This is the age of square-thinking and straight-talking. Never was honesty so popular as today.

Modern smokers praise the integrity of Camels

THIS is the age of frankness and plain-speaking, and it rates Camel first among cigarettes.

For Camel is that kind of a smoke. Camel is all quality and no false front or show. Camels are made of the choicest Turkish and Domestic tobaccos grown—no substitutes. And the finest blending ever given a cigarette.

It is Camel character that has won the smokers of today—such honesty of taste and fragrance as never was known in a cigarette before. You'll find all dreams of smoking pleasure realized in this modern, quality cigarette. "Have a Camel!"
