Their Sickness Banished by Lydia E. Pinkham's Vegetable Compound

Mrs. Nina Matteson, Box 206, Oxford, N. Y., writes: "If it had not been for your medicine, I could not have done my work as it should have been done. Mother told me of Lydia E. Pinkham's Vegetable Compound, and I had read in different papers what it had done for different women. She wanted me to try it, so my husband got me one bottle at first; then I took two others. Now I am feeling quite strong again."

Just How Free Are You, After All?

The anniversary of our country's independence is just around the corner, which brings us squarely up against the question just how free and independent we really are, as individuals.

Not very free, we must confess, if we are spending Tomorrow's Dollar Today, and if our peace of mind is constantly disturbed by visions of what would happen if our earning power should cease, and the charge accounts come due. Paying-Cash-As-You-Go goes far toward giving a man or woman REAL freedom.

The J. C. Penney Company operate under a Selling-For-Cash policy in all of their hundreds of stores. They are able to maintain lower prices because, with ready cash, they are free to buy where they can obtain the best values. This saving is passed on to their customers.
