Mr. and Mrs. V. H. Patterson, of 709 Stephens street, today observed their golden wedding anniversary. Owing to the condition of Mr. Patterson's health they did not attempt a formal celebration except for a quiet dinner at the home of their daughter, Mrs. Charles G. Stanton.

They were married at Rochester, Minnesota, June 1, 1876. Both are natives of the state of Iowa. Mr. Patterson having been born at Lansing in 1852, and Mrs. Patterson at Volney in 1854. Following their marriage Mr. Patterson engaged in painting and paperhanging in Rochester, Minnesota, coming to Oregon in 1889 and opening up a business in Roseburg. He has followed the painting, paperhanging and sign writing trade until the present time.

Mr. and Mrs. Patterson were the parents of four children, two of whom still survive. Mrs. Charles G. Stanton, of Roseburg, and Mrs. L. W. Myrick of Portland. They were the recipients today of many gifts and messages of congratulations from friends in Roseburg and elsewhere.

Host Woodruff, of ReedSPORT, was drowned yesterday while swimming in the Umpqua river, according to word received here. The young man's body has not yet been recovered. Dr. Wade also spent two weeks in Chicago, there attending the courses given at the Chicago Lying-in hospital, doing work under Dr. J. H. DeLee, one of the most eminent authorities and foremost physicians in the country of obstetrics.
Dr. and Mrs. Wade had a very pleasant trip going east by the southern route to New Orleans, and Washington, D. C., there visiting the various places of interest, and returning home by way of the Canadian Pacific route. They were guests of Mrs. Wade's parents, at Bismark, North Dakota, for a short time. Dr. Wade states that they encountered good weather en route except when in Texas, where, on the very morning of the state, a big storm arose, washing out a number of roads and causing much damage.

Restore Health by
Gland Treatment
Says Science

According to a recent newspaper dispatch the vigors of youth have been returned to men of mature age, through the beneficial results received from glandular treatment. This remarkable scientific work has been accomplished by the head physician and surgeon of one of California's state institutions.

The object of glandular treatment is to wake up the decaying glands so they may continue their normal function of supplying the vital glandular secretions so necessary to physical energy and perfect health.

Glandogen, the new scientific gland tonic, which is prepared in convenient tablet form, for men and for women, provides a simple method of taking glandular treatment. Accept no substitutes. Insist on genuine Glandogen, the original gland tonic. Chapman's drug store will supply you.

COURT OF HONOR TO MEET ON JUNE 14
There will be a court of honor held for the advancement of Boy Scouts at the city hall on Monday evening, June 14.

Last month there were 23 scout advances in Roseburg. It is very likely that there will be that many or more this month. Judge George Quine, Fred Haynes and Dr. G. C. Finlay compose the court which reviews the boys.

If any one really wants to know what scouting accomplishes for the boy one should make it a point to attend one of these courts.
