L. Moore says about his own experience with Karnak. Then if you are one of the thousands suffering from stomach, kidney or liver disorders, or need something to build you up, after the weakening effects of "flu," grippe, fevers, etc., go to Nathan Fullerton, The Rexall Store, in Roseburg, or to the Karnak drug agent in your own town and get a bottle.

Results Are Guaranteed. Remember, Karnak is sold under a strict guarantee that the first two bottles will produce beneficial results or the purchase price will be refunded without question. Both the manufacturers and the local distributors stand squarely behind this guarantee.

Over 212,000 bottles of Karnak have been shipped to various points in last 12 weeks.

DR. CHAS. L. MOORE, physician of 48 years general practice, says: "I am confident Karnak is a most extraordinary medicine and will be of great benefit to anyone."

VOTE FOR Alfred E. Clark

of Portland Candidate for Republican Nomination for United States Senator

Oregon needs a man in the United States Senate who can secure results for its people at the National Capitol.

It needs a man familiar with its resources, agricultural interests, industries, harbor and reclamation projects.

It needs a man with the energy, industry and ability to secure governmental reorganization and aid for the development of these resources, various interests, industrial enterprises and projects.

In Alfred E. Clark, Candidate for the Republican nomination for United States Senator, the people of Oregon have such a man.

HE HAS THE ENERGY. HE HAS THE INDUSTRY. HE HAS THE ABILITY.

Moreover he already has to his credit a record of faithful and efficient public service.

He has courageously opposed in this campaign those who would deprive the people of the right to select their own candidates under the direct primary law and who now seek to dictate party nominations.

These factors have made him the leading Republican candidate for the senatorship and his nomination seems assured.

A vote for Alfred E. Clark for Senator is a vote for the general welfare of Oregon and its people.

Paid Adv.—Alfred E. Clark for United States Senator Campaign Committee.

WHAT 1800 FAMILIES KNOW ABOUT ELECTRIC COOKING

THEY will tell you it is a new kind of luxury —one that doesn't cost more to enjoy.

Of course you have always appreciated the advantages of cooking by electricity. You know that it means no more fuel to carry; no more ashes to lug. You know that electricity is the ideal cooking heat; economical because it is turned on when you need it—not before; turned off when you're through—not later.

But perhaps you would like to know exactly what it costs—in dollars and cents. The 1800 satisfied families who now use electric ranges served with electricity by this company would gladly show you their bills, if they could.

We have made an average of these bills, so that we may give you the facts. The average cost of electric lights alone in all homes served by this company in Oregon is \$2.20 a month. The average cost of their electric lights and electric cooking together is \$5.62 a month.

For the difference, could you buy ordinary fuel for cooking? And if you could, would you want to? Whenever you decide to investigate this question of electric cooking closely, your nearest dealer will tell you many interesting things. And he is prepared to install your new electric range at once, on convenient terms.
