FORDSON TRACTOR SCHOOL WILL BE HELD JANUARY 26

Arrangements are being made by the Lockwood Motor company for a Tractor Clinic to be held Wednesday, January 26 at the salesroom on Oak and Rose streets. Mr. Crake, the Fordson expert who conducted the school last year, is returning to put on another clinic, which is sponsored by the Ford Motor company.

These schools are held for the purpose of teaching tractor owners to get the greatest possible efficiency out of their machines. Instructions are given in operating and caring for a tractor, the

mechanism being thoroughly explained, so that the owner may know exactly how his machine works and what is needed to make simple and ordinary repairs.

These schools are very practical, as the tractors are torn down and reassembled during the demonstration, a running lecture being given in connection with the mechanical work.

The Lockwood Motor company has made arrangements for a free lunch at noon and are inviting every Fordson owner, and every prospective owner to be present throughout the day. The school will start at 9 a. m.

ROSEBURG AND CORVALLIS WILL PLAY BASKETBALL

Good Game Is Anticipated at Local High School Gym—Aggies Lose to Idaho.

The Roseburg senior high school basketball team tangles with the Corvallis team on the gymnasium floor at the local school. It is expected that this game will be an exceptionally good one, and fans are looking forward to a real exhibition.

The Corvallis team has the reputation of being one of the strong points of the Willamette Valley while the Roseburg team has been showing up well in recent work-outs.

Tonight's game is expected to give the local boys some valuable experience, to aid them when they start their Southern Oregon conference battles. This game with Corvallis does not count in the conference, but as the local team is in need of experience they will undoubtedly learn many things which fight for the Southern Oregon honors.

The game tonight does not start until 8 o'clock the time being made a little late in order to accommodate persons whose business keeps them up-town until after the usual

time for starting games.

WILLIAM FOX PRESENTS The RETURN of PETER GRIMM

Here's a great photoplay in which romance, pathos, suspense and comedy have been delicately blended by a master artist. The cast includes one of the greatest of character actors in his greatest portrayal and two of the most lovable young players in screenland. The film version outdoes the stage play and that's saying a lot.
