McCREERY BROS. QUITTING BUSINESS

YES! It's a Complete Let Go; Get Out, Close Out, of Every Dollars Worth of Our Fine Hardware, Furniture and Household Goods. Fixtures for Sale. Store for Rent. Straight From the Shoulder! Am Going to Tell to You just the Facts and True Reason **WHY!**

SEVEN YEARS ago when this firm started this business in Sutherlin it was our aim to adhere to only the Golden Rule principles of business we have at all times strived to maintain the same high standard, always dealing fair, and it is due to the loyalty of our hundreds of customers in Sutherlin and throughout Douglas County. It has been a real pleasure, and without your support the success of this store could not have been possible.
Now comes a quick decision and I must lay the cards face up. It's duty that call me East to my aged mother, and I must go as quickly as possible, and no assurance as to how soon I can return. I cannot manage a business here and be in the East at the same time, therefore in my desire to show our appreciation to the hundreds of good friends and Customers, comes this tremendous sacrifice—Quitting Business. Giving to the people of Sutherlin and Douglas County Hardware, Furniture, Household Goods and China at savings worth coming miles, yes fifty miles to secure. Signed GEO. C. McCREERY, (Mgr. McCreery Bros.)
