MAJOR LEAGUE RESULTS

(By the Associated Press)

For the third time in as many days the National league leadership changed hands yesterday when Pittsburgh divided a double header with Philadelphia and the New York Giants beat the Chicago Cubs, 5-4.

The Cubs were glad to get away from New York, where they lost four out of six games. The series with the Giants played havoc with the brilliant record McCarthy's club had been setting all along the line.

Clarence Mitchell baffled the Pirates in the opener at Philadelphia and Stuffy McInnis' hand came out on top, 4-3. Carmen Hill pitched effectively for the Pirates in the second game, turning in a 6-5 victory.

Cincinnati and Boston split even in their twin bill, Jackie May turning in a 4-2 verdict for the Reds in the opener and Genewich beating Art Nehf in the second game, which Boston won 3-1.

Brooklyn won the opener of a double header with St. Louis 2-1, but the Cards put away the second game 3-1.

The Washington Senators made it four out of five against the White Sox at Chicago, Tom Zachary getting credit for a 5-3 win.

CAR STOLEN FROM EUGENE GIRL IS ABANDONED HERE

A thick roadster, stolen Tuesday from Eugene, was found here last night. The car, which was the property of Miss Frances Travis, of Eugene, had been driven to Roseburg and apparently ran out of gas here and was left standing near the cannery building. Officers, searching for the car reported from Eugene as having been stolen, watched the machine for several hours, but as no one appeared around it they decided that the thieves had abandoned the machine and had gone on. Miss Travis came to Roseburg last night and drove the car back home. It was not injured in any way.

Earl F. Smith of Eugene arrived last evening to spend a few days here attending to business affairs.

Robbed to Pay

To pay off a mortgage on the farm home of her crippled father at Marion Springs, Mich., 19-year-old Thelma Christler (above) tried to rob the People's Savings Bank in Saginaw, Mich., the girl told detectives. With an ancient revolver as a weapon she entered the bank alone, where she was captured by police.

Longest Bridge Is Open

The world's longest highway bridge has been opened across Mobile Bay, in Alabama. It's the Cochrane bridge, part of which is shown here, stretching for 10 1/2 miles and costing \$2,500,000. It eliminates part of the ferrying that tourists along the Old Spanish Trail had to endure. Now this famous trail from St. Augustine, to San Diego has only four ferries and expects to eliminate these soon.

War Status Hovers Over Two Republics.

San Marino Has Never Declared Peace With Austria; Italy of Man Also Remiss.

WASHINGTON, July 21—War still exists—more or less—in Europe.

The oldest republic in the world San Marino, is in a state of hostility with Austria, and has been since the Italian war of Independence in 1858. Similarly, the Tale of Man has not made peace with Russia since the Crimean war in 1854.

San Marino is one of the smallest republics in the world, having a population of 9,500. Established in the tenth century, it enjoys sovereignty over 32 square miles on the top of the steepest mountain in the Italian peninsula. That sovereignty has been respected for 900 years by popes and kings, and even the mighty Napoleon.

Occupying the mountain top with a sheer drop of 2,437 feet on one side, San Marino has always did its "bit" since then, the felt safe from invasion, although House of Keys has never seen fit to end the state of war.

Ladies of St. Joseph's church will sell home cooking in the office formerly occupied by Standard Oil Company Jackson street, next door to Hess' Drug store, Saturday, July 23rd. Pies, cakes, bread, salad, candy and many other good things to eat.
