**QUEEN MARIE IS  
 CONFIDENT HER  
 SON IS FAITHFUL**

Says She Is Sure Carol Will  
 Never Try to Regain  
 the Throne.

**WOMAN IS SCORED**

Queen Hopes Carol Will  
 See Error of His Way  
 and Abandon Mme.  
 Lupescu.

(Associated Press Leased Wire)  
 BUCHAREST, Romania, Oct. 22.—  
 Queen Marie has faith in her  
 son, the former Crown Prince  
 Carol, and believes that he will  
 never attempt to regain that  
 which he has renounced—the  
 throne. She hopes also that he will  
 finally abandon Mme. Lupescu.

Reports from abroad that emi-  
 nent members of the national pen-  
 sion party had gone to Carol in Paris  
 to induce him to abandon the  
 titan-haired Magda Lupescu with  
 whom he eloped almost two years  
 ago, are not believed at the royal  
 palace.

Time and again in letters to his  
 mother the prince has given her  
 assurance that he will make no  
 attempt, illegal or secret, to re-  
 enter this kingdom.  
 "I have sufficient confidence in  
 that he will keep his word," Queen  
 Marie said, in reaffirming her be-  
 lief in him.

As for Mme. Lupescu, Queen  
 Marie declared that if Carol had  
 severed relations with her, as re-  
 ported in some Paris dispatches,  
 she was entirely unaware of it.

Carol writes regularly to the  
 queen and to his sister, Queen  
 Marie of Yugoslavia. In none of  
 his recent letters, it was said, has  
 there been a hint of separation  
 from Mme. Lupescu or a return to  
 Romania at the bidding of the na-  
 tional pension party.

"I have been hoping that he  
 would see the error of his ways  
 and would abandon this woman,"  
 Queen Marie said. "I hoped that  
 he would take his mind off his  
 present troubles by making a tour  
 of the world or engaging in some  
 serious business enterprise."

If there should be any attempt  
 to reopen the question of succe-  
 sion, settled in January, 1926,  
 shortly after Carol's elopement  
 six year old son ascended the  
 and through which settlement his  
 throne as King Michael, the Ru-  
 manian government is certain to  
 resist it to the utmost. Here the  
 whole dynastic question is consid-  
 ered to have been settled once and  
 for all time and reports of Carol's  
 intent to return seem to be taken  
 more as a joke than as a serious  
 matter.

**GRANDSTAND FALLS:  
 SCORES ARE HURT**

(Associated Press Leased Wire)  
 RICHMONT, Va., Oct. 22.—  
 More than 150 persons are  
 reported to have been in-  
 jured, an undetermined num-  
 ber of them seriously, when  
 a section of seats at Mayo  
 Island Park collapsed at the  
 beginning of the football  
 game between Virginia Mil-  
 itary Institute and Maryland  
 today.  
 Reports that two persons  
 had been killed were circu-  
 lated about the field, but this  
 could not be substantiated.  
 Ambulances rushed to the  
 more seriously injured to hos-  
 pitals. One hospital reported  
 that six persons had been ad-  
 mitted within a short time  
 after the crash.  
 One was killed, it was stat-  
 ed later by those aiding in  
 the work of removing the in-  
 jured.

storage this year, as against 2,  
 674,000 last year, which is almost  
 double. This will probably have  
 little effect on the local market,  
 which it is expected will be about  
 the same as that of last year. It  
 is estimated that the Douglas county  
 turkey crop this season will be ap-  
 proximately that of last year, which  
 was around 75,000 birds, or about  
 a million pounds. The price rang-  
 ed from 40 to 45 cents, at an aver-  
 age of 45 per bird, and it is  
 thought that it will be about the  
 same this year. The late, cold  
 spring with the resultant scarcity  
 of feed, had somewhat to do with  
 the condition of the birds, which  
 are said to be slightly under last  
 year in condition. No doubt, many  
 of the growers will hold a large  
 portion of their stock till the  
 Christmas market, which will al-  
 low them to put on more fat, and  
 fetch a higher price than they will  
 next month.

**FALL-SINCLAIR  
 TRIAL RECESSES**

(Associated Press Leased Wire)

WASHINGTON, Oct. 22.—With  
 the trial in recess until Monday,  
 Justice Suddens, presiding at the  
 conspiracy trial of Albert B. Fall  
 and Harry F. Sinclair, today had  
 under advisement the question of  
 admitting as evidence statements  
 made by Sinclair before the sen-  
 ate's oil investigating committee.  
 Sinclair's celebrated visit to  
 Fall, then secretary of the Inter-  
 tor, during the Christmas holidays  
 of 1921 at Three Rivers, New  
 Mexico, was involved. Before the  
 senate committee, Sinclair said  
 this was made for the purpose of  
 discussing a lease on the Teapot  
 Dome naval oil reserve out of  
 which grew the present court ac-  
 tion. Since that time it has been  
 asserted that the visit dealt en-  
 tirely with other matters.

**PIONEER LADY OF  
 COUNTY IS DEAD**

Ida Amelia Adams, wife of  
 Matthew Adams and one of the  
 pioneer women of Douglas county,  
 died last night at her home on  
 South Deer creek, following an ill-  
 ness extending over the past two  
 weeks.  
 Mrs. Adams was born at South  
 Deer Creek and was 63 years, 5  
 months and a day old at the time  
 of her passing. She had many  
 friends and was highly esteemed  
 in her community. Her father was  
 Jos. McLaughlin, well known in  
 the South Deer Creek vicinity.  
 She is survived, besides her hus-  
 band, by a daughter, Mrs. Eula  
 Frey, of Myrtle Point, and two  
 sons, Frederick Dew Adams of  
 South Deer Creek and Matthew M.  
 Adams, stationed with the 13th U.  
 S. infantry at Boston. He left Bos-  
 ton this morning and funeral ar-  
 rangements will not be made pending  
 his arrival here. The body has  
 been removed to the Roseburg  
 Undertaking company parlors.

**I. W. W. STILL ACTIVE  
 IN COLORADO MINES**

(Associated Press Leased Wire)

WALSBERG, COLO., Oct. 22.—  
 Women headed the I. W. W. pic-  
 ket forces in the Huerfano  
 county coal field today. At the  
 Ideal mine of the Colorado Fuel  
 and Iron company ten of the women  
 and thirty men were placed  
 under arrest and were confined in  
 the district court room here.  
 The women dared the mine  
 guards to start something as they  
 hurled stones and other missiles at  
 them. Then men remained in their  
 automobiles while the women pic-  
 kets took the offensive.  
 The forty persons who were ar-  
 rested sang the I. W. W. song  
 "Solidarity" almost continuously.  
 Some of the men pickets arrested  
 yesterday were placed in the county  
 jail in the basement of the court  
 house and as they saw the ar-  
 rested pickets approach this morning  
 they licked out the glass in the  
 jail windows and joined the I. W.  
 W. song.

Sheriff Capps, who made the ar-  
 rests, said the women would be re-  
 leased some time today but that  
 the men would be held.  
 The coal mine industry was  
 practically at a standstill. Three  
 mines were running with deplet-  
 ed forces. The remainder of the  
 brilliant sweep and a pass  
 remained idle.

DENVER, Colo., Oct. 22.—A plea  
 for mobilization of the Colorado  
 National Guard to deal with the  
 strike of the I. W. W. miners in  
 Huerfano county was contemplated  
 today by the county board of  
 commissioners who came to Den-  
 ver to confer with Governor Wil-  
 liam H. Adams after abandoning  
 the idea of hiring 100 deputy sher-  
 iffs to patrol the troubled area. The  
 commissioners yesterday pledged  
 financial aid to Sheriff Capps of  
 Huerfano county but later rescin-  
 ed the action.  
 I. W. W. leaders announced that  
 picketing of the mines, despite a  
 law against it, would be resumed  
 today on a more extensive scale.  
 Early yesterday more than 100  
 pickets were arrested but were  
 later released.

The introduction of women  
 among the ranks of the pickets has  
 caused a new problem for peace  
 officers. Heretofore they have  
 dealt only with men.  
 Reports from mine operators in  
 Huerfano county show that out of  
 a normal force of 2,400 men there  
 are only 1,913 working. This de-  
 crease of 58 over Thursday. The  
 Colorado Coal Fuel and Iron com-  
 pany reports only 586 out of a nor-  
 mal force of 1,199 at work.

 Twelve thousand acres of brush  
 land in the Mt. Shasta region have  
 been burned over during the past
