Many old folks have learned the value of Doan's Pills when a stimulant diuretic to the kidneys is required. Scanty or burning passages of kidney secretions are often signs of improper kidney function. In most every community are scores of users and endorsers who acclaim the merit of Doan's. Ask your neighbor!

LARGE CROWDS TURNING OUT FOR BAND CONCERTS

The weekly concerts being given by the Douglas County Concert Band are being greatly appreciated as is shown by the large crowds that gather for each program. As has been the case at the beginning of the concert season each year there has been considerable annoyance caused by thoughtless children who in their noisy romping disturb those who are listening to the music, but the band has appealed to the city authorities for police supervision and it is planned to have a special officer on duty at each concert in the future to prevent unnecessary noise and confusion, a step which will be appreciated by the music lovers. The band under the direction of Prof. Applehoff has been playing some excellent selections and this week's program has the appearance of being one of the best so far. The numbers to be played are as follows:

- March, "Sons of Australia," Lithgow "Echoes" from the Metropolitan Opera House Tolani Serenade, "Dawn of Love," Benedix March, "Victory of a Nation" Everett Allen, Mosen. Chilian Dance, "Manana," Missed March "Hungariana," Lithgow "Star Spangled Banner."
