

WINGS of the MORNING

Several years ago, Schilling decided that it is impossible for anyone to maintain first grade coffee quality in the same plant producing second and third grades. That is what manufacturers in every other line have discovered also. So Schilling broke away from the established coffee custom.

And today Schilling is the only coffee roaster in America specializing on top grade coffee only - - with no divided interest - - no confusion of quality.

That's why Schilling Coffee never varies in fine flavor. That's why Schilling dares to say "Moneyback if you don't like Schilling's best!" - - and dares to put it on the package.

In Trim This Winter?

Watch The Kidneys After Winter's Colds.

COLDS and grip are hard on the kidneys. When the kidneys slow up, impurities remain in the blood and are apt to make one tired and ache with headaches, dizziness and close itching backache.

Just as the change to the factory system from old fashioned methods of hand and household production brought a greater distribution of the luxuries of life to the people of the world, the president feels that the modern methods of mass production and the economical methods of transportation and distribution are destined to diffuse them to a great many more people.

STABBED BY NEURITIS!

Many people suffer attacks by this arch-enemy, commonly called "nerve inflammation." The first warning is usually a sharp, stabbing pain, which "comes and goes" or bursts constantly. You may feel it in the shoulder, neck, forearm, back or leg, or down the spine and up to the head. It is sometimes mistaken for rheumatism or neuritis, which troubles often do not.
