BARBER SHOPS TO CONSOLIDATE AFTER FIRST OF MONTH

An important business consolidation will take place the first of July when the Grand Hotel barber shop and the Radio barber shop combine. These two businesses, conducted by M. V. Endicott and C. W. McAllister will move to the corner location now occupied by the Electric Shop at Cass and Rose streets. The consolidation gives a five-man staff well equipped and in a very desirable location. The building will be remodeled to meet the demands of the business and the equipment will be moved during the July 4 holiday period so that the new shop will be open for business on the sixth. The personnel will remain the same as at present, the equipment of the two businesses merely being consolidated under some name yet to be selected.

BOY SCOUTS HAVE FINE TIME IN CAMP AT THREE SISTERS

The Boy Scouts are enjoying a delightful outing at Three Sisters mountains, according to a letter received this morning from E. A. Britton, scout executive, who is in charge of the camp. "We arrived in camp about 7 p. m. Friday," Mr. Britton says. "It rained all night, all day Saturday and snowed part of the time. The boys, however, kept in high spirits and we had a big roaring fire through the rain. "It cleared up fine this morning (Sunday) and all the boys hiked up to Collier glacier and went up to the top of the Brother mountain, returning to camp at 6 p. m. We enjoyed a good camp stew for supper, a ball game and a song service. "We finish cleaning camp tomorrow and do some scouting. Tuesday we take a trip to the lakes north of here and Wednesday make a trip up either the middle or south Sister. Everybody well."

Rare Turkish tobaccos give distinction to Chesterfield's blend

Drawing from a photograph by our Mr. Gary, showing the loading of Turkish tobacco aboard lighters to be transferred to the ocean liner in midstream.

For Chesterfields, the best Turkish tobacco — and nothing but the best!

Where does Chesterfield get its spicy tang, its delicate piquancy of taste and aroma? From costly Turkish tobaccos, world-famous for their distinctive character, their sheer excellence of quality.

And how does Chesterfield get its mellow fullness and its satin-smoothness? From the way this fine Turkish is blended with the choicest

Domestic leaf; carefully, shrewdly, in that can't-be-queerly Chesterfield way that brings out the hidden flavors in each type of leaf.

It took no end of skill and patient experiment to get this blend right.

Was it worth it? Just smoke a Chesterfield and let the good tobaccos speak for themselves!
