

RIDDLE LOCALS

Mr. Lou Grant and Mrs. Claude Riddle and children returned on Sunday from Diamond Lake.

Mr. Mose Ryan was a Roseburg visitor Tuesday.

Mr. Chas. Ottedal left Tuesday morning for Albany.

Mrs. Campbell of Roseburg is visiting her daughter, Mrs. George Neuner at Camp Betty.

Riddle is developing a new enterprise, that of substituting pulpwood for the Hawley paper factory at Oregon City.

It is rumored that the owners of Silver Peak mine are putting on a large crew of men and intend the shipping of ore in large quantities.

Born to Mr. and Mrs. Geoffrey Strone of North Myrtle on July 14th, a daughter.

Mr. Gardner, of Westwood, California, is visiting with Mr. and Mrs. Austin Wilson.

Mr. and Mrs. Phil Harrison of Medford were guests at the Sowers home Wednesday.

Dr. Ottedal attended the meeting of Douglas County Physicians held in Roseburg on Wednesday evening.

Mr. and Mrs. D. S. Beals returned Wednesday night from a motor trip to Seattle. It is rumored that Mr. Beals has purchased the Selter home in Roseburg and will move there in the near future.

Mrs. Leland Bond and little daughter of New York City, who with her husband has been visiting in Portland and Salem, returned to Riddle last week to spend the rest of the summer with her parents, Mr. and Mrs. George Atkins. Mr. Bond returned to New York City.

The bridge across Cow creek in Riddle is proving a boom to

tire manufacturers. An automobile can hardly cross it without running a nail through its tires. We hope the road supervisor will have this repaired before the cost of ruined tires exceeds the cost of repairing the bridge.

Mr. Aspey was a Roseburg visitor Friday.

Mr. and Mrs. Keller were in Roseburg Friday.

Miss Thelma Cripps, who is working at Wolf Creek, spent Thursday visiting relatives and friends in Riddle.

Mr. Clyde Weaver was a Myrtle Creek visitor Thursday evening.

Dr. Ottedal made a business trip to Portland Friday and Saturday.

Mrs. Marks of Corvallis is a guest at the home of Mr. and Mrs. Goote.

Mr. and Mrs. Perry Cornutt are visiting in St. Johns, Wash.

Mr. and Mrs. John Cornutt and children were visiting over the week end in Eugene. Their daughter, Miss Sybil, remained in Eugene for a longer visit.

The children and teachers of the Vacation Bible School and also the parents had a picnic Friday on Wilson Creek. They all had a splendid time, playing games, swimming and eating.

The Silver Peak mining company have received such good returns on the car load of ore shipped. It was estimated at \$50 a ton. Due to this they are going to ship a carload of ore a week.

Mr. Frank Cain and Mr. Elza Logsdon are doing some development work on their mine on Middle Creek. The indications are that they have struck a good ledge.

Mr. John Taggart of Merlin and Mr. Eaton of Riddle, are working at the Cain and Logsdon mine.

Mrs. Mary Riddle accompanied her sister, who has been visiting here, went to Portland for a visit with relatives there.

Miss Cain just received a card from the Andersons, formerly editors of the Riddle Enterprise, that they are located in Portland.

Mrs. Maxine and Mrs. Addie

Nichols were in Roseburg Thursday visiting their brother, Thurgood Fullerton, who is quite ill.

Mrs. Lutz and children of Portland are visiting Mr. Lutz, manager of Silver Peak mine.

Mr. Glen Willis, Mrs. O. L. Willis and Mrs. Olive Willis were Roseburg visitors Thursday evening.

Mrs. Cora Cloud of Roseburg, formerly of Riddle, was a guest of Mrs. Ed Riddle Thursday. She has sold her business in Roseburg, The Palace of Sweets and is going into business in Medford.

Mr. Becker of Canyonville was a guest at the Cain home Wednesday and attended the Masonic Lodge.

Bad Crow has gone to Myrtle Point to work in a barber shop. He will be gone all summer.

Mrs. R. L. Townsend has as her guest her brother, Mr. Louis Holpenstall of Byron, California.

Mr. Weatherford and family returned home from Salem Wednesday. They are leaving for Medford Sunday to work in the pears.

Miss Mabel Houser, the assistant in the Post Office is having her vacation. Mrs. M. Nichols is working in her place during her absence.

Mr. Henry Sellert is painting the building occupied by the meat and ice company and the Sellert barber shop.

Mrs. A. Moore, of the Pfaff place, has as her guest her sister and niece from southern California. This is the first time the sisters have met in 30 years.

Mrs. Clara Sporer and daughter Lillian of Days Creek, have gone to Medford to work packing pears.

Mr. and Mrs. Howland son Carver Howland, of Big Bear Creek, California, is spending his vacation with his parents, Mr. C. Howland works for the Edison Electric Power Co.

Mr. Markham and family of Salem, have moved to Riddle and are occupying the Coleman house.

Mr. and Mrs. Clea Weaver, who have both been in the Good Samaritan Hospital in Portland, returned to their home Sunday. They are both doing well.

GLENGARRY GLEANINGS

We are having cooler weather in our valley the past week, and every one enjoys it after the hot weather of a few weeks ago.

Paul Spain is singing a tune to brocoli setting these days.

Mr. Cooper has been away

threshing the past week.

Miss Ruth Morningstar and Miss Nell McChey were callers at the Morrison home Friday. Miss Morningstar is leaving for Eugene. We are sorry to see her leave.

Ona Dorch has been spending the last few days with Frank Betts in Roseburg.

Frank Betts, Sr., of South Deer Creek spent Sunday at the F. I. Betts home.

Mr. and Mrs. H. E. Blood of South Deer Creek and Mr. and Mrs. J. J. Betts and son Frank took dinner with Lee Morrison and wife Sunday.

Lee Nichols of Roberts Creek was a caller at Lee Morrison's Sunday.

Mr. and Mrs. Paul Spain and son Frank spent Sunday at the W. N. Sebastian home at Sutherlin.

Mrs. Floyd Betts has been on the sick list the past week or ten days. All hope for her speedy recovery.

Mr. and Mrs. C. W. Groves were Sunday visitors at the Floyd Betts home.

"Jack" Weaver has been quite sick again the past week.

Mr. and Mrs. Burdine are doing some improving about their ranch having erected a windmill.

Everyone is watching the prune crop rather closely wondering if there will be any left after the present fall. Prunes are ripening rather fast in this valley.

Mr. and Mrs. H. E. Smith of Eugene spent Saturday night at the home of the latter's parents, Mr. and Mrs. D. O. McGeheey.

Lee Morrison started off the week getting brocoli ground ready for planting.

A SUBSCRIBER.

Don't make any mistake. Sutherlin is the place.

Meeting Announced—

At a conference committee meeting held in Medford the first of this week, it was definitely decided to hold the annual camp meeting of the Southern Oregon Conference of Seventh Day Adventists in this city. The meeting will begin Thursday evening, August 19, concluding with the service Saturday, August 28, and will be held in Bellows park, corner of Harvard and Umqua avenues, West Roseburg.

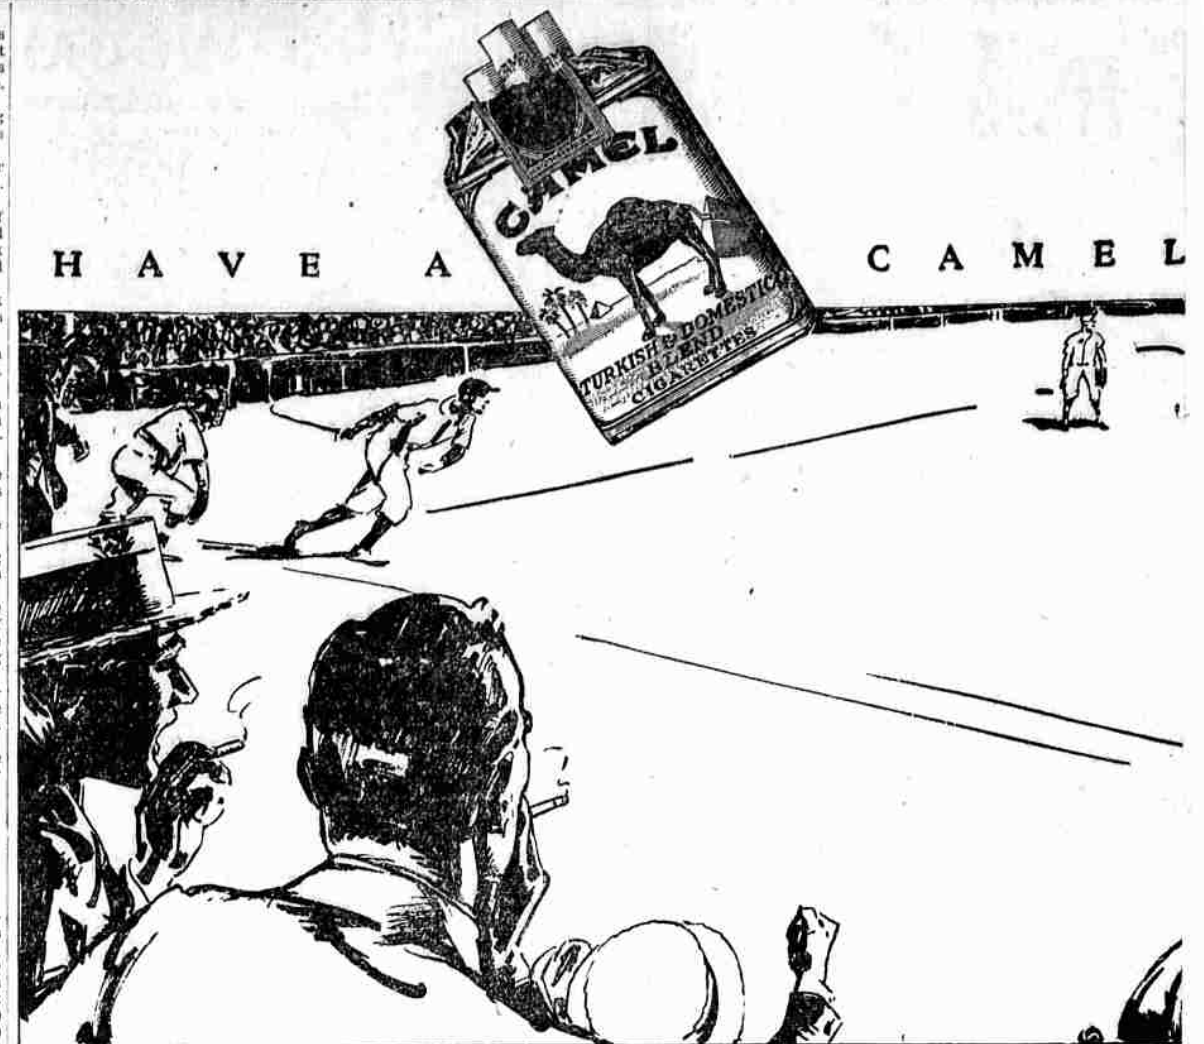

Keep your eye on Sutherlin. Something is going to happen.

FINAL PAPERS SIGNED IN SHERIDAN SALE

Final papers were signed today in the sale of the Sheridan property on Stephens and Mosher streets to the heirs of the Curry estate. The transaction was closed some time ago and the papers have been in process of being made ready for the final transfer of title which took effect today.

The new owners will take steps at once to remove the house and clear the lot. They have not yet decided, however, as to the nature of the improvement to be made as several propositions have been made to them.

The Curry heirs have made several heavy investments in Roseburg recently which have greatly encouraged local investors and business men. All of the heirs are former San Francisco residents

You can pay more—but there is no better

REGARDLESS of how much you pay, no other cigarette is so satisfying as a lighted Camel. No other is so good, so full of quality through and through.

No other cigarette ever made such a hit with the world as Camel. Millions cheered the arrival of this famous cigarette—because of its ever-dependable quality. Camel is overwhelmingly the world's favorite smoke.

Camel championship lasts through the years, because for satisfying pleasure; for downright enjoyment no other cigarette is within a mile of Camel. It's simply

impossible to smoke enough Camels to tire the taste. They never leave a cigarette after-taste.

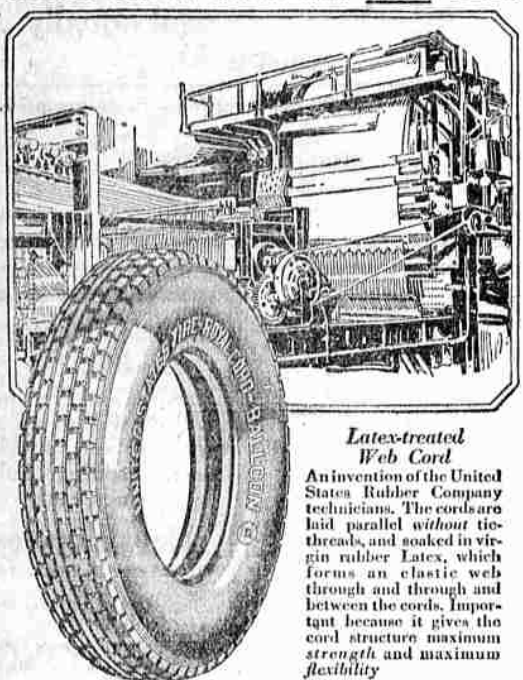

And mere money has no voice in Camel preference. Millions who could easily afford to pay the highest price, buy and smoke only Camels. In all walks of life, "Have a Camel" is recognized as quality passport to the utmost in cigarettes.

We invite you to try Camels. Into this one brand the world's largest tobacco organization puts the utmost that money can buy. If you want the tastiest smoke that ever came from a cigarette—

Have a Camel!

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

UNITED STATES TIRES ARE GOOD TIRES

Latex-treated Web Cord

Invention of the United States Rubber Company technicians. The cords are laid parallel without tie-bands, and soaked in virgin rubber latex, which forms an elastic web through and through and between the cords. Important because it gives the cord structure maximum strength and maximum flexibility.

Answering Some Further Questions about Latex-treated Web Cord

NOTE—So great an interest has been shown in this new construction because of the service given by United States Royal Cord Tires on passenger cars and buses that a further explanation of this patented process has been suggested.

Q—Is treating cords with Latex entirely new in tire building?
A—Yes. Until this process was developed by the United States Rubber Company, the use of Latex before it had been coagulated into crude rubber had never been used in tire building.

Q—Is the process patented?
A—Yes. The process is patented and owned by this Company.

Q—What are its advantages?
A—The tire engineer's ideal is a tire thin and flexible as a soap bubble and strong as steel. The more you can add to a tire's strength without increasing its weight the better.

Latex-treated Web Cord provides the strength and flexibility without adding unnecessary weight.

Q—Is it possible to make the cord structure of a tire too heavy?
A—Yes. Just as a cable made of many strands of fine and highly tempered wire can be stronger than a heavier iron bar, so the cord structure of a tire can be made strong, yet light and flexible, through this process.

Q—How does treating cords in Latex give additional strength?
A—Latex is virgin rubber just as it comes from the tree. There are no chemicals in Latex to destroy the natural oils in the cotton or to weaken the cord fibre.

Each cord in a United States Tire is run through a tank of Latex by means of the machine shown in the illustration above.

The cords are then laid side by side and drawn up over heated rollers which evaporate the water in the Latex, producing a rubberized fabric of cotton cords and pure rubber.

Each cord is impregnated and surrounded by rubber, and attached to its neighboring cord with an elastic rubber web.

Q—Are there any other advantages?
A—Yes. In the old cord fabric, the main strands in the cord structure were tied to each other with fine threads.

Latex-treated Web Cord has none of these cross tie threads and this source of internal friction is therefore eliminated.

By looking inside of a Royal Cord Tire and comparing it with tires made of the old cord fabric you will see that the Royal Cord has a much smoother and even appearance.

and have heavy property interests for investment they are investing there. They recently subdivided in Roseburg, showing the confidence they have in the city's future which cannot fail to reflect the benefit of the city and that that money to San Francisco county.

SURE MADE SOME CHANGE IN HIM, STATES WILSON

"Believe Me I Can Sure Appreciate the Good Health Karnak Has Given Me For I Know What It Is To Be Down And Out," Says Portland Man.

"I tell you there, sure, is some change in me now from three months ago, but I hadn't gotten hold of Karnak when I did there might have been a different story to tell," declares Claude Wilson of 944 1/2 Ave. S. E., Portland, Ore. "No man gets working and lays around the house all the time, unless there is something actually wrong with him, and that's just the way it was with me," continues Mr. Wilson. "Three months ago I simply had to give up, but my wife got Karnak for me and it wasn't any time before I knew I was on the road to recovery."

"When I started with Karnak I didn't have any more strength than a kitten. There were pains across my shoulders and back that almost caused me to boller, and I was in such agony I could hardly bend over. My appetite fell off till I ate practically nothing, and my whole system seemed shut to pieces."

"But I have taken four bottles of Karnak now, and I just eat anything I want and don't have an ache or pain in my body. My entire system seems to work now like a smooth running engine. I have gained in weight, and my wife says I look better than I have in years. Believe me I can appreciate good health now, for I know what it is to be down and out, and I can't thank Karnak enough for putting me in such fine condition again."

Karnak is sold in Roseburg by Nathan Fullerton, the R. G. M. store, and in all other leading druggists in Roseburg and every other town.

DONALD MEYER PASSES.

(Associated Press Leased Wire.)

PORTLAND, Ore., July 20.—

Donald Meyer, 68, for many years treasurer of the Oregon-Washington Railway and Navigation company, died at his home here late last night. He had been in the service of the company 38 years.

We manufacture special wash, doors, screens and mouldings on short notice. Also carry a complete stock of plate and window glass. L. W. Metzger.
