A THREE DAYS COUGH IS YOUR DANGER SIGNAL

Persistent corglis and colds lead to serious trouble. You can stop them now with Creemulsion, an emulaified crossite that is pleasant to take. Creencilisation is a new medical discovery with two-fold action; it southes and heals the inflamed membranes and limibits germ growth.

germ growth.

Of all known drugs, creosete is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulain contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the eart of the trouble and checks the growth of the germs.

TO LINDSEY

educator and a Bolshevist Philosopher!

Last April trouble was started at West Chester normal school, in Pennsylvania by a "liberal club among the students, and the local post of the American Legion took lup the matter for patriotic reasons, its committee found that Pennsylvania schools were being used to spread "pernicious and subversive propaganda, destructive of American ideals." The committee charse det that these activities were being directed from Russia, and that a fund of \$25,000,000 had been sent to this country, with Washington as the central distributing point for the appread of communism.

Last summer, at the national congress of the Episcopal church held at San Francisco, a minister named Lewis, of Michigan, inquired on the thoor of the convention whether the church "might not do better to recognize unmarried unions among the younger generation." He was backed up by another minister who had latroduced "classic dancing" into his church. Of course, the majority of the convention were horrified, but Mr. Lewis only went a short step farther than Mr. Lindsey goes. This
