SCOTT IS GRANTED APPEAL TO SUPREME COURT OF ILLINOIS

Receives News With Little Show of Emotion—Says Test Wille Be Made of Insanity Law.

(Associated Press Leased Wire.) SPRINGFIELD, Ill., Oct. 13.—Russell T. Scott, under sentence to hang in Chicago on Friday for the murder of a drug clerk during a holdup, was granted an appeal by the Illinois supreme court today.

Scott, who twice before had escaped the gallows by a narrow margin, had filed a writ of error with the court on Monday. It was an appeal from a sanity trial in which the jury found him sane and subject to hanging, the sentence originally imposed. He had been returned to Chicago from the asylum for the criminal insane at Chester, where he was sent after a previous eleven-hour insanity plea. He first escaped the noose through a reprieve from Governor Smeal.

Will Test Law CHICAGO, Oct. 13.—Wearing a soiled collar, a thread-bare tie, a gray suit and in need of a shave, Russell Scott received without an obvious expression of emotion the word today that he had again been granted more time to live.

Scott said he was tired of being incarcerated with his life jeopardized by repeated sanity hearings, and added: "Hang me if I am guilty, but put me on the street if I am not."

As he leaned forward and grasped the cell bars, Scott declared "there was one prominent man who said he would give \$10,000 out of his own pocket if I was hanged next Friday."

He said that through friends he was preparing to have the Illinois law dealing with the criminal insane tested before the supreme court of the United States.

MISS DOREEN LEWIS AND ED. WALTON WED

At a very quiet wedding ceremony at the home of Mr. and Mrs. James Hutchings, their daughter, Miss Doreen Lewis, became the bride of Edward Walton yesterday morning. Rev. H. E. Mow read the service before only the immediate relatives and a few close friends.

The bride is a charming young woman of this city and attended Roseburg high school. During the past few months she has been employed as operator at the Pacific Telephone and Telegraph exchange. Mr. Walton has made his home in the city for the past few years and he and his bride have a wide circle of friends here. He is employed at the Grand hotel. Mr. and Mrs. Walton left immediately following the ceremony for a motor trip to Klamath Falls and Crater Lake and on their return will be at home in apartments on south Stephens street.

NEBRASKA GRAPPLER CLAIMS HEAVYWEIGHT WRESTLING TITLE

(Associated Press Leased Wire.) RAVENNA, Neb., Oct. 13.—John Pesek, Neb., "tiger man," today claimed the heavyweight wrestling championship of the world, claiming he was granted the winner's share of the purse for his recent match with Joe Stecher, title claimant, at Los Angeles last Wednesday night.

Pesek's manager, Oscar R. Kirshke, said Pesek was forced to score several falls on Stecher in that match before Tom Travers, referee, would award any one of them to him. After the match, he said Tony Stecher, brother-manager of Joe, rushed to the center of the ring and forced Travers under threats to award the match to Stecher on a foul. The California commission, Kirshke said, awarded the match to Stecher on a foul but gave Pesek the winners share.

CLOTHING SCHOOL BE HELD OCT. 18-20

Arrangements have been made through the office of the county agent for a three-day clothing school at the McLinnville Hall on October 18, 19 and 20. These will be all day schools beginning at about 10 o'clock in the morning and continuing throughout the day. There is no expense in connection with these schools in the way of tuition and every woman in the community is invited to attend any or all sessions and take advantage of the instruction offered. All the workers are required to furnish the material which they wish to use in their work and also their working equipment. Those wishing assistance in the remodeling of their dresses are requested to bring the garments with them and they will be given suggestions as to how these garments may be altered to the best advantage as suited to the person for whom they are intended.

Those schools will be conducted by Miss Esther B. Cooley, specialist in clothing, from the Extension Division of the Agricultural College. As far as can be determined at this time this will be the only clothing school that it will be possible for Miss Cooley to put on in the county this fall, and it is hoped that as many as possible will attend, as this is probably the only

opportunity they will have to receive this class of instruction during the present year.

Owing to the fact that the schools to be held next week are all day sessions, it will be necessary for the women who expect to attend to take their lunch with them and they are invited to come prepared to stay during the entire day.

STEPHENSON TO MAKE STATEMENT TO GRAND JURY

(Associated Press Leased Wire.) INDIANAPOLIS, Oct. 13.—D. C. Stephenson, central figure in charges of political corruption made by Thomas Adams, publisher of the Vincennes Commercial, arrived here at 8:35 o'clock this morning. Accompanied by Clifford Craig, chief clerk of the Michigan City state prison, where Stephenson is serving a life sentence, and seven guards, Stephenson entered the back gate of the Marion county jail.

Stephenson was brought here in answer to a subpoena to appear before the Marion county grand jury which is investigating Adams' charges of corruption and as a witness in a civil suit in connection with a tailoring establishment in which the former dragon was interested. Stephenson later was taken before the Marion county grand jury.

Stephenson's anxiety to tell his tale has been prompted, Adams has declared, by dissatisfaction with steps taken to file an appeal from the life sentence imposed last November upon Stephenson when he was convicted of murdering Madge Oberholzer. A possibility that concern over his plight has been removed was seen last night when John K. Kiplinger, Indianapolis, Ind., attorney, who was of counsel for the defense in the municipal case returned from the state prison at Michigan City, where he had conferred with Stephenson and announced that the appeal would be filed soon. The time for filing the appeal expires December 14.

Adams recently made sweeping charges of corruption which he said could be corroborated by Stephenson if the former's leader were given an opportunity to make a complete revelation. The publisher has insisted Stephenson be given a hearing at a special session of the state senate.

ROSEBURG WOMAN ELECTED OFFICER PYTHIAN SISTERS

(Associated Press Leased Wire.) CORVALLIS, Ore., Oct. 13.—Knights of Pythias and Pythian sisters numbering more than 500 are here attending their annual state convention.

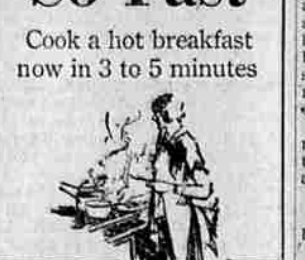

Business occupied the delegates today following the parade and banquet last night. Officers elected are: Grand chancellor, Edson I. Dalrymple, St. Helens; Grand vice-chancellor, Robert G. Morrow, Portland; Grand prelate, D. P. Patterson, Dallas; Grand keeper of records and seal, Walter G. Gleason, Baker; Grand master of Exchequer, James Malony, Pendleton; Grand master at arms, Edmund Harmon, Portland; Grand inner guard, William Gould, Salem; Grand outer guard, James Webb, Union; Grand trustee, Robert L. Lytle, Vale.

Among the Pythian sisters elected were Rae Bater, Elgin, grand chief; Carrie Knight, Eugene, grand junior; Pearl Kinzer, Salem, grand mistress of finance; Eva Marks, Roseburg, grand guard; Mary Mangold, Pendleton, grand press agent.

LANE COUNTY COUPLE ARE MARRIED HERE

Edwin C. Randolph of Gates, Lane county, and Miss Estelle Fratis, also of Lane county, were quietly married October 11 at the offices of Justice of the Peace Jones, only the necessary witnesses being present. They will make their home at Gates.

So Fast Cook a hot breakfast now in 3 to 5 minutes

QUICK QUAKER cooks in less time than it takes you to prepare plain toast.

That means a hot, nourishing breakfast in a hurry.

It means an excellently balanced ration; combining protein, carbohydrates and vitamins—plus the "bulk" to make laxatives less often needed—cooked and served without mess or bother.

Why go on with less nourishing foods? Quaker Oats and milk is the dietetic urge of today. Start every day that way.

Your grocer has Quick Quaker—also Quaker Oats as you have always known them.

Quick Quaker

PUBLICLY OWNED or Politically Operated?

All utilities are publicly owned. Their stockholders are representative of every business and of every walk in life, and in a true sense represent the general public.

The Housewives' Council "Water and Power" Amendment refers to "publicly owned and operated utilities" but means STATE OWNED AND POLITICALLY OPERATED. The practical result of the Amendment would be to destroy all opportunity for development of power or irrigation projects by private initiative or capital under state regulation.

Oregon, wholly without experience of its own as a guide, and without a successful example in any other state, by this amendment would close the door to all future development, except at the hands of a political board. At the same time it would place the additional burden of a \$53,000,000 bond issue upon the taxpayers. Politics would be an expensive substitute for thrift and enterprise.

Cremation and Vault Entombment Incomparably the BETTER WAYS

PROGRESSIVE people no longer are compelled to give their sacred dead into the unhallowed care of desolate earth.

No matter where they reside—the incomparably better ways—cremation or vault entombment at the Portland Crematorium and Mausoleum are available.

Any reputable funeral director can arrange for the services and attend to all details.

Upon request we will send you a brochure that explains our services—and shows views of our beautiful buildings.

The Cost of Cremation is only \$45

LEGION TO HOLD CONVENTION AT PARIS NEXT YEAR

(Continued from page 1.)

problems with the belief that a solution can be found through the combined wisdom, experience and good will of all concerned.

"What there is need of at the present time is an all prevailing faith in the essential honesty and awareness of men and the will to find ways of dealing with common problems that confront the judgment of those concerned."

Good Entertainment.

Today's program afforded the legionnaires varied forms of entertainment. There were trap shooting and rifle contests, hand contests, army circus and aerial acrobatics at the sesqui-centennial stadium, a smoki Indian snake dance by the Arizona department and tours and receptions at the sesqui grounds. A dinner for the legion's auxiliary, army review and ball, a spectacular feature, "the spirit of liberty, 1776-1918" and a masked ball by the "forty and eight" were arranged for tonight.

More than 100,000 legionnaires, men and women, participated yesterday in the legion's "biggest parade."

BASKETBALL STAR ALSO CHAMPION IN TENNIS TOURNAY

(Associated Press Leased Wire.)

EUGENE, Ore., Oct. 13.—Roy Okerberg, of Salem, added another title to his long list when he defeated Henry Neer, of Portland, in the final singles match of the annual University of Oregon fall tennis tournament. Okerberg is acclaimed tennis champion of the University through his victory. The score of the match was 6-3, 6-1, 6-1.

Okerberg is star center on the basketball team, and is the leading light of the university tennis team as well.

Neer played on the university freshman team last year.

EARTHQUAKE RECORDED

(Associated Press Leased Wire.)

WASHINGTON, Oct. 13.—A "very strong" earthquake, calculated about 4,800 miles from Washington, was recorded at 1:13 a. m. this morning on the Georgetown University seismograph. Director Tondorf said it lasted two and a half hours, with the maximum disturbance occurring between 1:30 and 1:50 o'clock.

ROSEBURG AND EUGENE TO PLAY FOOTBALL SAT.

(Continued from page 1.)

This fact also works out well in giving a good reserve which can be used for relief without weakening the team.

The Eugene game will be one that will try the mettle of the Roseburg squad. The Lane county team is always one of the strongest of the state, for the school has a large student body and has the advantage of the example furnished by the University, and the benefit of expert coaching. The Eugene team will doubtless be strong on the offense, and will fully try out the Roseburg defense, while Roseburg will be forced to extend to the limit to score against Eugene.

It will be a game well worth seeing and there will undoubtedly be a good attendance.

The game with Cottage Grove resulted in few injuries. "Bud" Agce suffered a strained knee, but this is giving him little trouble and he was able to be out in uniform last night. He will be in good shape for the game Saturday, however. Elton Jackson is still suffering from boils, but these are healing and he was in scrimmage last night. Jackson and Captain Allen Moore each played in the Cottage Grove game in spite of boils which gave them much pain. Although suffering from these afflictions both boys played brilliantly, remaining in the fight through practically

OREGON FOOTBALL TEAM WORKING HARD FOR STANFORD GAME

(Associated Press Leased Wire.)

EUGENE, Ore., Oct. 13.—The University of Oregon football team put memories of last Saturday's disastrous game behind it last night, and dug down in earnest to prepare for the home-coming game here October 23 against Stanford University. The workout was one of the hardest of the year, although the players did not scrimmage.

Tonight a scrimmage rehearsal is on the boards, the freshman team being the meat to be fed to the varsity gladiators.

Last night the line went to one corner of the field, the backs to another, and the ends to a third. Specialized sessions then were in effect, and the stringent rehearsals lasted until midnight. New methods of defense and attack were worked out.

Sam Durland will be back in his place at guard Saturday, having been kept out of last week's game by the death of a brother. His position, however, was well filled and there will be sufficient reserve to supply any vacancies in the line or backfield.

OREGON CHEMISTS TO MEET ON U. OF O. CAMPUS SATURDAY

(Associated Press Leased Wire.)

EUGENE, Ore., Oct. 13.—The Oregon section of the American Chemical Society will meet on the University of Oregon campus Saturday, according to announcement of Dr. Roger Williams, president of the state division, and professor of chemistry at the university. A delegation of approximately sixty chemists is expected to attend the meeting.

Dr. E. C. Gilbert, professor of chemistry at O. A. C., and councilor of the Oregon section of the association, will report on the national convention at Philadelphia, where taken up by the linemen, the ends drilled in forward pass formations, and the backs worked on carrying the ball and running interference.
