MRS. RHINELANDER WILL BRING SUIT FOR SEPARATION

(Associated Press Leased Wire) NEW YORK, Dec. 30.—The marital affairs of Leonard Kip Rhineland, heir of \$100,000,000, and his wife, daughter of a negro chauffeur, are before the courts again in a separation suit brought by his wife.

Mrs. Rhineland, who two years ago defeated the attempts of her husband to secure an annulment of their marriage on the grounds that she had deceived him as to her race and color, now asks for a separation on the basis of cruelty, inhuman treatment and abandonment. She asks no specific alimony.

Papers in the suit were delivered yesterday at the office of Sheriff Underhill for service against Rhineland. Meanwhile Rhineland, the New York Daily News said today, has gone to Louisiana to establish his residence preliminary to seeking divorce.

It first became publicly known in November, 1924, that Rhineland, then 22, and then son of one of the state's oldest families, had been married a month to Alice Beatrice Jones, 23, a nurse maid, whose father was a negro taxi driver. Soon afterward Rhineland filed suit for annulment, but was defeated in a legal battle which was carried to the higher courts. Since that time Mrs. Rhineland had received monthly the \$300 allowed her as temporary alimony at the time of the suit.
