NEW PERFORMERS SIGNED UP FOR BOSTON RED SOX

(Associated Press Leased Wire)
 BOSTON, Jan. 19.—A winter of vigorous house-cleaning by President Bob Quinn, of the Boston Red Sox, leaves Manager Bill Carrigan with the status of a host of new performers, mostly young and of more than average promise, ready to hustle the remaining veterans in the 1928 American league pennant race.

Three pitchers, three catchers and the entire 1927 outfield, with the exception of Ira Flagstad, have passed out of the picture in the series of trades, swaps, purchases and releases which have marked President Quinn's off-season activities.

Last year's veteran infield has been held intact and is expected to prove a foundation for Carrigan to build in on his second "comeback" year along the managerial trail.

Phil Todd, at first base, Bill Regan at second, Russell Rawlings at third, and Rogell, Jack Rothrock, and Charles "Buddy" Myer as shortstop or utility points on the base paths are again available. Rogell plays either second or third, Myer at short or in the outfield and Rothrock can handle any infield assignment, exclusive of battery work.

The two outstanding infield recruits are Joseph Cicero, a 16-year-old youth who batted for .330 in the eastern Maryland circuit after leaving school for the diamond, and Paul Hinson, a third baseman purchased from Joplin, Mo. Cicero's mother signed his contract for him.

Ira Flagstad and Arlie Falbert, former Ohio state star, were the only prominent patrolmen of the outer gardens who graced the roster last year.

The biggest gap was plugged promptly by purchase of Ken Williams from St. Louis, followed by the acquisition of three promising minor leaguers, Doug Tate, a slugging left-hander from Nashville, and J. H. Loopp and Donny Williams, both from Mobile. Loopp has hit .372, while Williams, another left-hander, is exceptionally fast and hit for .360 last year.

The outstanding pitching replacement seems to be Herb Bradley, who was farmed to the Waterbury eastern league club last year and was recalled in time to hurl several excellent games. Two more ex-Mobile players have been obtained in Ed Morris and Merrill Settlement. Morris won 15 games with a tall end club and finished more than 40 contests as a relief hurler. Settlement is a left hander. Cliff Garrison of Texas Valley league is another recruit, while the remaining veterans are Slim Harris, Charlie Ruffin, Danny MacFayden, Jack Russell and Hal Wilton.

The new catching recruits are Charlie Berry, from Dallas, Texas, Pohn Heving, from the Toledo American association, and Danney of Holy Cross and Ed Connelly, a New York state semi-pro. Berry, a former football and baseball star at Lafayette, is considered the most promising. Farmed to Dallas by Connie Mack, the 185 pound six-footer hit for .300 last year. Heving has been playing for Toledo with a Red Sox string on him and bated for .356 last year.

Through? Joe Dugan, Mentioned in Trade Breezes, May Depart from Majors.

JOE DUGAN

The fact that the New York Yankees have been mentioning Joe Dugan's name in proposed trades makes it seem as if this star third-sacker is about at the end of his career. Dugan could help several clubs around the two major circuits, but no one has broached Miller Huggins with the proper inducements for a trade yet.

day night against Corvallis. The game with Corvallis High will be a preliminary to the Oregon-Idaho varsity game in McArthur Court. Corvallis ranks high in the district lightweight and the contest is expected to be fast and furious while it lasts.

PETE LATZO NOW A LIGHT HEAVY

(Associated Press Leased Wire)
 ATLANTA CITY, Jan. 19.—Pete Latzo, former world's welterweight champion, who now lives in Margate City, has become a light heavyweight.

Last summer Pete weighed 147 pounds for his title bout with Joe Dundee of Baltimore, and lost. He now tips the scales at 172 pounds.

"I am going after the light heavyweight crown now," he said.

PUG PUTS ONE OVER; IS KAYOED

(Associated Press Leased Wire)
 SIOUX CITY, Iowa, Jan. 19.—Boxing fans were trying to figure out today who it was that Buzz Griffith, Sioux Falls, S. D., mid-dieweight, knocked out Monday night.

Everyone thought it was "Kid" Culbertson, of St. Paul, and was so programmed, and a receipt signed "Eddie Culbertson," was given to the promoter in return for the loser's share of the purse.

It has developed, however, that

RICKARD TO PICK TUNNEY OPPONENT

(Associated Press Leased Wire)
 NEW YORK, Jan. 19.—Tex Rickard was on his way south today to pick a logical opponent for Gene Tunney.

The promoter left New York last night for Miami where he plans to spend four weeks with the heavy-weight champion, at golf and conferences.

On February 1, Rickard will post \$100,000 to bind an option on Tunney's services for 1928 and around the same date he thinks he will have decided who, among the present crop of contenders, will get the next opportunity to knock the crown from the big marine's head.

Rickard caught his train last night after a long and fruitless conference with the managers of Jack Delaney and Tom Heeney, whom he hoped to match in a 15-round elimination bout at Madison Square Garden March 1. Delaney was willing, but Charles Harvey, manager of the New Zealand, admitted he wasn't so keen about it.

Efforts are to be made to match Jack Sharkey, who lost some prestige in his draw battle with Heeney last week, against Johnny Risko, of Cleveland.

The latter makes a specialty of taking the logic out of "logical" contenders. This match, if it goes through, will be a 15-round affair at the garden March 12.

Paolino Uzcudun, Rickard disclosed, no longer is being considered in the plans for developing an outstanding challenger for the heavyweight title. Next month Paolino meets George Godfrey, giant negro at Los Angeles.

Although he spent most of the day with the heavyweights, Rickard found time to close a match between Sid Ferris, of New York, and Jimmy McLarin, of Los Angeles. They will battle at the garden February 2.

The winner probably will get a championship bout with Sammy Mandell.

CHUCK HEILMAN IS HELD TO A DRAW

(Associated Press Leased Wire)
 SALEM, Ore., Jan. 19.—Chuck Heilmann's invasion of the featherweight division received a temporary halt here Wednesday night when Phil Bayes of Salem fought him to a 10-round draw. Heilmann could not make his customary body attack function against Bayes' weaving tactics. Heilmann was hampered for nine rounds by a deep cut over his left eye.

Falling in his fighting, the Portland Finn stepped out to slus with Bayes in the seventh round, only to receive a barrage of lefts to the face and a heavy right to the stomach that left him staggering at the end of the round.

Heilmann will fight Dixie Lahood in Butte, Montana, January 31.

AN AGE OF MIRACLES

(Associated Press Leased Wire)
 LONDON, Jan. 19.—Sir Harry Lauder, embarking for America, left a small boy behind in London wondering if the stories about the Scotch being a close race are not exaggerated.

The picturesque figure of the singer, strolling about the Waterloo station, approached a small boy who was razing longingly at a chocolate vending machine.

"Here, my lad, is a penny," he said, and he handed the boy a coin, "and tell your mother the age of miracles is not past for that's from Harry Lauder."

DRIVER IS ACQUITTED

(Associated Press Leased Wire)
 THE DALLES, Ore., Jan. 19.—Harry Duncan, of Heppner, was acquitted by a jury which tried him on a charge of involuntary manslaughter in connection with the accidental death of Frank Black, near here last May 30. The verdict was returned last night. Arrest of Duncan followed the finding of a door handle of his automobile, which was traced to Duncan's car.

Duncan testified that at no time, in a drive from Portland to The Dalles did he feel any jar which would indicate that he had struck a man.

MILLER WINS MATCH

(Associated Press Leased Wire)
 PORTLAND, Ore., Jan. 19.—Walter Miller, ex-middleweight wrestling champion, won two out of three falls from Professor Y. Higami, Japanese jiu jitsu expert here last night in a match filled with action and surprises. Miller took the first fall in 17 minutes and 30 seconds with a combination head scissors and arm bar. Higami evaded matters by taking the second fall in 19 minutes, 11 seconds with head scissors. Miller decided the match in 9 minutes, 29 seconds, with a headlock attack. It was several minutes before Higami could leave the ring after the numerous crashes he took to the floor in the final fall.

DRAIN RESIDENT CHARGED ASSAULT

Vernon Howath, of Drain, was taken into custody yesterday evening on a warrant charging him with assault with a dangerous weapon. The complaint was sworn out by Joe Hodrick, Drain resident who claims that in an argument over a personal matter Howath picked up a rock and struck Hedrick a blow over the eye, inflicting a deep injury. The trouble occurred several weeks ago. Howath appeared in the morning before Justice of the Peace C. F. Hopkins and demanded a preliminary hearing, which was set for Saturday afternoon. He furnished bail in the sum of \$150.

Immunity?

Sir Esme Howard, British ambassador to the United States, has asked diplomatic immunity for his son, Henry Howard (above), 14, whose automobile struck Beatrice Deforest, 12-year-old daughter of a weather bureau employe at Washington. The boy is two years under the minimum age requirement for driving an automobile in the District of Columbia, police said, and any action to be taken will have to come through the State Department.

PLANE CARRYING NEWS REELS LOST

(Associated Press Leased Wire)
 ELIZABETH CITY, N. C., Jan. 19.—A forced landing at sea in a dense fog somewhere off Cape Henry, Virginia, was believed today by coast guardmen to have been the fate of Ted Mosely and a companion attempting a non-stop flight from Daytona Beach, Fla., to New York.

The fliers were carrying newsreel pictures of the Havana conference.

Captain Walter G. Etheridge, keeper of the Naghead coast guard station, 35 miles north of Cape Hatteras, related how an unidentified plane had been observed passing low over the breakers there Monday night.

MILBURN WILL QUIT POLO GAME

(Associated Press Leased Wire)
 NEW YORK, Jan. 19.—Devereux Milburn, rated by many experts as the greatest polo player of all time, has decided to retire from international competition.

A commandant figure on every American "Big Four" since 1909, Milburn will be 49 years old when the next international matches roll around and "that's too old for international competition," he said today. He objected to the use of the word "retire" in connection with this decision on the ground that "it's neither important, nor does it sound right for me to get up and publicly announce: 'I hereby retire.'"

"But I'm not going to play any more international polo," he said. "I've made up my mind to that."

It is not alone his age which caused Milburn to reach this decision. He believes the time has come when the younger players should take over the responsibility and the business and the work of international polo.

Pointing to Bobby Strawbridge and Winston Guest as examples, Milburn said he felt these rising young stars should get ready to step into the veterans' places.

TO PLAY HARD GAME

 EUGENE, Ore., Jan. 19.—University High school, which is soon by some observers as a contender for the high school district championship this year, will play its hardest game of the season Saturday.

HOW TO FIGHT EXCESS FAT

There are hard ways, like starvation, but fewer and fewer employ them. There is a pleasant way, modern and scientific, which combats the cause. A vast number of people now use it. And the slender figures now seen everywhere are largely due to that.

That method is embodied in Marmola prescription tablets. People have used them for 20 years—millions of boxes of them. And everybody, in almost every circle, sees the change. New beauty, new health, new vitality.

Each box of Marmola contains the formula, also the scientific reasons for results. So users have no fear of harm. Learn the facts about Marmola, because of the good it has done. Ask your druggist—now—for a \$1 box with the book. Then decide.
