How We Do It

Specialization of effort is the accepted modern way of accomplishing big things. In the Skaggs organization, specialists are in charge of each department—buying, merchandising, financing, advertising, accounting, etc. Each brings to his work the advantages of long training and peculiar adaptability—there are no hit or miss methods—things are done in the most efficient known manner. Our accounting system, alone, annually saves our patrons many thousands of dollars. Just another reason for Skaggs better values.

JUDGES AWARD PRIZES AT FLOWER SHOW

Many Beautiful Blooms and Large Varieties Make Judging Difficult.

The many beautiful blooms and large variety of flowers made the judging of the Rose and Flower Show yesterday a difficult one for the judges. The long tables in the Sykes building, where the exhibits are on display, were arranged with a greater variety of single and double blooms, baskets and vases of mixed flowers, and baskets of bowls of one kind of bloom, than seen at last year's show. One long table exhibits a very fine display of peonies, roses, gladiolas, poppies and sweet peas, grown by C. E. Moyer, well known nurseryman of Dillard. These are for display only and did not enter the judging.

Show will continue today and Saturday, giving those who have not seen the exhibits an opportunity to view the very fine display.

The judging took place at 1:30 o'clock yesterday with G. E. Moyer, of Dillard, Mr. Adams, of Oakland, and W. S. Carpenter of Roseburg, as judges.

The prizes awarded are as follows:

CHINESE BANDITS RELEASE CAPTIVE AMERICAN OFFICER

(Associated Press Leased Wire)
PEKING, May 21.—After two days captivity in the hands of bandits in northern Yunnan province, one of the most remote parts of China, Captain Thomas J. Betts, United States Army, is again a free man, the American legation was informed today.

Myrl S. Myers, United States consul at Yunnan-Fu, telegraphed the legation he had been advised by the local magistrate of Laitowpo, scene of Captain Betts' capture, that the bandits had released their prisoner on May 15. Laitowpo is a small town about 100 miles north of Yunnan-Fu.

Captain Betts, attached to the American legation for study of Chinese, was making a journey from French Indo-China to the Yangtze across one of the districts of China least traveled by foreigners.

Information travels slowly in China, even by telegraph and Yunnan is the most remote province from Peking. Hence it appears that Captain Betts was freed before the American legation was informed of his capture and began to seek his release.

BIG CROWD NEEDED AT DANCE TONIGHT

This year the Empqua Chiefs did not solicit the merchants of Roseburg to finance the annual Strawberry Carnival and they are relying upon the various attractions of the week to raise the necessary funds. Tonight, their first jenny dance will be held at the Armory. All who believe in the future and prosperity of Roseburg are urged to attend this event. It is only through the generous patronage of the citizens of Roseburg and Douglas county that the dances held tonight and tomorrow night that next year's carnival is assured. A big program of entertainment is being provided tonight and the original Oriental Gardens orchestra of eight pieces, will present the music. The dance will start promptly at 8:30 o'clock and continued until midnight.
