PHONE NUMBERS IN OTHER TOWNS GIVEN BY "INFORMATION"

An innovation has just been introduced in Roseburg which will materially speed up long distance telephone connections with other points in this vicinity.

requested give the telephone numbers of persons or firms listed in other leading centers of the Pacific northwest with which Roseburg has frequent connections.

Then having obtained the number, he can proceed to place the call in the usual way.

patron, according to Mr. Farrington and the result will be a more profitable use of the telephone service.

"We are putting this convenience at the disposal of the telephone users of this city," said Mr. Farrington, "because we know, from the studies we have made, that the customer who gives the number in placing his long distance calls, quickly recognizes the advantage of doing so.

Then having obtained the number, he can proceed to place the call in the usual way.

FORUM LUNCHEONS BE DISCONTINUED UNTIL SEPTEMBER

The weekly forum luncheons which have been conducted for several months by the Roseburg Chamber of Commerce are to be discontinued as regular events during the summer months.

IRISH MINISTER SLAIN BY TRIO OF ASSASSINS

embraced his wife and child, and said farewell to friends and co-workers in the Free State cause.

One of the friends at the bedside remarked: "Kevin, while there's life, there's hope."

LONDON, July 11.—A Reuter dispatch from Shanghai says that Captain Fisher, American master of the steamer Chichibu, who was captured by pirates two weeks ago, reached Peking safely on Saturday, after having escaped from his captors.

FLASHES OF LIFE

(By The Associated Press.) NEW LONDON, Conn.—An eagle three on a 492 yard hole is the latest feat of the heavy hitting young Maureen Orcutt, New York's metropolitan woman's golf champion.

MITCHELL FIELD, N. Y.—Uncle Sam has a new battleship of the air. It has six machine guns in four armored turrets and can carry 2400 pounds of bombs and a crew of six.

RUSKIN, Fla.—Daniel Holloway, bass fisherman, is thankful that his boy, Horace, can make a good cast. The father was out in a boat 100 feet from shore fishing in the Little Manatee river and fell overboard and lost consciousness.

PERRY, N. Y.—A curfew for cats is desired by the Garhead Kennel Club. It has petitioned the town supervisors, pointing out that dogs must be confined at night while cats wander all day killing birds, then howl at night and keep dogs awake.

FARM REMINDERS

Elim trees of Oregon face destruction by elm leaf beetles unless radical control measures are applied.

Several thousand acres of Oregon small grains have been certified by the experiment station every year since 1918 resulting in great improvement of the type of grain produced.

The commonest form of white clover for pasture mixtures is the common white or little Dutch sort. It is expensive but might well be grown in the Pacific northwest including Oregon, says the experiment station.

ALLPRESS ALL STAR ARTISTS TO GIVE CONCERT

Chautauqua Brings Treat For Music Lovers

Pope in one of his moral essays once declared that "Light quirks of music, broken and unbroken, makes the soul dance upon a lig to heaven."

Certain it is that music is coming into its own in America as never before. The universal appeal of good music has been promoted by talking machines, radio, and the ability of the people generally to hear more good concerts than at any previous time in American history.

HIGH SCHOOL HEAD FOUND GUILTY OF FLOGGING WOMAN

TOFCOA, Ga., July 11.—(A. P.)—W. G. Arree, principal of the Stephens County High School was found guilty by a jury Saturday of assault and battery in connection with the flogging June 12 of Mrs. Ansley Bowers.

The schoolmaster was tried on a charge of assault with intent to murder. Sentence was not passed.

AMERICAN ESCAPES CHINESE CAPTORS

LONDON, July 11.—A Reuter dispatch from Shanghai says that Captain Fisher, American master of the steamer Chichibu, who was captured by pirates two weeks ago, reached Peking safely on Saturday, after having escaped from his captors.

The dispatch says that Captain Fisher, who was held for \$20,000 ransom, defeated the Chichibu, had gone aground about thirty miles from Ichang. The advices said the Japanese owner of the vessel still was in the hands of the pirates.
