CORNS

Ends pain at once

No waiting—one minute after you apply Dr. Scholl's Zino-pads the pain is gone. After the corn is healed it never comes back. If new shoes irritate the spot again, a Zino-pad fixes it overnight. Old methods of paring, corns, or using caustic acids, are dangerous.

Dr. Scholl's Zino-pads are safe, antiseptic, protective, healing. They stop the cause of corns—rubbing and pressing of shoes. At all druggists and shoe dealers. Cost but a trifle.

Dr. Scholl's Zino-pads
Put one on—the pain is gone!

THE ABOVE and all other Scholl Appliances and Foot Comfort Remedies are to be had at the Roseburg Bootie, Perkins Building, Cass Street.

COAST LEAGUE RESULTS

(By The Associated Press.)
Earl Kunz was as steady as a clock against the Beavers yesterday and the Seals chalked up 53 wins, driving two Portland hurriers to cover. It was the sixth straight triumph for Kunz. Batteries: Yerkes, Kinney; Tomlin and Yell; Kunz and Rogers.

The Missions finally defeated the

Oaks, winning the second game of a double header, 3-2, after Herman Sparks, the Avars' rookie, had beaten them 4-2 in the first game. Batteries: Barfoot and Whitney; Sparks and Boal. Second game: Ludolph and Wales; Delaney and Boal.

Seattle gained a full game on Oakland by twice taking Los Angeles into camp, 10-2 and 2-0. Batteries: Graham and Schmidt; Cunningham, Smith and Sandberg.

Second game: Brandt and Borron; Weatherly and Hannah.

"Bad Boy" Phil Mulcahy was in rare form, and Hollywood made it three out of four from Sacramento, winning 4-2. Batteries: Mulcahy and Cook; Keating and Sever.

FARM NEWS

STATE MARKET AGENT'S LETTER

(By Seymour Jones.)

Agricultural Notes and News
The Union Pacific system, reporting for its eastern Oregon field from Hood River to Baker and Walla Walla counties, has a most encouraging account of agricultural conditions at the close of last week. The general situation shows well in good condition; plenty of moisture in the ground; pastures good. Livestock in fine shape; wheat the best in several years; vegetables doing well; fruit excellent quality and fair crop.

The agricultural interests of Oregon and the northwest lost a loyal, intelligent and valuable friend in the death on the 13th inst. of Calvin J. Hurd, extension specialist in agricultural economics at O. A. C. who passed away at the age of 62, through illness brought on by hard work in connection with the effort to secure organized co-operation of packers in the prime industry.

The Granges of Oregon and Washington have shown continued activity and progress the past several months. Reports to the state Granges which were held recently show that Washington made a net membership gain for the year of almost 20 per cent, while Oregon followed with more than 10 per cent. The Granges in these two states are in a flourishing condition, functioning effectively in behalf of the farmers' interests and providing a vigorous social force in their respective rural communities.

"More new grange halls are now in process of construction in the United States than at any previous time during the 60 years since the Grange began. These were in cost from \$2,000 to \$20,000 and in every case their erection marks the completion of a genuine community asset," says the Washington Grange News.

The Coos county egg producers formed an organization at Coquille last week for the purpose of increasing and marketing the product. S. B. Leeper is president.

Indications are that the winter wheat crop will be about 48,000,000 bushels smaller than last year but that the spring wheat will be nearly 70,000,000 bushels larger. There was a drop in wheat quotation at Chicago, Monday, but the slump is thought to be only temporary.

Best plans for control of bee disease in Oregon call for knowledge of the present bee disease situation in the state, says H. A. Scullen, bee specialist of the experiment station. Most keepers know only the situation in their own neighborhoods or at best counties. American foul brood is present in many of the districts and know-

Victory's Visage

What price victory was plain on the face of Edward Keating, young New York natator, as he emerged from his 18-hour swim in the cold waters of Lake George, after winning the American Legion 24-mile marathon. Of 100 starters, he was the only one to finish.
