**SENIOR CLASS
WILL PRESENT
ANNUAL PLAY**

Students to Offer 'Grumpy' at High School Auditorium in Roseburg Tonight.

The senior class of Roseburg high school will present their annual class play, this year, "Grumpy," a delightful four-act play by Horace Hodges and T. Wigney Percival, in the main auditorium of the senior high school this evening. The interesting character of "Grumpy," a part created by one of England's most famous actors, Cyril Maude, is well known to the theatre-going public, and Wm. Knight takes the part of the criminal lawyer quite skillfully.

The play is an extremely difficult production, however, the cast under the capable direction of Miss Alice Ueland interprets the characters in a very professional manner. The plot deals with the disappearance of a valuable diamond in the care of "Grumpy," grand-nephew, who has just returned to London from Africa, and although matters become considerably complicated, "Grumpy" solves the mystery and finds the jewel, providing a very interesting story.

Wm. Knight is assisted by a very able cast which includes Pauline Bubar as Virginia, "Grumpy's" granddaughter; Raymond Bell as Ernest Heron, "Grumpy's" grand-nephew; Tom McDowell in the part of the butler, Ruddle; Grant Giddens as Dr. McClaren; Elizabeth Abraham as Mrs. McClaren; Harold Ingram, the valet; Dawson; Milford Howard, Merrick; another valet; Leroy Bluff, the handsome and fascinating Mr.

Jarvis; Sam McConnell, Wolfe, the merchant; Helen Bergh, Susan the maid; Koble, Alfred Ellison. Music will be furnished by the high school orchestra directed by Walter Gwynn. The directions are: dramatic, Miss Alice Ueland; costumes, advertising and property, Miss Helen Casey, class adviser; stage, T. T. Mackenzie; make-up, Lloyd Reynolds. Truman Runyan is business manager and Roy Houser, stage manager. Those who attend this delightful play are assured of an evening of full entertainment.

NOTICE

To exterminate Ground Squirrels and Other Noxious Rodents Within Special Rodent District.

Notice is hereby given that the County Court of Douglas county, Oregon, has, by order duly made and entered, declared the following described area, to-wit:

Beginning at a point known as the southeast corner of section 10 township 28 south range 4 west of the Willamette Meridian; thence along southern boundary line 8 miles to the southeast corner of section 19, township 28 south, range 5 west; thence northerly 4 miles to the northeast corner of section 27, township 27 south, range 5 west; thence east along southern boundary 3 miles to the southeast corner of section 19, township 27 south, range 4 west; thence north 2 miles to the northeast corner of section 18, township 27 south, range 4 west; thence east 3 miles to the southeastern corner of section 19, township 27 south, range 4 west; thence south 6 miles to the southeast corner of section 19, township 28 south, range 4 west of the Willamette Meridian; and place of beginning.

To be a special rodent and predatory animal district, and every person, firm, co-partnership, company and corporation owning, leasing, occupying, possessing, or having charge of or domain over any land, place, building, structure, wharf, pier or dock within said area, which is infested with ground squirrels or other noxious rodents, must at once or as soon as the presence of said ground squirrels or noxious rodents shall come to his, their, or its knowledge, and, in any event, not later than thirty days from the first publication of this notice, which is April 6th, 1927, proceed and continue in good faith to exterminate and destroy such rodents by poisoning, trapping or other appropriate and effective means.

The following poison for the extermination and destruction of such ground squirrels is hereby recommended, to-wit: Strychnine (Alkaloid) used on either barley or wheat, (barley preferred), mixed according to the following formula and manner, to-wit: Barley, clean grain 16 quarts; Strychnine (Alkaloid) 1 ounce; bicarbonate of soda (baking soda) 1 ounce; thin starch paste 3-4 pint; heavy corn syrup 1 pint; glycerine 1 tablespoonful; saccharin 1-16 ounce.

Mix thoroughly the 1 ounce of powdered strychnine (Alkaloid) and 1 ounce common baking soda, (this into 2-1/2 pint of hot water) and stir to a smooth creamy mass. (The starch paste is made by dissolving 1 heaping tablespoonful of dry glass starch in a little cold water, which is then added to 3-4 pint of boiling water. Boil and stir constantly until a clear thin paste is formed.) Add 1 pint heavy corn syrup and 1 tablespoonful of glycerine and stir thoroughly. Add 1-16 ounce of saccharin and stir thoroughly. Pour this mixture over 16 quarts of clean barley and mix well so that each grain is coated. From March 1st until May 31st will be the most effective time to poison and destroy the digger squirrels as they have recently emerged from their hibernation and will take the bait readily.

The County Agent cooperating with the County Court has prepared and same is now on sale to the farmers or persons interested at actual cost, and this bait may be had by applying at his office in the Federal Building, Roseburg, Oregon, or at other central points in each county.

If any of the persons mentioned in paragraph 1 hereof shall, within thirty days from the first publication of this notice, fail to begin, in good faith, to exterminate, eradicate and destroy as aforesaid or by any other effective means, any ground squirrels or other noxious rodents, the County Court of Douglas County, Oregon, will appoint a person or persons to proceed with the extermination, and eradication of such rodents upon the land or place as aforesaid, and the costs thereof will be assessed to such land.

This notice is published pursuant to Chapter 5, General Laws of Oregon, 1925.

Dated and first published this 6th day of April, 1927.
J. C. LERBY,
County Agent of Douglas County, Oregon.

Some reception!

It's clear enough what smokers want—natural purity, natural sweetness; in short, natural tobacco taste!

NATURAL TOBACCO TASTE means the pure taste of the tobaccos themselves... with all their own natural spiciness and mellowness brought to full natural perfection.

**CITY TO HEAR
M'ELROY BAND**

Cole McElroy, better known as "Pop" to the thousands of dance fans throughout the northwest, was in Roseburg today arranging for the appearance of his famous Columbia recording orchestra at the armory here on Saturday night, April 16th. Cole is a typical 24-hour man, so familiar to news-papers who come in contact with the old-time circus press agents, but Cole has something to shout about and that is his band. Without a doubt the McElroy organization is the finest dance orchestra on the Pacific coast. The entire organization, including the entertainers, will be brought to Roseburg for the armory dance and they will present their latest tunes in typical western style. This city will be the mecca for dance enthusiasts from all parts of southern Oregon on that night and Cole is planning an extraordinary program for the occasion.

home here today. In fact, he used to run a bowling alley right here in our city and many of the rising young business men who are now quite prominent in local affairs used to "net" up in the other alley for him. The visit of his band to Roseburg will be sort of a homecoming and he plans to make it a jubilee night.

He holds an exclusive recording contract with the Columbia Phonograph company and according to reports all along the coast his records are selling like the proverbial hotcake.

Yes, Johnny Sylvester, "the all-accordion man" will be here with the band and there is a boy who knows his reeds.

son and Washington streets this morning. A Dodge car driven by Nathan Fullerton, going north on Jackson and a Ford coupe driven by Ira Byrd going south on Jackson, collided as Mr. Fullerton turned west into Washington. The impact threw the car driven by Ira Byrd into a Ford coupe driven by Nina Campbell who was turning from Washington into Jackson street. The Fullerton and Byrd cars were quite badly damaged, the Dodge losing a fender and bumper while the Byrd car was quite badly smashed up around the front end, the windshield also being broken. The third car was not damaged to any extent. Miss Lois Byrd, who was in the car with her brother, suffered minor injuries when she was thrown into the windshield.
