"Matty" Memorial.

NEW YORK, Aug. 13.—Saturday, September 11, has been selected as a national Matty day, and all professional, semi-pro and the amateur base ball teams throughout the country have been asked to donate their receipts to the memorial fund for Christy Mathewson, once great pitcher of the New York Giants.

The name of every team contributing will be placed on the honor roll of the memorial to be erected at Bucknell college, Lewisburg, Pennsylvania.

Schmidt Released.

SAN FRANCISCO, Aug. 12.—Walter Schmidt, manager for the San Francisco Missions of the Pacific Coast league, was given his unconditional release today by President Wm. H. McCarthy. McCarthy announced that Wm. "Wild Bill" Leard would take charge of the club next Monday.

Schmidt, a veteran of the Major leagues, joined the club this spring as a catcher and coach for the young pitchers. For many years he played with Pittsburgh. When Walter McCredie resigned as manager a couple of months ago, Schmidt was appointed to the place, but his reign was known to be none too pleasing to President McCarthy because of an apparent lack of dash and pep. His home is in Modesto.

Leard, one of the familiar figures of baseball, formerly managed the Seattle club. This year he has had charge of Idaho Falls in the Utah-Idaho league.

Revolt Among Pirates.

PITTSBURGH, Pa., Aug. 13.—Internal dissension in the ranks of the Pittsburgh Nationals will come to a head here tonight when Sam Dreyfuss, treasurer of the club, will address the players on their arrival from New York on the subject of a movement to oust the veteran Fred Clarke from the bench. Clarke has been acting as adviser of Manager Bill McKechnie. He left the bench when he learned of a movement, said to have been led by Captain Max Carey, to keep him off the playing field.

Dreyfuss said late today that he would decide the matter at once by facing the players.

He promised an official statement after the session.

Carey in a statement this afternoon said that he had no apology to make for his part in the affair, adding that he was acting as a spokesman for what he thought was a majority instead of a minority of the players.

AVIATOR PLUNGES 3,000 FEET INTO TREE; IS UNHURT

CLEVELAND, Ohio, Aug. 13.—Willard Parker, commercial aviator, Cleveland, went about his air hair, without a scratch, to show for a three thousand foot plunge with his plane into a tree top in a forest in Woodbury pass, Penn.

Bringing a new British Martinsyde plane from New York to Cleveland, Parker was following a mail plane between Smithboro and Woodward, Penn., Parker's gas line clogged.

Though he was only a half minute's flight from an emergency field, Parker's way was barred by mountains and he had to head his plane for the forest below and take his chances on landing in a tree, safely.

FIRES ARE OUT

The Canyon Creek forest fire was brought under control last night, according to a statement made today by Ray Q. Brown, supervising warden of the county patrol, bringing to an end a long series of bad fires. At the present time there are no fires of any consequence within the county. The patrol today received reports that two of the old fires had jumped the fire lines, but these cases are not serious as the fires are confined to small areas and can be handled easily with small crews. Altogether the situation today was very favorable.
