HERRICK COMING FROM PARIS WITH ANTI-WAR TERMS

(Associated Press London Wire.)

PARIS, June 22.—The American ambassador, Myron C. Herrick, leaves today for his trip to the United States with a memorandum containing suggestions by the French government as to how negotiations may be opened for a pact to "outlaw" war between the two countries.

Such a pact was first broached by Foreign Minister Briand in his message to the American people through the Associated Press on April 6, on the occasion of the tenth anniversary of the entry of the United States into the World War.

The negotiations are expected by both sides to be long drawn out, as there are several points that will require careful consideration. One of these is France's obligation as a member of the League of Nations to join in military action against any aggressor the league may designate.

ANTLERS THEATRE
Colleen Moore in New Picture at Antlers Theatre

A story with a hunchy plot and a picturesque background, touched with pathos and comedy, supplies Colleen Moore with her latest film. "Twinkletoes," which is the entertainment bill of the Antlers theatre today.

Kenneth Harlan, Gladys Brockwell, Warner Oland, Tully Marshall, Julianne Johnston, Lucien Littlefield and John Philip Kolb support the charming little star in "Twinkletoes," in which Colleen, because the story calls for a blonde heroine, appears in golden curls.

She's more appealing than ever in the role and the blonde hair. The story is one of Thomas Burke's best, with a background of the famous London Limehouse district lending a wonderful variety of colorful characters and

LIBERTY THEATRE
News-Review Story Now at Liberty

If you want to forget the humdrum existence which most of us confront from day to day, go to the Liberty theatre and see Fox Films "The Secret Studio," which ran serially in the News-Review recently.

Here is a picture that is one of the most delightful and absorbing romances of the artists' colony of Greenwich Village one can well imagine. The gay dashing life of the Bohemians, models and writers, is pictured in a very entertaining manner in a story that is absorbing from beginning to end. And to make a good story better, the cast of artists includes Olive Borden in the stellar role. The way this young lady interprets the modern flapper is a pleasure not soon to be forgotten. Kenneth Harlan as the lover and Earle Foxe in a new type of role, that of a sinister artist, are eminently fitted for their respective parts.

champion Cardinals passed them in the National league standings and became the runnerup club to the Pirates. By dropping a 7 to 6 decision to the Reds that league leading aggregation meanwhile lost a few precious points of its leadership margin.

Even though back home in the east, where the national league picking is supposed to be easier, the Giants lost to the Braves, 7 to 5. The Robins in fourth place continued their rise by dropping the Phillies, 7 to 3.

The Yankees' two victories, scored over the trailing Red Sox, 7 to 3, and 7 to 1, shoved them ahead farther than ever in the American league race.

Walter Johnson lost his third game in four starts for Washington when the Athletics took his measure 8 to 2, after his mates had won the first game, 5 to 4.

COAST LEAGUE RESULTS

Sensational support behind Lefty Sparks, recruit southpaw, featured the Oaks' 12 to 0 win yesterday over Portland. The Oak rookie yielded only two safe blows, while his team mates drove Yerkes, newly acquired Beaver hurler, off the mound in the first round and continued their onslaught on Joe Storti. Bratcher hit a pair of circuit drives, each with two men on. Batteries: Sparks and Read; Jerkes, J. Storti and Wendell.

Sacramento turned 8 walks into five runs while Dave Koefe kept the six Seattle hits well scattered to emerge victorious, 5-2. Batter-

LONG SKIRTS FOR LITTLE GIRLS IS EDICT IN ITALY

(Associated Press Leased Wire.)

ROME, June 22.—Long skirts for little girls is the newest battle cry of Italy's 100 per cent dress reformers who insist that the juvenile innocence of childhood does not constitute an excuse for immodesty of abbreviated dresses.

The first success in the effort to lengthen the skirts of all Italian girls to the shoe tops, has been registered at Bologna, where the director general of schools ordered school teachers to instruct children to this effect. Since the beginning of the spring season, the director declared, children in elementary secondary schools have been coming to classes with indecently short skirts, which "constitutes a shameful spectacle, especially during gymnastic exercises."

Teachers were instructed to refuse entrance to classes of children whose parents failed to heed the admonition.
