FARM BUREAU HEAD REMINDS COOLIDGE OF PARTY PROMISE

DES MOINES, Iowa, June 28.—President Charles E. Hearst of the Iowa farm bureau federation today informed President Coolidge that farmers of the midwest charged the administration "with full responsibility for failure to keep the promise made to our people" in 1924, when the Republican party pledged itself to economic equality of agriculture and industry.

In a telegram sent to the president, and a statement issued here, Mr. Hearst described farm relief proposals still pending in congress as makeshifts and proposals to "hand the farmers legislation that will be inadequate and in no way meet the requirements of the greatest present problem."

He charged defeat of the McNary-Haugen principle to a group which he said was now enjoying the advantages of the protective system and was unwilling to permit extension of that system to include agriculture.

Mr. Hearst said his plans already were under way for a renewal of the farm relief fight.

FIELD MEETINGS TO DISCUSS FARM CROPS ARE PLANNED

Plans have been worked out to hold several field meetings in a number of communities according to County Agent Cooney.

Every farming community in the county holds something new in increased yields of some particular crop, due to a definite practice. Mr. Cooney believes these community field meetings offer an excellent opportunity for neighboring farmers to study real farm crops results.

Community field meetings will be held in the near future in the following communities: Camas Valley, Glendale, Sutherlin, Elkton, Loom Lake and Smith River.

The county agricultural conference last fall called attention to, and highly recommended, the plan of community farmers' gatherings at stated times and places to study the community problems with the county agent and extension specialists.

WRESTLING FANS TO SEE GOOD MATCH AT ARMORY TONIGHT; JACK WOODS AND IRA DERN TO GIVE THE MAIN EVENT

Ira Dern, Salt Lake grappler, who holds a victory over Ted Thye. Dern will wrestle Jack Woods at Armory at 8:30 o'clock tonight.

Local wrestling fans are assured of an interesting match at the Armory at 8:30 o'clock tonight when Ira Dern of Salt Lake, and Jack Woods, now of Roseburg, meet in a 2-hour limit contest. These two wrestlers have met previously in a three-fall match when Dern getting the first and third falls and Woods the second. Woods was handicapped by boils on his arm in that match and he believes that he can even the score tonight, as he is in excellent condition.

Dern recently tossed Ted Thye in a whirlwind go at Portland, Ore., but being 8 pounds over the light heavy-weight class, was unable to claim the championship, which Thye now holds.

Woods and Dern are evenly matched in weight and experience so that tonight's event should be interesting.

Louis Porandras, of Portland, arrived in Roseburg today and will issue a ring-side challenge to the winner of tonight's match.
