AMERICAN LEGION DRUM CORPS WILL VISIT AT DRAIN

The Umpqua Post American Legion drum corps will hold its first pre-election ballyhoo trip tonight, visiting the town of Drain with a plea to voters to turn out for the general election November 2. The American Legion as a national organization has taken upon itself a campaign to urge voters to do their duty as citizens and attend the polls on election days. All over the United States the American Legion has carried this plea, using many unique methods to get the proposition before the people.

In Douglas County Umpqua Post has been actively engaged in the campaign. Every civic organization and fraternal order has been invited to cooperate, while speakers have appeared before the civic groups urging support for the campaign.

The plea will be actively carried to the county by means of ballyhoo programs in which the Umpqua Post drum corps, male quartette and saxophone quartette will participate. These entertainment groups will visit each town at intervals prior to election time and will provide an interesting program, which will include a short talk by an American Legion speaker.

At Drain tonight District Attorney Guy Gordon will make the address.

JUSTICE OF THE PEACE WILL BE ELECTED NOV. 2

Voters residing within the Deer Creek district, which includes all of Roseburg and a portion of the nearby territory, will be called upon at the November election to elect a justice of the peace. Judge Jones, who has filled this position most ably in the past few years, is retiring from the public office and will devote his attentions entirely to his private practice.

Two candidates are now in the field, Attorney C. F. Hopkins having been nominated by republican voters and Ed Singleton by the democrats.

Mr. Hopkins is one of the city's well known attorneys and is now holding the office of U. S. Commissioner for this vicinity.

Mr. Singleton has had a great deal of experience in court procedure, having served as court bailiff for a number of years, while he also holds the position of deputy sheriff.

Both of the candidates are well qualified for the position, not only because of their knowledge of court procedure and the law but because of their high standing in the community.
